INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Speech and Language Development Center
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Speech and Language Development Center 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of June 30, 2024 and 2023, and the related Statements of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Speech and Language Development Center 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Speech and Language Development Center 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Speech and Language Development Center 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Speech and Language Development Center 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Speech and Language Development Center 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT

continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of Speech and Language Development Center 401(k) Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

On September 2023, SLDC transitioned its pension plan from Empower Retirement (“Empower”) to Voya Retirement Insurance and Annuity Company (“Voya”). The assets were transferred over to Voya on September 27, 2023.

In May 2024, the Speech and Language Development Center (the “Center”) changed its name to Linden Oaks (doing business as Speech and Language Development Center). As a result, the Center subsequently changed the name of the Plan (see Note 9).

General

The Plan was established on September 1, 1972, and is a profit sharing 401(k) plan covering substantially all eligible employees of the Center. A participant becomes eligible to make contributions to the Plan on the first of the next month following the completion of at least six months of service and attainment of age eighteen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Once employees are eligible to enter the 401(k) Plan, they will be automatically enrolled into the Plan at 3% of Compensation. Employees may opt out of the Plan if they choose not to enroll. Employees may also change their contributions at any time.

Each year, participants in the Plan may contribute up to the maximum determined by the Internal Revenue Code from their eligible compensation as defined in the Plan. For 2024, the Internal Revenue Service limit is \$23,000 for employees under the age of 50. For ages 50 and older, the limit is \$30,500.

Employer Safe Harbor Matching Contributions

The Center offers employees a Safe Harbor Match. The Match is 100% on the first 3% of compensation and 50% on the next 2% of compensation. The Safe Harbor Match is as follows:

<u>Employee Contribution</u>	<u>Safe Harbor Match</u>
1% of Compensation	1% of Compensation
2% of Compensation	2% of Compensation
3% of Compensation	3% of Compensation
4% of Compensation	3.5% of Compensation
5% of Compensation	4% of Compensation

Employer contributions were \$190,567 in 2024 and \$128,190 in 2023. The Plan has met the minimum funding requirements required by ERISA.

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Participant's Accounts

Each participant's account is credited with the participant's contribution and allocation of the Center's contribution and the Plan's earnings. Allocations are based on participant earnings or account balances, as defined. Investment earnings on or before tax participant contributions and all types of employer contributions accumulate on a tax deferred basis. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account balance.

Vesting

Effective August 1, 2016, the vesting schedule for employer and matching contributions changed from 100% vested to a 5-year graded vesting schedule. The change in vesting schedule shall only apply to Eligible Employees who become Participants in the Plan on or after the effective date. Eligible employees who were Participants in the Plan prior to the effective date shall continue to be 100% vested in Employer and Matching Contributions.

For Safe Harbor Matching contributions, vesting is 100%, regardless of years of service.

Forfeitures

Employer contributions are forfeited if the employer contribution has not fully vested at the time of withdrawal. These amounts may be utilized to reduce future employer contributions. At June 30, 2024 and 2023, forfeited non-vested accounts totaled \$16,336 and \$8,932, respectively. Forfeitures used during the plan years ended June 30, 2024 and 2023, were \$9,662 and \$0, respectively.

Investments

The Plan provides for several different investment options based upon various investment risk factors. The contributions to the Plan are deposited in the Voya portfolio of investment funds. These funds include a guaranteed investment contract, which guarantees minimum fixed income return on investments and several other risk-level based mutual funds.

Notes Receivable from Participants

All vested plan participants are eligible to obtain loans. The minimum amount of any loan is \$1,000. The maximum amount of any loan is the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding loan balance during the prior twelve-month period. The loans bear interest at a rate commensurate with local prevailing rates, as determined by the plan administrator. The repayment period may not exceed five years unless the loan is for the purchase of a principal residence, whereupon the repayment period may be longer.

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Plan Termination

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA.

Administrative Expenses

The Center absorbs all administrative expenses of the Plan other than the contract services charged by the trustee. During the year, total contract charges were \$38,909.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The financial statements of the Plan are reported on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses when incurred.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relate to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with the investment securities that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

3. Notes Receivable from Participants

Notes receivable from participants are repaid monthly at varying interest rates over a period of two to fifteen years. Loans to participants outstanding at June 30, 2024 and 2023 were \$67,195 and \$79,360, respectively.

4. Information Prepared and Certified by the Trustee

No auditing procedures were performed on investments and interest income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following summarizes the information certified by Voya, the trustee of the Plan, at June 30, 2024 and Empower at June 30, 2023, respectively:

	<u>2024</u>	<u>2023</u>
Mutual funds	<u>\$12,391,793</u>	\$ -

	<u>\$15,128,415</u>	<u>\$14,172,080</u>
Notes receivable from participants	<u>\$67,195</u>	<u>\$79,360</u>

During the years ended June 30, 2024 and 2023, the Plan's investments (including investments bought, sold, and held during the years) appreciated in value by \$1,470,495 and \$1,053,402, respectively, attributable to mutual funds and pooled separate accounts.

The fair value of mutual funds and pooled separate accounts in the fair value hierarchy has been measured on a recurring basis using quoted prices for identical assets in active markets (Level 1 inputs).

6. Investments in Fully Benefit Responsive Investment Contracts

The following summarizes investments measured at contract value per share as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>

The Standard Stable Asset Fund is a guaranteed general account backed by a group annuity contract. A composite crediting rate, contractually guaranteed by Standard Insurance Company (The Standard), is applied to account balances. Once the crediting rate is announced, that rate is guaranteed not to change during the set period. The net crediting rate is after the deduction of 0.00% for fees for administrative services provided to the plan. The guaranteed minimum interest rate offered by stable value funds from The Standard is 1%. Currently, the net crediting rate is 3.00% effective annually, through October, 2024. This rate will be reset on December 31, 2024, and quarterly thereafter. Participant withdrawals and transfers are freely permitted daily according to plan provisions, with no penalties, fees, or surrender charges, please refer to the contract or plan description.

NOTES TO FINANCIAL STATEMENTS

7. Related Party and Party-in-Interest Transactions

ERISA defines parties-in-interest more broadly than generally accepted accounting principles' related parties, encompassing all service providers to the Plan. Management identified no related parties that were not also parties-in-interest, and no material related party transactions occurred during the Plan year regarding compensation arrangements, expense allowances, or similar items. Parties-in-interest transactions include those with plan fiduciaries or employees, service providers, employers with covered employees, employee organizations with covered members, and persons owning 50% or more of such employers or employee associations, along with their relatives. Trustee transactions, including revenue sharing and fee offset agreements, as well as the Organization's payment of certain Plan fees and expenses, qualify as parties-in-interest transactions. Administrative fees paid by the Plan to the trustee were \$38,909. The Plan's investment options include funds managed by Voya Retirement Insurance and Annuity Company or its affiliates. As Custodian and recordkeeper, Voya Retirement Insurance and Annuity Company's transactions qualify as exempt parties-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Center. No officer or employee received compensation from the Plan for these services.

8. Tax Status

The trust established under the Plan to hold the plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the plan sponsor believes that the Plan continues to qualify and operate as designed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

9. Subsequent Events

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

April 15, 2025

To the Board of Trustees
Speech and Language Development Center
401(k) Profit Sharing Plan

We have audited the financial statements of Speech and Language Development Center 401(k) Profit Sharing Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended June 30, 2024, and have issued our report thereon dated April 15, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Voya Retirement Insurance Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 4, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices	Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended June 30, 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.
Significant Accounting Estimates	Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We evaluated key factors and assumptions used to develop the estimates and determined that they are reasonable in relation to the financial statements as a whole. The most sensitive estimates were: • Management’s estimate of the fair value of investments • Management’s estimate of the notes receivable from participants equal to the amortized cost of the loans because the loans are secured by each respective participant’s account balances

Sensitive Financial Statement Disclosures	Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were: • The disclosure of information certified as complete and accurate by the trustee in Note 4 to the financial statements. No auditing procedures were performed on investments and investment earnings as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA • The disclosure of fair value measurements in Note 5 to the financial statements. In order to fairly present the investments, management must continually monitor the fluctuations of the investments' values and assess the validity of the measurement method when appropriate The financial statement disclosures are neutral, consistent, and clear.
Difficulties Encountered in Performing the Audit	We encountered no difficulties in dealing with management in performing and completing our audit.
Adjustments	Professional standards require us to accumulate all known and likely adjustments identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. No such adjustments were identified during the audit.
Disagreements with Management	For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.
Management Consultations with Other Independent Accountants	In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.
Other Audit Findings or Issues	We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters	With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.
Management Representations	We have requested certain representations from management that are included in the management representation letter dated April 15, 2025.

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Board of Trustees and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Harrington Group
Certified Public Accountants, LLP
