INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Annuity Fund IBEW Local 96
Wallingford, Connecticut

Opinion

We have audited the financial statements of the Annuity Fund IBEW Local 96 (the Fund), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Fund as of June 30, 2025, and 2024, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Fund amendments, administering the Fund, and determining that the Fund's transactions that are presented and disclosed in the financial statements are in conformity with the Fund's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Administrative Expenses and Schedule of Assets Held at End of Year, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

ANNUITY FUND IBEW LOCAL 96

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2025 AND 2024

NOTE 1. DESCRIPTION OF PLAN

General - The Annuity Fund IBEW Local 96 (Fund) was formed under an agreement between the Central Massachusetts Chapter of the National Electrical Contractors Association (NECA) and the IBEW Local Union 96 (the Union) and is maintained pursuant to collective bargaining agreements. The purpose of the Fund is to supplement the benefits of the Pension Fund Local 96 - IBEW by the establishment of an individual account fund to which contributions are made for each employee working as an electrical worker in the jurisdiction of Local 96. The Fund is administered by a Board of Trustees (Trustees) consisting of representatives of the employers and the union. The Fund is a non-contributory, defined contribution profit sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Employer Contributions - Contributions to the Fund are made by contributing employers at rates established by the collective bargaining agreements. The collective bargaining agreement effective September 1, 2023 through August 31, 2027, provided for employers to contribute \$5.06 effective September 3, 2023, \$5.18 effective September 4, 2024, \$5.30 effective September 7, 2025, and \$5.43 effective September 6, 2026 for each hour paid.

Contributions for apprentices commence upon completion of 1,999 hours of employment and completion of the first year of the apprenticeship program.

The Voice-Data-Video Agreement effective September 1, 2023 through August 31, 2027 provides for employers to contribute \$3.79 effective September 3, 2023, \$3.88 effective September 4, 2024, \$3.97 effective September 7, 2025, and \$4.07 effective September 6, 2026 for each hour paid.

Contributing employers primarily conduct business in the Central Massachusetts area. Contributions from 8 employers comprised 76% of total contributions for the year ended June 30, 2025.

Employer contributions are accounted for as exchange transactions.

NOTE 1. DESCRIPTION OF PLAN (continued)

Participant Accounts - An individual becomes a participant in the Fund on the day he/she works at least one hour in covered employment. Covered employment means employment with a contributing employer in a category of work covered by a collective bargaining or participation agreement requiring contributions to the Fund. Each participant's account is credited with employer contributions and adjusted by investment results and expenses. Net earnings or losses are allocated on a daily basis based upon the investment results of the investment options in a participant's account.

Participants are allowed to direct the investment to any investment option offered under the Fund. If the participant has not specified the allocation into a specific investment type, the contributions will be invested in the Guaranteed Holding Account as the default fund. Administrative expenses are allocated quarterly at a rate of \$65 per account through May 1, 2025 and \$52.75 effective June 1, 2025, without regard to the value of the account.

Vesting - Participants are 100% vested in the value of the contributions made on their behalf, adjusted for the allocation of net earnings or losses and administrative fees.

Benefits - Participants are entitled to their vested benefits upon retirement, disability, death, or termination of covered employment. An election for distribution must be filed indicating the method of distribution and approved by the Trustees. The method of payment may be a lump sum, a life annuity, a series of installment payments of at least \$100, a qualified joint and survivor annuity, or partial payments, subject to certain restrictions outlined in the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Valuation of Investments and Income Recognition - The Fund's investments in pooled separate accounts and registered investment companies are carried at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, as determined by quoted market prices.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Fund's gains and losses on investments bought and sold as well as held during the year.

See Note 3 for discussion of investment contract with insurance company carried at contract value and Note 10 for discussion of fair value measurement.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Fund administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Payment of Benefit - Benefit payments to participants are recorded upon distribution.

NOTE 3. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Fund has an investment contract with Empower Retirement (Empower) (FKA MassMutual). Empower (FKA MassMutual) maintains the contributions in a guaranteed investment account and pooled separate accounts as directed by the participants. The guaranteed investment account is credited with a guaranteed interest rate that is an effective annual rate of interest credited at its equivalent daily rate and is charged for participant withdrawals and administrative charges. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The average yield earned is calculated by dividing the annual interest credited to the plan during the plan year by the average annual fair value. The average interest rate credited to participants is calculated by dividing the annual interest credited to the participants during the plan year by the average annual fair value. Empower (FKA Mass Mutual) will establish the guaranteed interest rate on a semi-annual basis.

Certain events may limit the ability of the Fund to transact at contract value. Such events include, but may not be limited to, the following: 1) temporary absence; 2) change in position or other occurrence qualifying as a temporary break in service under the Fund; 3) transfer or other change of position resulting in employment by an entity controlling, controlled by or under other common control with the employer; 4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Fund sponsor's business. The Fund administrator believes the occurrence of such events, that would also limit the Fund's ability to transact at contract value with Fund participants, is not probable.

NOTE 4. PLAN TERMINATION

The Trustees expect and intend to continue the Fund indefinitely but reserve the right to amend or terminate it. Upon termination of the Fund or complete discontinuance of contributions, each participant or beneficiary will have unforfeitable rights to their account, after providing for all of the expenses of the Fund at termination.

NOTE 5. TAX STATUS

The Fund is qualified under Section 401(a) of the Internal Revenue Code (IRC) and the related trust is exempt from federal income tax under Section 501(a).

NOTE 5. TAX STATUS (continued)

The Fund obtained its latest determination letter on July 8, 2015, in which the Internal Revenue Service stated that the Fund, as then designed, was in compliance with the applicable requirements of the IRC. Subsequent to year end, the Fund has been amended since receiving the determination letter. However, the Fund's legal counsel believes that the Fund is currently designed, and the Fund's administrator believes that the trust is currently being operated, in compliance with the applicable requirements of the Code. Therefore, they believe that the Fund is qualified, and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Fund management to evaluate tax positions taken by the Fund and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. RECIPROCAL AGREEMENTS

Reciprocal contributions represent amounts received from other International Brotherhood of Electrical Workers fund offices for paid hours worked by electrical workers who are members of International Brotherhood of Electrical Workers Local 96. Reciprocal expense represents amounts paid to other International Brotherhood of Electrical Workers fund offices for paid hours worked in the jurisdiction of Local 96. The contributions are based on the rate stated in the collective bargaining agreement in effect where the work is performed. These amounts are presented on a net basis on the Statements of Changes in Net Assets Available for Benefits.

NOTE 7. CONTRACT ADMINISTRATION

The Fund has a contract with Zenith American Solutions, a third-party administrator, to administer the Fund. The contract provides for a monthly fee of \$4,100 effective July 1, 2019; \$4,185 effective July 1, 2020; \$4,269 effective July 1, 2022; and \$4,354 effective July 1, 2023.

Effective May 1, 2025 to Fund retained Associated Administrators, a third-party administrator, to administer the Fund. The contract provides a monthly fee of \$4,354 effective May 1, 2025, \$4,506 effective May 1, 2026 and \$4,664 effective May 1, 2027. The agreement automatically renews without further action by either party unless terminated in accordance with the provisions of the agreement.

NOTE 8. RISKS AND UNCERTAINTIES

The Fund invests in various investments. Investments are exposed to various risks such as economic, interest rate, market, and sector risks. Due to the level of risks associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 9. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Pension Fund Local 96 IBEW and the Health and Welfare Fund IBEW Local 96 are related to the Fund through common trustees. The Funds share the cost of meeting expenses, fiduciary liability insurance, fiduciary bond coverage, dues and field audit fees. The Fund's portion of shared expenses totaled \$21,732 and \$22,892 in 2025 and 2024, respectively. On June 30, 2025, the Fund owed the Pension Fund \$583 related to meeting expenses.

The Fund invests in mutual funds and pooled separate accounts managed by Empower (FKA MassMutual), the Custodian of the Fund. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year).

NOTE 10. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy.

NOTE 10. FAIR VALUE MEASUREMENTS (continued)

Pooled Separate Accounts (SIA) - Valued at the net asset value (NAV) of units held by the Fund at year end. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee. The investment management fee is deducted prior to setting the daily unit value. Investment objective is to generate current income consistent with preservation of capital by investing or participating in various investment vehicles or strategies that are similar to those of the investing fund.

Registered Investment Companies (RIC) - Shares are valued at quoted market price which represents the net asset value of shares held by the Fund at year end. Equity securities are valued at the last quoted sales price as of the time of the regular close on the valuation date.

Reference Note 3 for discussion concerning the Fund's investment contract with an insurance company.

The following table presents assets measured at fair value on a recurring basis at June 30, 2025 and 2024:

Participants, in accordance with the Plan document, may borrow from their account an amount not to exceed the lesser of \$50,000 or one-half of the vested balance credited to the participant's account at the time the loan is issued. The loans are secured by the balance in the participant's account and bear interest at a fixed rate. The range during the plan year was 4.25% - 9.50% and is based on the bank prime loan rate as published at the time of the loan plus 1% (Prime plus 1%). Principal and interest are paid ratable on a monthly basis over a period not to extend beyond five years from the date of the loan unless the loan was used to purchase principal residence in which case the period is not to exceed fifteen years from the date of the loan. Interest income totaled \$38,577 and \$23,888 for the years ended June 30, 2025 and 2024, respectively.

NOTE 12. SUBSEQUENT EVENTS

Subsequent events have been evaluated through April 12, 2026, which is the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
