Independent Auditor's Report

Plan Administrator
J.C. Lewis Motor Company Employee Benefits Plan
Savannah, Georgia

Opinion

We have audited the financial statements of J.C. Lewis Motor Company Employee Benefits Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of June 30, 2025, and May 31, 2025, and the related statements of changes in net assets available for benefits for the period June 1, 2025, to June 30, 2025, and for the year ended May 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2025, and May 31, 2025, and the changes in net assets available for benefits for the period June 1, 2025, to June 30, 2025, and for the year ended May 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher

than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) as of June 30, 2025, and May 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan

General

The following description of J.C. Lewis Motor Company Employee Benefits Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan Document for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

The Plan provides health benefits covering all employees of J.C. Lewis Motor Company, Inc. (the "Company") and covered dependents. Eligible employees may become participants after 60 days of continuous full-time service. An employee must work a minimum of 30 hours per week to meet the full-time requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan maintains stop-loss insurance to limit the losses on any one individual to $75,000 annually and unlimited over a lifetime.

Benefits

The Plan provides health benefits (medical and prescription drugs) to all full-time employees of the Company and to their beneficiaries and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's trust or the general assets of the Company. Despite the Plan's utilization of third-party claim processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM), which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

The benefits provided under the terms of this Plan are purchased through Employer contributions. At the discretion of the Company, Employees may be required to contribute on a payroll deduction basis.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred but not reported claims (IBNR), eligibility credits, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Company or the trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. The third-party claims processor processes health claims of active participants, dependents, and beneficiaries, but the responsibility for payments to participants and providers is retained by the Plan. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Stop-Loss

Premiums for stop-loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. Stop-loss refunds totaled $81,317 and $0 for the year ended May 31, 2025, and for the month ended June 1, 2025, respectively.

Claims Incurred but Not Reported

Plan obligations as of June 30, 2025, and May 31, 2025, for medical claims incurred but not reported are estimated by the Plan's management based on payments made subsequent to year-end per claims data provide by the Plan's third-party administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Plan Benefit Obligations

The following tables present the components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations.

Benefit obligations at June 30, 2025, and May 31, 2025, are as follows:

	June 30, 2025	May 31, 2025
Amounts currently payable		
Claims payable and claims incurred but not reported	$ 134,089	$ 196,526

Changes in benefit obligations for amounts currently payable for the period June 1 to June 30, 2025, are as follows:

Benefit obligations, beginning of period	$ 196,526	$ -
Claims reported and approved for payment and claims incurred but not reported	57,242	1,665,055
Claims paid	(119,679)	(1,468,529)
Benefit obligations, end of period	$ 134,089	$ 196,526

Note 4. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

The Plan uses service providers for claims administration, recordkeeping and insurance brokerage. Such providers are parties-in-interest under ERISA. Funds in the amount of $21,236 for the month ended June 30, 2025, and $266,794 for the year ended May 31, 2025, were paid by the Plan to service providers.

Note 5. Tax Status

The Plan’s health benefits trust may be subject to income taxes. No federal or state income taxes have been recorded in the financial statements. The Plan Administrator believes that the Plan and related trust are currently operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 6. Risks and Uncertainties

The Plan’s benefit obligations are reported based on certain assumptions pertaining to claims reporting lag times and payment history, both of which are subject to change. Due to uncertainties inherent in the estimates and assumptions process, it is at least possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Note 7. Subsequent Events

Subsequent events have been evaluated through April 14, 2026, which is the date the financial statements were available to be issued.
