INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Folium, Inc. Cafeteria Benefits Plan
Chambersburg, Pennsylvania

Opinion

We have audited the accompanying financial statements of Folium, Inc. Cafeteria Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Folium, Inc. Cafeteria Benefits Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Folium, Inc. Cafeteria Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Folium, Inc. Cafeteria Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Folium, Inc. Cafeteria Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Folium, Inc. Cafeteria Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Part IV, line 4i – Schedule of Assets Held at Year End as of June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

NOTE 1 PLAN DESCRIPTION

The following description of the Folium, Inc. Cafeteria Benefits Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides health and other benefits covering eligible employees and covered dependents of Folium, Inc. (the "Company" or "Employer"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company established a trust on July 1, 2019, to fund the Plan and continue benefits previously provided directly by the Company. The Plan provides primarily self-insured health (subject to stop-loss) and dental benefits. The Plan also provides insurance for vision, long-term disability, life insurance and AD&D, short-term disability, supplemental life insurance and AD&D and telemedicine benefits.

Plan Administration

The Plan operates as part of the Veris Benefits Consortium, LLC (Consortium), which is a group of companies that partnered together in efforts of obtaining more preferential treatment and insurance rates than the companies could have acquired individually. The Company entered into an agreement with the Consortium whereby the manager of the Consortium will perform administrative services on behalf of the Plan including development of the program with respect to eligibility and underwriting standards, placing stop-loss insurance, coordination of regulatory compliance and document preparation.

The Company also entered into an agreement with two insurance providers to administer the health and dental benefits under the Plan in accordance with its policies and procedures. The insurance providers invoice the Plan for claims paid on a weekly basis.

The third-party administrators charge administrative fees related to the services performed. The health benefits administrative expense is paid from the Plan's trust account. The Plan's other administrative expenses are paid either directly by the Company or by the Plan. These third-party administrators are considered parties in interest under ERISA.

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Benefits

The Plan provides health (medical and prescription), dental, vision, long-term disability, life insurance and accidental death and dismemberment (AD&D), short-term disability, supplemental life insurance and AD&D, and telemedicine benefits to covered persons who are employees of the Company.

All full-time employees (defined as working an average of 30 hours per week) are eligible for health, dental, vision, long-term disability, life insurance and AD&D, short-term disability and supplemental life insurance and AD&D benefits. All full-time and part-time employees are eligible for the telemedicine benefit.

Employees are eligible for health, dental, vision and telemedicine benefits upon date of hire. Employees are eligible for life insurance and disability benefits following completion of 90 days of employment. Coverage for all benefits will begin on the first day of the month following the first day that all eligibility requirements are met.

Self-Insured Benefits

The health benefits are self-insured by the Company. The claims for this self-insured benefit are processed by a third-party administrator. The third-party administrator pays claims directly to, or on behalf of, the participants. The payments for these claims are paid from the Plan's trust, which is funded by both Company and participant contributions.

In addition, the dental benefits are self-insured by the Company. The claims for this self-insured benefit are processed by a third-party administrator. The third-party administrator pays claims directly to, or on behalf of, the participants. The payments for these claims are paid from both Company and participant contributions.

Despite the Plan's utilization of third-party administrators for claims processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

Insured Benefits

The Plan fully insures the vision, long-term disability, life insurance and AD&D, short-term disability, supplemental life insurance and AD&D and telemedicine benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits are paid to the insurance company from both Company and participant contributions.

FOLIUM, INC. CAFETERIA BENEFITS PLAN
Notes to Financial Statements

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for health benefits (individual participant claims over a specific dollar amount), as well as its aggregate exposure for all claims. The Plan's stop-loss coverage amount was \$ 100,000 per individual and provided coverage up to a maximum of \$ 1,000,000.

Stop-loss reimbursements of \$ 208,558 are netted against claims paid, health and dental, for the year ended June 30, 2025.

Contributions

Participants are required to contribute to the Plan to fund a portion, or all, of the cost of their health, dental, vision, short-term disability and supplemental life insurance and AD&D benefits. Amounts required to be contributed by participants are determined annually in accordance with the Plan Document. The remainder of the funding required to pay benefits, stop-loss insurance, and cover expenses under the Plan is paid by the Company.

The Company funds the health benefits through the use of a trust established by the Consortium for the Plan. Monthly contributions are made to the trust in an amount sufficient to cover expected claims, stop-loss insurance, and administrative expenses of the Plan.

COBRA

The Plan offers continuation of benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for a specified period of time to qualified employees and their dependents who would not otherwise be eligible for continued coverage because of a particular qualifying event. Each qualifying individual pays their premium directly to a third-party (COBRA) administrator. The premium collected is then paid to the Company. Separate third-party administrators process claims and other expenses. The Company and the Plan retain the risk for self-insured health and dental claims and insured vision claims.

Plan Termination and Modification

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, the Company must pay the claims incurred and expenses of the Plan due up to the date of termination, plus extended benefits, if any, provided under the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting and in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP).

Interest-Bearing Cash

The Plan's interest-bearing cash was held in a commercial performance checking account as of June 30, 2025 and 2024.

Claims Payable

Claims payable represent the amount of benefit claims incurred, paid by the claims processors, and reported to the Plan by the end of the year.

Claims Incurred but Not Reported

Claims incurred but not reported are the estimated claims, which have service dates prior to year-end, but are reported to the Plan subsequent to year end. Those amounts are estimated based on actual claims experience. See Note 3 for benefit obligations.

The Plan had no accumulated eligibility credits or postretirement benefit obligations.

Payment of Benefits

Claim payments for health and dental benefits are recorded when paid by the third-party administrators.

Insured benefits including vision, long-term disability, life insurance and AD&D, short-term disability, supplemental life insurance and AD&D and telemedicine benefits are recorded when premiums are paid.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those amounts. Significant estimates used in the preparation of these financial statements relate to claims payable and currently due and claims incurred but not reported to the Plan.

FOLIUM, INC. CAFETERIA BENEFITS PLAN
Notes to Financial Statements

NOTE 3 BENEFIT OBLIGATIONS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 965, Accounting and Reporting by Health and Welfare Benefit Plans, requires disclosure of the following Plan obligations at June 30:

	2025	2024
Plan's benefit obligations:		
Claims incurred but not reported to the Plan for active participants	<u>\$ 258,784</u>	<u>\$ 197,367</u>
Claims incurred but not reported to the Plan:		
Balance at beginning of year	\$ 197,367	\$ 176,513
Claims incurred	3,001,928	1,739,133
Claims paid	<u>(2,940,511)</u>	<u>(1,718,279)</u>
Balance at end of year	<u>\$ 258,784</u>	<u>\$ 197,367</u>

Plan obligations at June 30, 2025 and 2024 for claims incurred by participants but not reported at that date are measured by the Plan's actuary at the estimated ultimate cost to the Plan of settling the claims. Estimated ultimate cost reflects the Plan's obligation to pay claims to or for participants, regardless of status of employment beyond June 30, 2025 and 2024, pursuant to the provisions of the Plan. The method used to derive the estimated unpaid claims liability applies the reserve factor to a monthly average of the past several months of health and dental claims, which is then adjusted as needed based on actual subsequent period claims paid.

The Plan does not offer postemployment benefits and, thus, they are not included in the above calculations.

Notes to Financial Statements

NOTE 4 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Claims that have been processed and approved for payment at year-end but not paid, and claims incurred, but not reported are not considered liabilities under U.S. GAAP and, therefore, are not presented as liabilities or claims paid in the statements of net assets available for benefits or statement of changes in net assets available for benefits but are recorded on the Form 5500 as a liability as of June 30, 2025 and 2024.

The following is a reconciliation of the financial statements to the Form 5500 for the statements of net assets available for benefits and the statement of changes in net assets available for benefits:

FOLIUM, INC. CAFETERIA BENEFITS PLAN

Notes to Financial Statements

NOTE 5 RISKS AND UNCERTAINTIES

Plan assets include interest-bearing cash, which is held at a bank insured by the Federal Deposit Insurance Corporation (FDIC) up to \$ 250,000. The Plan may have deposits from time to time which exceed the maximum amount insured by the FDIC.

The actuarial value of benefit obligations is computed as described in Note 3. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

NOTE 6 TAX STATUS

The Plan is intended to qualify as an employee welfare benefit plan as defined in ERISA. The Plan benefits are funded by both Company and participant contributions.

The trust established under the Plan to hold the Plan's assets is a taxable trust, under Internal Revenue Code (IRC) 419. The trust files Form 1041 U.S. Income Tax Return for Estates and Trusts. Plan management believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan engages third parties to perform administrative functions and process claims. Fees paid by the Plan for these services are included in administrative expenses on the statement of changes in net assets available for benefits.

During 2025, the Plan made direct payments for administrative services to Capital Blue Cross and United Concordia Dental of \$ 177,858 and \$ 23,978, respectively. The Plan also made direct payments to Strickler Agency, Inc. totaling \$ 67,968 for broker services, to The Benecon Group totaling \$ 45,001 for broker and management services, and to ConnectCare3 totaling \$ 15,633 for patient advocacy services. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 8 SUBSEQUENT EVENTS

The Plan has evaluated events and transactions subsequent to June 30, 2025 through April 13, 2026, the date these financial statements were available to be issued. Based on the definitions and requirements of generally accepted accounting principles, we have not identified any events that have occurred subsequent to June 30, 2025 and through April 13, 2026, which require recognition or disclosure in the financial statements.
