Independent Auditor's Report

To the Plan Administrator
Total Civil Construction & Engineering, LLC Welfare Benefit Plan

Opinion

We have audited the accompanying financial statements of Total Civil Construction & Engineering, LLC Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits and changes in plan benefit obligations for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of Total Civil Construction & Engineering, LLC Welfare Benefit Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and changes in plan benefit obligations for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Total Civil Construction & Engineering, LLC Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Plan Administrator
Total Civil Construction & Engineering, LLC Welfare Benefit Plan

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Total Civil Construction & Engineering, LLC Welfare Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Total Civil Construction & Engineering, LLC Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

To the Plan Administrator
Total Civil Construction & Engineering, LLC Welfare Benefit Plan

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Total Civil Construction & Engineering, LLC Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

TOTAL CIVIL CONSTRUCTION & ENGINEERING, LLC
WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the Total Civil Construction & Engineering, LLC Welfare Benefit Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan was established on July 1, 2017, by Total Civil Construction & Engineering, LLC (Employer and Plan Administrator) for the exclusive benefit of its employees and their spouses and dependents for health and other benefits. As of July 1, 2019, the Plan was restated to establish a trust. The Plan and Trust are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator is charged with governance of the Plan.

Benefits - The Plan provides health and other benefits (medical, prescription drugs, and dental) to full-time employees and their spouses and dependents. Coverage begins on the first day of the month following the completion of 60 days of service. Coverage terminates on the last day of employment or the date that the employee is no longer eligible. Former employees may elect coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provisions.

Self-Funded Benefits - The medical benefits are self-insured by the Employer. The claims for these self-insured benefits are processed by the Plan's third-party administrator under an administrative service only (ASO) arrangement. The third-party administrator pays claims directly to or on behalf of participants and are then reimbursed by the Plan's trust, which is funded by the general assets of the Employer. Despite the Plan's utilization of a third-party administrator for claims processing, the ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-Loss Coverage - The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits, for both individual participant claims over a specific dollar amount as well as aggregate claims. The premiums for the policy are being paid by the Employer and are recorded in the accompanying statement of changes in net assets available for benefits.

COBRA - The Plan offers continuation of benefits for a specified period to qualified employees and their dependents who would not otherwise be eligible for continued coverage because of a particular qualifying event, as required by law. Each qualifying individual pays a premium directly to the third-party administrator, and the related claims and other expenses are paid by the third-party administrator.

TOTAL CIVIL CONSTRUCTION & ENGINEERING, LLC
WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2024 AND 2023

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Contributions - The Employer contributes amounts necessary for timely payment of all claims and administrative expenses of the Plan on a monthly basis. Any deficiency of the Plan's net assets over benefit obligations is funded by the Employer on a pay-as-you-go basis. Employees contribute to the Plan based upon their elected coverage at rates specified by the Employer.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Cash - Cash held in non-interest-bearing accounts with maturities of 90 days or less is classified as cash, while cash held in interest-bearing accounts is considered to be an investment. Accordingly, the Plan's non-interest-bearing account has been classified as cash.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as a payable to claims administrators in the accompanying statement of net assets available for benefits.

Stop Loss - Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds totaling \$16,073 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits.

Plan Benefit Obligations - Plan benefit obligations as of June 30, 2024, for claims incurred but not reported, are provided by the Plan's claims processor in the use of lag payments. These amounts are paid by the Plan once the claims are submitted and approved for payment.

Administrative Expenses - Administrative fees paid by the Employer are recorded in the accompanying statement of changes in net assets available for benefits and consist primarily of fees paid to third-party administrators.

TOTAL CIVIL CONSTRUCTION & ENGINEERING, LLC
WELFARE BENEFIT PLAN
NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2024 AND 2023

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Subsequent Events - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The Plan Administrator has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

NOTE 3: PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

For purposes of this note, the Plan has not considered employer contributions or benefits accrued or paid to participants as party-in-interest transactions that require additional disclosure. Fees paid during the year for other professional services rendered by parties in interest qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 4: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the plan administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE 5: TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Employer has the right under the Plan to modify the benefits provided to, and contributions required of participants, or to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 6: TAX STATUS

A trust was established under the Plan to hold the Plan's assets, and may be subject to income taxes. No federal or state income taxes have been recorded for the plan year.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2024 AND 2023

NOTE 7: RISKS AND UNCERTAINTIES

The Employer's estimate of benefit obligations is subject to certain assumptions that are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term could be material to the financial statements.

NOTE 8: CONCENTRATIONS OF CREDIT RISK

The Plan's investments are held entirely in an insured non-interest-bearing account at Horizon Bank. Investments in the account are insured by the Federal Deposit Insurance Corporation (FDIC) up to the maximum allowed by law at FDIC-insured banks. As of June 30, 2024, \$574,722 of the Plan's cash was not insured. Concentrations of credit risk is mitigated by the fact that the account's sole purpose is to serve as the Plan's conduit for payments of claims and expenses with no intent of carrying cash for interest building as it is non-interest bearing. Cash flows in and out of the account to address the plan's needs.
