INDEPENDENT AUDITOR'S REPORT

The Participants and Administrator of the
Global Tungsten & Powders LLC
Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Global Tungsten & Powders LLC Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets in liquidation as of February 13, 2025 and February 29, 2024 the related statements of changes in net assets in liquidation for the period from March 1, 2024 through February 13, 2025 and the year ended February 29, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period March 1, 2024 through February 13, 2025, and the year ended February 29, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis

As discussed in Note 8 to the financial statements, the Board of Directors of Global Tungsten & Powders LLC, the Plan's sponsor, voted on May 4, 2023 to terminate the Plan effective June 30, 2023, and management determined liquidation is imminent. As a result, the Plan has presented the 2025 and 2024 financial statements on the liquidation basis of accounting and all assets have been disbursed as of February 13, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4j - schedule of reportable transactions for the period ended February 13, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GLOBAL TUNGSTEN & POWDERS LLC PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of Global Tungsten & Powders LLC Pension Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined benefit plan and is sponsored by Global Tungsten & Powders LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective August 1, 2008, the Plan was frozen to new entrants. Salaried employees already enrolled in the Plan stopped accruing benefits as of this date. Hourly employees already enrolled in the Plan continued to accrue benefits.

Effective February 29, 2016, the Plan was amended to cease accrual of accredited service for hourly employees for any purpose other than to meet eligibility requirements for an early retirement benefit or disability retirement benefit.

On May 4, 2023, the Company's Board of Directors adopted a resolution to terminate the plan effective June 30, 2023. See Note 8 for additional information.

The Benefits and Retirement Plan Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Funding: Contributions to provide benefits under the Plan are made solely by the Company. The Company's funding policy is to make cash contributions to the Plan in amounts computed by the Plan's actuary to fund at least the minimum funding calculation. The method and the actuarial assumptions utilized have been designed to provide sufficient funds to pay benefits as they become payable under the Plan. The Company met the minimum funding requirements of ERISA for the period March 1, 2024 through February 13, 2025 and the year ended February 29, 2024.

Pension Benefits: Eligible employees become fully vested after five years of service, as defined by the Plan. Upon termination of the Plan, all participants became fully vested. The Plan is frozen, and no new employees are eligible to participate in the Plan. The Plan provides for normal retirement benefits upon reaching age 65. The Plan also has provisions for early retirement, deferred vested, disability and survivor benefits for those participants who are eligible to receive such benefits. Benefits are payable in the form of lump-sum payment, a joint survivor annuity, a single life annuity, or other optional forms. Benefits are calculated based on a participant's average annual compensation during the sixty consecutive months in which a participant receives their highest compensation.

Death and Disability Benefits: If an active employee dies at age 65 or older, a death benefit equal to the value of the employee's accumulated pension benefit is paid to the employee's beneficiary. Active employees who become totally disabled receive annual disability benefits that are equal to the equivalent normal retirement benefit they have accumulated as of the time they become disabled. Disability benefits are paid until normal retirement age, at which time disabled participants will receive the normal retirement benefit computed as though they had been employed to normal retirement age, with their annual compensation remaining the same as at the time they became disabled.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: Due to the decision to terminate the Plan during 2024, management determined that liquidation of the Plan is imminent, and the financial statements have been prepared using the liquidation basis of accounting.

GLOBAL TUNGSTEN & POWDERS LLC PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported on the liquidation value in the statements of net assets available in liquidation. For all investments, fair value approximates the amount the Plan expects to collect at liquidation. The Plan's Benefits and Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee of the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income and dividends are recorded on the liquidation basis, including amounts expected to be earned through the final distribution of Plan assets. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the period.

Administrative Expenses: The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain investment related expenses are included in net appreciation and depreciation in fair value of investments presented in the accompanying statements of changes in net assets available in liquidation.

Payment of Benefits: Distributions pursuant to the Plan termination were paid at the participants' election by (a) purchase of a nontransferable annuity contract; (b) cash distribution of the present value of the participant's accrued benefit; or (c) rollover distribution to an eligible retirement plan. Substantially all benefit distributions were made and all plan assets distributed or rolled over to other plans by October 2024. The Plan submitted documentation of final distributions to the Pension Benefit Guarantee Corporation on September 11, 2024.

Reclassifications: Certain 2024 amounts within the financial statements have been reclassified to conform with the 2025 presentation.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB), *Accounting Standards Codification* (ASC) 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820, are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

GLOBAL TUNGSTEN & POWDERS LLC PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at February 13, 2025 and February 29, 2024.

Shares of registered investment companies: Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is the closing price reported on the active market on which the securities are traded.

Common/collective trust funds: Units of participation of common collective trust funds are valued at the net asset value ("NAV") provided by the funds' trustee as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. The unit price of the investment is quoted on a private market that is not active; however, the unit price is based on underlying investments which are based on observable inputs. This practical expedient would not be used when it is determined to be probable that the funds will sell the investments for an amount different than the reported NAV.

Pooled separate accounts: Valued at fair value based on the quoted market prices of the underlying securities. The unit value of the separate accounts is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. For separate accounts that invest exclusively in mutual funds, the total value of the assets of the separate account is based on the net asset value (NAV), or price per share, of the underlying investment. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares. The net asset value is used as a practical expedient to determine fair value for these accounts.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of February 13, 2025 and February 29, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at Fair Value as of February 13, 2025				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ -	\$ -	\$ -	\$ -

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

- (a) In accordance with Subtopic 820-10, certain investments that are measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available in liquidation.

The following tables summarize investments measured at fair value based on NAV per share as of February 13, 2025 and February 29, 2024, respectively. There were no participant redemption restrictions for these investments.

February 13, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust fund	\$ -	n/a	Daily	None
Pooled Separate Accounts	\$ -	n/a	Daily	None

February 29, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust fund	\$ 6,480,078	n/a	Daily	None
Pooled Separate Accounts	\$ 10,978,400	n/a	Daily	None

NOTE 4. ACTUARIAL PRESENT VALUE OF ACCUMULATED BENEFITS

Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions to the service employees have rendered to date. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died and, (c) present employees or their beneficiaries. Benefits payable under all circumstances - retirement, death and termination of employment - are included, to the extent they are deemed attributable to employee service provided up to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, withdrawal or retirement) between the valuation date and the expected date of payment.

The following is a summary of the actuarial present value of accumulated benefits in liquidation determined as of February 13, 2025 and February 29, 2024:

	2025	2024
Vested benefits:		
Participants currently receiving payment	\$ -	\$ 70,009,818
Other participants	-	31,102,653
Total vested benefits	-	101,112,471
Non-vested benefits	-	-
Actuarial present value of accumulated benefits	\$ -	\$ 101,112,471

GLOBAL TUNGSTEN & POWDERS LLC PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4. ACTUARIAL PRESENT VALUE OF ACCUMULATED BENEFITS (CONTINUED)

The following is a summary of the changes in the actuarial present value in liquidation during the Plan period from March 1, 2024 through February 13, 2025 and the year ended February 29, 2024:

	<u>2025</u>	<u>2024</u>
Actuarial present value of accumulated plan benefits at beginning of year	\$ 101,112,471	\$ 94,541,057
Increase (decrease) during the year attributable to:		
Changes in plan assumptions and actuarial (gains)/losses	1,394,118	7,043,946
Decrease in the discount period *	2,223,005	5,092,596
Benefits paid	(104,729,594)	(5,565,128)
Net increase (decrease)	(101,112,471)	6,571,414
Actuarial present value of accumulated plan benefits as of the end of the year	\$ -	\$ 101,112,471

* The decrease in actuarial present value of accumulated plan benefits for the period from March 1, 2024 through February 13, 2025 reflects the distribution of assets to participants through the purchase of two annuity contracts and the payment of lump sum benefits and regular, ongoing annuity benefits.

NOTE 5. FINANCIAL CERTIFICATION

The following financial information relating to the Plan's assets at February 13, 2025 and February 29, 2024, as well as income and transactions for the period March 1, 2024 through February 13, 2025 and the year ended February 29, 2024, has been derived from information provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) and has been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certification and has not been audited by independent accountants.

	<u>2025</u>	<u>2024</u>
Investments at fair value:		
Shares of registered investment companies	\$ -	\$ 50,801,414
Common/collective trust funds	\$ -	\$ 6,480,078
Pooled separate accounts	\$ -	\$ 10,978,400
Transactions for the year ended:		
Dividend income	\$ -	\$ 85,787
Net appreciation (depreciation) in fair value of investments	\$ 4,098,899	\$ (1,323,178)

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Plan investments include accounts with Principal. Principal is the trustee of the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees for administrative services were paid to Principal by the Company.

GLOBAL TUNGSTEN & POWDERS LLC PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 7. TAX STATUS

The Company submitted to the IRS form 5310, Application for Determination for Terminating Plan to request an IRS determination as to the qualified status of the Plan upon termination. See Note 11. The Internal Revenue Service (IRS) has previously determined and informed the Company by a letter dated December 23, 2016, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in process.

NOTE 8. PLAN TERMINATION

On May 4, 2023, the Board of Directors of the Company voted to terminate the Plan effective June 30, 2023. As a result, management determined that liquidation was imminent.

On April 18, 2023, a Notice of Interested Parties advising that an application was to be filed was distributed to Plan participants and subsequently, the application for approval of the Plan's termination was filed with the IRS. In addition, in December 2023, a Notice of Plan Benefits was distributed to Plan participants and subsequently a Standard Termination Notice was filed with the Pension Benefit Guaranty Corporation (PBGC). The Notice of Plan Benefits is a statement of a participant's accrued benefit under the Plan. As a result of the resolution to terminate the Plan, each employee with an accrued benefit under the Plan will have the option to have the present value of his accrued benefit used to purchase an annuity from an insurance company. Certain employees that are eligible can elect to receive the present value of his accrued benefit distributed in a single cash payment either (i) directly to him or (ii) as a direct rollover by the Plan's trustee into either the Company's Savings plan or other qualified retirement plan or the employee's rollover Individual Retirement Account. If the present value of an employee's accrued benefit was \$7,000 or less, it will be automatically distributed in a single lump sum payment either directly to the employee or as a direct rollover as described above.

Total lump sum cash payments made in conjunction with the Plan termination, were \$6,848,685. Total annuity payments paid to the participants during the period amounted to \$5,295,259.

In September 2024, a group annuity contract (Contract) was purchased from Plan assets by Fidelity & Guaranty Life Insurance Company (Fidelity) for \$92,585,000.

Retirees and beneficiaries receiving pension benefits when the Contract was purchased now have such benefits paid by Fidelity under the Contract. Benefit payments by Fidelity began as of October 1, 2024. The Contract provides that Fidelity has the obligation to pay all benefits under the Contract without the change and in accordance with the elections that were made at the time benefit payments began.

NOTE 9. LIQUIDATION OF REMAINING PLAN ASSETS

After purchasing an annuity contract with \$92,585,000 of Plan assets and making single cash payments to Plan participants from Plan assets totaling \$6,848,685 (Note 8), the Plan still held assets totaling approximately \$650,000. These reversionary Plan assets were distributed by year-end following IRS guidelines that provide that the Plan is allowed to contribute up to 25% of reversionary assets to another qualified retirement plan sponsored by the Company with all remaining reversionary assets to be returned to the Company. During 2024 and 2025, the Plan transferred all remaining assets to the Company.

NOTE 11. SUBSEQUENT EVENTS

In May 2025 in conjunction with the Plan's termination, the Company entered into a Closing Agreement with the IRS under the Audit Closing Agreement Plan (Audit CAP) to correct an identified failure and maintain the Plan's qualified tax status. As part of the agreement, the Plan Sponsor paid a sanction of \$8,750 to the IRS. A favorable determination letter was subsequently received from the IRS on September 9, 2025 confirming the Plan's qualified tax status upon termination.
