Atlas Surveying 401(k) Profit Sharing Plan and Trust
Ridgeland, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the financial statements of the ***Atlas Surveying 401(k) Profit Sharing Plan and Trust*** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained the certification from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2024 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The information on the accompanying 2024 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2024 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 1. Description of Plan

The following description of the Atlas Surveying 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all employees of Atlas Surveying, Inc. (the Company). Each employee is eligible to participate on the first plan entry date following the attainment of age 18 and the completion of 1 year of service. Plan entry dates are July 1 and January 1. Subsequent to year end, the Plan was amended to allow participants to enter the Plan on the 1st day of the month after they become eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan trustee oversees the governance of the Plan including determining the appropriateness of the investment offerings and monitoring investment performance.

Plan amendments

The Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act of 2022 (The Act) was enacted to enhance retirement savings opportunities and improve retirement plan administration in the United States. The Act provides a broad range of mandatory and optional provisions affecting retirement plans, including increasing participation, improving portability of retirement savings, and expanding penalty-free withdrawal options for certain circumstances. Plan sponsors may elect to adopt certain provisions voluntarily before their mandatory effective dates. For the year ended 2024, the Plan adopted the following voluntary provision under the Act:

- The automatic cash-out threshold for former participants' account balances was increased from \$5,000 to \$7,000.

Management has evaluated the impact of this amendment and determined that it does not materially affect the financial statements as of and for the year ended December 31, 2024. This change is intended to improve participant experience and administrative efficiency in accordance with recent legislative developments.

Contributions

The Plan has an auto enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they elect not to participate in the Plan. Automatically enrolled participants have their deferral rate at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants may contribute up to 92% of their annual wages to the Plan subject to the limitations as defined in the Internal Revenue Code (IRC). The Plan is a SIMPLE 401(k) plan. Under the SIMPLE 401(k) provisions of the Plan, the Company is required to make matching contributions equal to 100% of the first 2% of eligible compensation.

Qualified non-elective contributions may be made by the Company in order to satisfy the non-discrimination tests described in the IRC. Qualified non-elective contributions are allocated to every non-highly compensated Plan participant who was active in the Plan during the plan year. The allocation is based upon the participant's proportionate share of the total compensation paid during that plan year. For the year ended December 31, 2024, the Company did not make any qualified non-elective contributions.

The Company may also make annual discretionary profit-sharing contributions in an amount to be determined at the end of the plan year. These discretionary profit-sharing contributions, if any, are allocated to the participant's account in the ratio of the participants compensation to the total compensation paid to all eligible participants. There were no discretionary profit-sharing contributions for the year ended December 31, 2024.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 1. Description of Plan (Continued)

Contributions (continued)

Rollover and transfer contributions to the Plan are permitted upon meeting certain requirements. Employees are 100% vested in rollover and transfer contributions.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and allocations of (a) the Company's non-elective contributions, if any; (b) plan earnings; and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's matching and qualified non-elective contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contributions portion of their accounts is based on years of continuous service. A participant is 20% vested after the second year and is vested on a graduated basis until completion of six years of continuous service.

Investment options

Upon enrollment in the Plan, participants may direct their contributions, the Company's matching contributions, and the Company's qualified non-elective contributions, if any, in a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options at any time.

Withdrawal and payment of benefits

On termination of service, if a participant's vested account balance does not exceed \$1,000 (including rollover contributions and earnings thereon), the Plan will automatically distribute the participant's vested account balance in a lump sum. If his or her balance exceeds \$1,000 but is less than \$7,000 (\$5,000 prior to 2024), a participant may elect to receive the value of the participant's vested interest in his or her account in the form of a single lump sum, installment payments over a period of time, or roll over the vested balance into an Individual Retirement Account (IRA) or other qualified plan. However, if no election is made by the participant, the Plan will automatically roll over the vested balance into an IRA designated by the plan administrator. If his or her account exceeds \$7,000 (\$5,000 prior to 2024), a participant may elect to receive the value of the participant's interest in his or her account in the form of a lump-sum distribution, installment payments over a period of time, roll over the vested balance into an IRA or other qualified plan, or may leave their funds in the Plan.

Participants still employed may withdraw all or part of their elective deferrals, upon furnishing proof of financial hardship, however, not more than once in any plan year. Such withdrawals may also be subject to tax penalties.

Forfeited accounts

The Plan permits forfeitures to pay Plan expenses, reduce employer contributions or to be allocated to employees. Forfeitures of \$6,678 were allocated to participant accounts for the year ended December 31, 2024.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 2. Summary of Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ materially from those estimates.

Contributions

Employee contributions and Company matching contributions are recorded in the period during which the Company makes payroll deductions from the participant's earnings.

Company qualified non-elective contributions are paid based on amounts to be funded for each year under the Plan provisions and the applicable requirements of the IRC.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in shares of registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment returns.

Plan expenses

Personnel within the Company perform many administrative duties of the Plan, including maintenance of personnel files and reconciliation of payroll records, at no charge to the Plan. Other administrative costs, including recordkeeping fees, are charged to the individual participants' accounts. Any costs not paid by the Plan may be paid by the Company.

Payment of benefits

Benefits are recorded when paid.

ATLAS SURVEYING 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 3. Tax Status

The Plan adopted a pre-approved plan. The volume submitter practitioner, Paychex Inc, received a volume submitter program letter from the Internal Revenue Service (IRS) dated August 31, 2020, stating that the Plan was qualified under Section 401 of the IRC and therefore was exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4. Information Prepared and Certified by Custodian

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company (the custodian of the Plan).

Note 5. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods described below may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

ATLAS SURVEYING 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Note 5. Fair Value Measurements (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 2024 and 2023.

- Interest bearing cash: Stated using amortized cost which approximates fair value.
- Shares of registered investment companies (mutual funds): Valued at the net asset value (NAV) of shares held by the Plan at year end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 7,534	\$ -	\$ -	\$ 7,534
Shares of registered investment companies	1,512,707	-	-	1,512,707
Total assets at fair value	<u>\$ 1,520,241</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,520,241</u>

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 9,621	\$ -	\$ -	\$ 9,621
Shares of registered investment companies	1,083,669	-	-	1,083,669
Total assets at fair value	<u>\$ 1,093,290</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,093,290</u>

Note 6. Party-In-Interest Transactions

The recordkeeper for the Plan, Paychex, Inc., is considered a party-in-interest as defined under Section 3(14) of the Employee Retirement Income Security Act of 1974 (ERISA). As such, Paychex, Inc. provides recordkeeping and administrative services to the Plan and receives compensation for these services. Any transactions between the Plan and Paychex, Inc. are conducted in compliance with applicable ERISA regulations and prohibited transaction exemptions. Fees paid to Paychex Inc. were approximately \$7,000 for the year ended December 31, 2024.

Plan investments are managed by Mid Atlantic Trust Company (MATC). MATC is the custodian of the Plan and therefore these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment as they are paid through revenue sharing rather than a direct payment.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8. Plan Termination

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to Form 5500:

Net assets available for benefits per Form 5500	<u>\$ 1,520,241</u>	<u>\$ 1,093,290</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2024, to Form 5500:

	<u>2024</u>
Contributions per the financial statements	\$ 476,139
Contributions receivable, beginning of year	13,416
Contributions receivable, end of year	<u>(13,904)</u>
Contributions per Form 5500	<u>\$ 475,651</u>

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 14, 2025, the date the financial statements were available to be issued. Except as disclosed in Note 1, there are no other subsequent events requiring disclosure as of this date.
