Independent Auditors' Report

To the Board of Trustees of
ChamberCare Benefit Arrangement of Oklahoma Trust Benefit Plan Trust
Oklahoma City, Oklahoma

Opinion

We have audited the financial statements of the ChamberCare Benefit Arrangement of Oklahoma Trust Benefit Plan Trust (the "Trust"), which comprise the statement of net assets as of March 31, 2025, and the related statement of changes in net assets for the period August 12, 2024 to March 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets of the Trust as of March 31, 2025, and the changes in its net assets for the period August 12, 2024 to March 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The accompanying financial statements are those of the Trust. These financial statements do not purport to present the net assets available for benefits and benefit obligations or the changes in net assets available for benefits or changes in benefit obligations of the participating plans and do not contain certain information and other disclosures necessary for a fair presentation of the financial statements of the participating plans in accordance with accounting principles generally accepted in the United States of America. Further, these financial statements do not purport to satisfy the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") relating to the financial statements of employee benefit plans.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA and Other Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of operating expenses for the period August 12, 2024 to March 31, 2025, and the supplemental schedule of assets (held at end of year) as of March 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements. The supplemental schedule of assets (held at end of year) as of March 31, 2025 is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule of assets (held at end of year) as of March 31, 2025, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CHAMBERCARE BENEFIT ARRANGEMENT OF
OKLAHOMA TRUST BENEFIT PLAN TRUST

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Trust

The following description of the ChamberCare Benefit Arrangement of Oklahoma Trust Benefit Plan Trust (the "Trust") provides only general information. Participating plans should refer to the Trust agreement for a more complete description of the Trust's provisions.

General:

The purpose of the Trust is to hold Plan assets of a non-plan multiple employer welfare arrangement ("MEWA") as described in Oklahoma Code Title 36, Chapter 1, Article 6A, Section 633 and to pay benefits and expenses on behalf of the plans participating in the MEWA (the "Plans"). The Plans represent employers in good standing with the Oklahoma State Chamber.

Contributions:

The Trust receives contributions for health and welfare coverage from the Plans. Such funds are utilized for the payment of premiums to Allied Benefit Systems, LLC ("Allied") for the provision of benefits on behalf of the Plans.

Distributions:

In addition to distributions for the premium payments to Allied described above, distributions are made for the payment of benefit claims. These benefit claims are paid out of the Trust, on behalf of the Plans, to Allied. Allied administers payment of hospital charges, medical/surgical claims and prescription coverage.

Operating Expenses:

All administrative fees are paid by the Trust or the Plans at the option of the Trustees.

Note 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Trust:

Basis of Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Net Reinsurance Payable:

Net reinsurance payable represents the net of amounts recoverable for claims paid (including stop loss recoveries) and amounts recoverable for administrative expenses under the quota share reinsurance agreement offset by the amounts payable for premium ceded under the quota share and stop loss agreements.

CHAMBERCARE BENEFIT ARRANGEMENT OF
OKLAHOMA TRUST BENEFIT PLAN TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Recognition of Contribution Revenue:

Contribution revenue is recognized in the month for which coverage is being paid. Contributions received after the coverage months are recorded as receivables. Management has determined no allowance is necessary for contributions receivable from the Plans as of March 31, 2025.

Investment Valuation and Income Recognition:

The Trust's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Reference Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Distributions for the Payment of Benefits:

Distributions for the payment of benefit claims are recorded when processed and approved for payment to Allied.

Subsequent Events:

The Trust has evaluated subsequent events through January 9, 2026, the date the financial statements were available to be issued.

Note 3. Cash and Investments

The Trust holds its temporary cash as cash or money market funds with national financial institutions which at times may exceed federally insured amounts. The actual balance may exceed reported balances due to outstanding checks.

The Trust's investments are held by Bank of Oklahoma in a non-insured trust fund.

CHAMBERCARE BENEFIT ARRANGEMENT OF
OKLAHOMA TRUST BENEFIT PLAN TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements

The Trust estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for Trust assets measured at fair value:

- U.S. Government securities are reported at amortized cost which approximates fair value. These are classified as Level 2 instruments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in methodologies used in 2025. Furthermore, while the Trust believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the Trust's investments at March 31, 2025 at fair value and indicates the level of valuation techniques utilized by the Trust:

	<u>Level</u>	
U.S. Government securities	2	198,838

Note 5. Reinsurance

During the period August 12, 2024 to March 31, 2025, the Plans were subject to quota share reinsurance agreements with Zurich American Insurance Company ("Zurich") and Aetna Life Insurance Company, Inc. ("Aetna") to cede 70% and 15% of the Plans' health business, respectively.

During the period August 12, 2024 to March 31, 2025, the Plans were subject to stop loss reinsurance agreements with Zurich and Aetna for medical and prescription drug coverage. The premiums are based upon the monthly funding rates and number of participants in each month of the contract with a specific stop loss threshold per covered person of \$175,000 per year. The total amount of reinsurance recovered due to stop loss was \$-0- for the period August 12, 2024 to March 31, 2025.

CHAMBERCARE BENEFIT ARRANGEMENT OF
OKLAHOMA TRUST BENEFIT PLAN TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 6. Related Party/Party-in-Interest Transactions

The Trust has entered into an administrative services contract with Allied, whereby Allied collects premiums on behalf of the Plans, provides quoting, servicing and renewing employers of the Plans and administers payment of hospital charges, medical/surgical claims and prescription coverage on behalf of the Plans. These transactions qualify as party-in-interest. Total fees paid from the Trust to Allied for these services amounted to \$2,643 for the period August 12, 2024 to March 31, 2025.

The Trust has appointed Consoliplex Oklahoma, LLC to act as plan manager of the Plans and Trust. Fees paid to Consoliplex Oklahoma, LLC for the period August 12, 2024 to March 31, 2025 were \$298.

Note 7. Tax Status

The Trust is a taxable trust. Investment income, less attributable deductions, is subject to federal income tax. For the year ended March 31, 2025, the Trust incurred \$218 in federal income taxes that is included in operating expenses on the statement of changes in net assets. The Trust's management has analyzed the tax positions taken by the Trust and has concluded that, as of March 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Trust is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Trust Termination

The Trust may only be terminated by the Oklahoma State Chamber with at least 180 days written notice to the Trustees. Any Trust assets at the time of termination will be distributed or will be transferred to another trust that complies with the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plans' sponsors have the right under the plans to discontinue their contributions at any time and to terminate the plans, subject to provisions set forth in ERISA.
