Independent Auditor's Report

To the Trustee
Pruitt Corporation Employee Welfare Benefit Plan
Norcross, Georgia

Opinion

We have audited the accompanying financial statements of Pruitt Corporation Employee Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of benefit obligations as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits and statement of changes in benefit obligations for the year ended June 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and the benefit obligations of Pruitt Corporation Employee Welfare Benefit Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits and changes in benefit obligations for the year ended June 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pruitt Corporation Employee Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pruitt Corporation Employee Welfare Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

MAULDIN & JENKINS

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pruitt Corporation Employee Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pruitt Corporation Employee Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Reportable Transactions for the year ended June 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes To Consolidated Financial Statements

NOTE 1. PLAN DESCRIPTION

The following description of the Pruitt Corporation Employee Welfare Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. The Pruitt Corporation Employee Welfare Benefit Plan is a Voluntary Employees' Beneficiary Association (VEBA) and is a single-employer plan. The VEBA is funded by a trust agreement established pursuant to Section 501(c)(9) of the Internal Revenue Code, which allows for the formation of such a plan.

The Plan (VEBA) provides health benefits (medical, hospital, surgical, major medical), dental, vision, supplemental life insurance coverage, disability benefits, and flexible spending accounts, to and for the exclusive benefit of the employees of PruittHealth, Inc. and its affiliated companies and to the eligible dependents of such employees. The health insurance portion of the Plan is self-insured while the other benefits are purchased with premium payments. Participation in the Plan is available to all full-time employees having completed sixty days of employment.

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company.

The Plan was amended effective January 1, 2012 to clarify that different employer contributions can be made with respect to employees of different participating employers in the Plan.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. See Note 9 for discussion of fair value measurements.

Payment of Benefits and Pharmacy Rebates

Claim payments are recorded when paid. Pharmacy rebates are recorded within benefits paid.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Stop-Loss Coverage

For the period from January 1, 2025 to June 30, 2025, the Plan entered into a stop-loss arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). No such stop-loss arrangement was in place during the period from July 1, 2024 to December 31, 2024.

Benefit Obligations

The Plan has calculated its estimate of benefit obligations using subsequent period claims history and other relevant information provided by the third-party administrator. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Subsequent Events

The Plan has evaluated subsequent events through April 15, 2026, the date the financial statements were available to be issued and has determined that no significant events occurred after June 30, 2025, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.

NOTE 3. FUNDING AND BENEFIT OBLIGATIONS

The Plan is self-insured for major medical coverage and is funded through employer and employee contributions. The lifetime individual maximum is unlimited. Prior to January 1, 2025, the Plan did not carry stop-loss insurance to limit its exposure. Beginning January 1, 2025, the Plan began carrying stop-loss insurance to limit its exposure. At June 30, 2025, there were no outstanding claims against the stop-loss policy; therefore, no amounts for the stop-loss arrangement are recorded in these financial statements.

The Plan records a liability for medical and prescription claims incurred but not reported as of the Plan year end (IBNR). The estimate is recorded at an amount based on a study performed by the Plan's actuary. This is the method preferred by the United States Department of Labor.

The Plan also records a liability for Flexible Spending Accounts (FSA) and Dependent Care claims incurred. This liability is determined by analysis of the claims paid from July 1, 2024 through June 30, 2025 with a service date prior to the Plan's June 30, 2025 year end. At June 30, 2025 and 2024, the accrued liability for all self-insured losses was $2,677,406 and $2,870,630, respectively.

Vision, dental, disability and life insurance coverages are provided through insurance carriers as part of the non-insured portion of the Plan and are funded through participant contributions.

The Plan has a COBRA program which is administered by the third-party administrator, Discovery Benefits. Discovery Benefits handles all billing and collection of premiums for the COBRA program.

NOTE 3. FUNDING AND BENEFIT OBLIGATIONS (CONTINUED)

The Plan allows for FSA for qualified medical and dependent care expenses. These accounts are administered by Elevance Health f/k/a Anthem Blue Cross Blue Shield ("Elevance"), a third-party administrator. The FSA accounts are "use-it-or-lose-it" plans, whereby the amounts in the account at the end of the plan year cannot be carried forward to the next plan year and are forfeited back to the sponsor. The Plan maintains a prefund deposit with Elevance based on 5% of total annual participant elections. The prefund amount at June 30, 2025 and 2024 was $58,350.

Administrative costs of Elevance, the third-party administrator for the self-insured plan, are absorbed by the Plan. The Plan sponsor absorbs other administrative costs of the Plan, including legal and personnel expenses.

NOTE 4. PAYMENT OF BENEFITS

Premiums paid by the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statement of benefit obligations.

NOTE 5. TAX STATUS

The trust (VEBA) established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code per the exemption letter dated April 9, 1991, and, accordingly, the trust's net investment income is exempt from income taxes.

The trust has received a favorable determination letter from the Internal Revenue Service. The Plan has been amended since receiving the determination letter. The Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

It is the Plan's policy to account for any uncertainties in income tax law in accordance with FASB ASC 740, *Income Taxes*, which clarifies the accounting for uncertain tax positions and requires that the Plan recognizes the impact of such a tax position in its financial statements if, upon ultimate settlement, that position is more likely than not to be sustained. The Plan has no unrelated business income (UBI). No such uncertain tax positions have been recognized by the Plan. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax purposes in progress.

NOTE 6. CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Plan to concentrations of credit risk consist of cash accounts with various banks and bank sweep deposits. The Plan's deposit accounts are insured by the Federal Deposit Insurance Corporation up to $250,000 per banking institution at June 30, 2025 and 2024. At June 30, 2025 and 2024, the Plan had no uninsured balances.

Notes To Consolidated Financial Statements

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the years ended June 30, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 3,691,524	$ 842,794
Benefit obligations payable	(4,622,254)	(5,151,698)
Net assets available for benefits per Form 5500	$ (930,730)	$ (4,308,904)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended June 30, 2025:

Change in net assets available for benefits per the financial statements	$ 2,848,730
Benefit obligations payable at end of year	(4,622,254)
Benefit obligations payable at beginning of year	5,151,698
Change in net assets available for benefits per Form 5500	$ 3,378,174

NOTE 8. RISKS AND UNCERTAINTIES

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 9. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 9. FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There were no assets measured at fair value as of June 30, 2025 and 2024.

NOTE 10. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has several arrangements with service providers, including Elevance for medical and pharmacy claims processing and Nativus Health Solutions ("Navitus") for pharmacy claims processing. These transactions are party-in-interest transactions under ERISA. For the year ended June 30, 2025, fees paid for these services to Elevance and Navitus totaled approximately $2,495,000 and $187,000, respectively, and were included in administrative expenses.

NOTE 11. PLAN TERMINATION

Although it has not expressed any intention to do so, the employer has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the employer or be used for purposes other than for the exclusive benefit of the Plan's participants.
