As permitted by Regulation 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Principal Life Insurance Company (Principal), the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Principal, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of April 6, 2026, the following representations made to you during your audit.

 - b) Intentions to terminate the Plan. [Furthermore, no reportable events have occurred that could result in the Pension Benefit Guaranty Corporation having the authority to initiate proceedings to terminate the Plan.]
- 26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 27) The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 28) The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows: Mutual funds – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. Common collective trusts – Common collective trusts are valued at net asset value (NAV) of units based upon the quoted market value of the underlying assets net of an investment management fee as estimated by the trustee. NAV is a readily determinable fair value and is the basis for current transactions which may occur daily. The methods and significant

assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- 29) All required amendments to and filings of plan documents with the appropriate agencies have been made.
- 30) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. - 31) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 32) The Plan has complied with the fidelity bonding requirements of ERISA.
- 33) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 34) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 35) We acknowledge our responsibility for presenting the Schedule of Assets (Held at End of Year) and the Schedule of Delinquent Participant Contributions, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the Schedule of Assets (Held at End of Year) and the Schedule of Delinquent Participant Contributions, including their form and content, are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.

Report of Independent Auditors

To the Administrative Committee of
Sunrise Community Health Center 401(k) Safe Harbor Plan
Evans, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Sunrise Community Health Center 401(k) Safe Harbor Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investments information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following is a brief description of the Plan and is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering substantially all employees of Sunrise Community Health (Sunrise). Employees of Sunrise who have one year of service, worked 1,000 hours and are age twenty-one or older are eligible to participate in the Plan. The primary purpose of the Plan is to provide participants with the opportunity to accumulate funds for their retirement, and to provide benefits in the event of disability or death. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration: The Plan is sponsored and administered by Sunrise. The appointed trustees are officers or employees of Sunrise. Sunrise has retained the services of Principal Life Insurance Company (Principal) as the Plan's contract administrator. Costs of administering the Plan are paid by the Plan.

Contributions: Each participant may elect to contribute up to 100% of the participant's compensation, not to exceed IRS limits, and have such amounts contributed to the Plan as pre-tax or Roth contributions. Pre-tax contributions are excluded from a participant's taxable compensation in accordance with the provisions of Section 401(k) of the Internal Revenue Code (IRC). The Internal Revenue Service (IRS) imposes certain restrictions on the amount of annual additions to an individual participant's accounts, as well as an aggregate limit on contributions, and requires compliance with certain nondiscrimination tests.

Participants who are age 50 or more may elect to make catch-up elective deferrals up to current limits. These elective deferrals are for eligible participants whose elective deferrals have been restricted by either a statutory ceiling or by a plan limit.

The Plan provides for the following types of contributions:

- **Employee Contributions:** Participants may make pre-tax or Roth contributions based upon a percentage of their eligible compensation, as defined by the Plan document. In addition, the Plan allows for voluntary employee contributions.
- **Safe Harbor Matching Contributions:** Effective January 1, 2010, Sunrise suspended the safe harbor matching contribution and continued the suspension through 2025.
- **Discretionary Contributions:** Sunrise may contribute a discretionary contribution each year. Effective May 1, 2010, Sunrise implemented a discretionary matching contribution equal to 100% of the participants' contributions up to a maximum contribution of 4% of eligible compensation, as defined by the Plan document, which continued through 2025. During the year ended December 31, 2025, Sunrise made total discretionary contributions of \$608,219.

NOTE 1 - DESCRIPTION OF THE PLAN

- **Rollover Contributions:** The Plan also allows rollover contributions, within IRS parameters, of part or all of a "qualified total distribution" received by a participant from a qualified plan of a previous employer. Rollover contributions into the Plan are 100% vested and non-forfeitable at all times.

Participant Accounts: Separate accounts are maintained for each participant and are credited with the participant's contributions, employer matching and profit sharing contributions, and rollover contributions, if any, including the allocations of earnings and losses to these accounts. Allocations are based on participant earnings or account balances, as defined. Participants direct the investment of their accounts by electing the percentages they wish to allocate between investment alternatives. Participants can change their investment allocations at their discretion by communicating directly with the Plan custodian.

Vesting: Participants are immediately vested 100% for all types of contributions.

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case the loan must be repaid within a period of time not to exceed 10 years. Under the terms of the Plan Agreement, plan loans will bear a reasonable rate of interest determined by the plan administrator. Principal and interest is paid ratably through bi-monthly payroll deductions. As of December 31, 2025, the rate of interest on outstanding loans ranged from 5.25% to 10.50% with various maturities through January 2031.

Payment of benefits: If a participant's account balance at the time of the participant's retirement or termination is less than \$5,000, the participant is entitled to either a lump sum distribution, net of applicable taxes, or a rollover distribution for the full amount to another qualified plan. If the participant's account balance is greater than \$5,000, the participant is entitled to a lump sum distribution, net of applicable taxes, annuity payment option, rollover distribution or may leave the balance in the Plan. Hardship withdrawals are permitted by the Plan for certain allowable expenses only if all other means of withdrawals or loans have been utilized. Participants may not contribute to the Plan for six months following the hardship withdrawal.

NOTE 2 - ACCOUNTING POLICIES

Basis of accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

NOTE 2 - ACCOUNTING POLICIES (continued)

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that may affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation: The investments are reported at fair value. The Plan's custodian, Principal, certifies the fair market value of all investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Income recognition: Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net depreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Notes receivable from participants: Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Payments of benefits: Benefits are recorded when paid.

Expenses: General plan administrative expenses may be paid out of the forfeiture account or paid by Sunrise. Investment management, distribution, and loan transaction fees are paid by the Plan participants.

Subsequent events: Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through April 6, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, *Fair Value Measurements and Disclosures* (ASC 820) provides a framework for measuring fair value under U.S. generally accepted accounting principles. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The following provides a general description of the three levels of inputs that may be used to measure fair value under ASC 820:

Level 1 - Inputs to the valuation methodology are based on quoted prices available in active markets for identical assets or liabilities on the reporting date.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology include significant inputs that are generally unobservable from objective sources. These inputs may be used with internally developed methodologies that result in management's best estimate of fair value including assumptions regarding risk. Level 3 instruments include those that may be more structured or otherwise tailored to the Plan's needs.

As required by ASC 820, financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds – Level 1 classified securities. Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

Common Collective Trusts and Pooled Separate Accounts – Level 2 classified securities. Common collective trusts and pooled separate accounts are valued at net asset value (NAV) of units based upon the quoted market value of the underlying assets net of an investment management fee as estimated by Principal. NAV is a readily determinable fair value and is the basis for current transactions which may occur daily. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method are appropriate and consistent with other market participants, the use of different methodologies for assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value as of December 31, 2025 and 2024 are as follows:

	2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies				
Common collective trusts	\$ -	\$ 16,450,615	\$ -	\$ 16,450,615

NOTE 4 – TAX STATUS

Sunrise adopted a Prototype Plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, stating that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since this favorable determination letter was received; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for federal or state income taxes is reflected in the Plan's financial statements.

In accordance with guidance on accounting for uncertainty in income taxes, the plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, net appreciation or depreciation in fair value of investments, and interest and dividend income for the year then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal, the trustee of the Plan.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments include an insurance interest account and registered investment company accounts managed by Principal. As Principal is the custodian of the Plan, transactions between the Plan and Principal qualify as exempt party-in-interest transactions.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intention to do so, Sunrise has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, the net assets will be distributed among the participants and beneficiaries of the Plan in accordance with the amount allocated to the account of each participating employee. Upon termination or partial termination of the Plan, all funds in each affected participant's account will be fully vested.
