INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
United Consulting Group, Ltd. Employee Benefit Plan

Opinion

We have audited the financial statements of United Consulting Group, Ltd. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended June 30, 2025 and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2025 and 2024, and the changes in net assets available for benefits for the year ended June 30, 2025 in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2025, and Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended June 30, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters - continued

Supplemental Schedules Required by ERISA - continued

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNITED CONSULTING GROUP, LTD. EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the United Consulting Group, Ltd. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a welfare benefit plan that provides medical benefits to covered persons who are employees of United Consulting Group, Ltd. (the Company). All regular full-time employees of the Company working at least thirty hours per week and completing thirty days of service are eligible for coverage. Coverage for all employees will begin on the first day of the month coinciding with or following the first day that all eligibility requirements are met, not to exceed ninety days for medical benefits. The waiting period is waived for former employees of the Company that are rehired within sixty days of their termination date. Spouses and dependents of the full-time employees are also eligible for coverage if couple or family coverage is elected at enrollment.

The Company joined as a member of the Veris Benefits Consortium, LLC (Consortium) as of August 1, 2019, which is a group of companies that have partnered together in efforts of obtaining more preferential treatment and insurance rates than the companies could have acquired individually. The Company entered into an agreement with the Consortium whereby the manager of the Consortium will perform administrative services on behalf of the Plan including development of the program with respect to eligibility and underwriting standards, placing stop loss insurance, coordination of regulatory compliance and document preparation. The health benefits are paid in part from the trust established by the Consortium and in part by pre-tax contributions made by the employees.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are required to contribute to the Plan to fund a portion of the cost of their medical benefits. Amounts required to be contributed by participants are determined annually in accordance with the plan document. The remainder of the funding required to pay benefits under the Plan is paid by the Company.

Self-Insured Benefits

All medical benefits are self-insured. The claims are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

UNITED CONSULTING GROUP, LTD. EMPLOYEE BENEFIT PLAN

Notes to Financial Statements

June 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN - continued

Stop Loss Insurance

The Plan has a stop loss insurance arrangement whereby the stop loss insurance will cover the Plan's obligations for any participant's claims in excess of a fixed dollar amount (self-insured retention). The self-insured retention of the Company is \$65,000 per person through June 30, 2025. The aggregate limit is approximately \$1,000,000.

COBRA Insurance

The Plan allows for coverage for a specified time period under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). If a participant's medical coverage terminates because of a life event known as a "qualifying event," then the participant and eligible family members may have the right to purchase continued coverage for a temporary period of time. Each qualifying individual pays their premium directly to the third-party administrator. COBRA claims and other related expenses are paid by the third-party administrator.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Payment of Benefits

Claim payments are recorded when paid by the third-party administrator.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investment is stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note D. Purchases and sales are recorded on the trade-date basis. Interest income is recorded on the accrual basis.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Due to/from Consortium

At June 30, 2025, this represents the amount of funds held in the Consortium's operating account that is designated for the Plan. All monthly contributions are made to this operating account. The claims fund portion of the monthly contribution is transferred to each Plan's cash account to cover the health claim payments. The remainder of the contribution is maintained in the Consortium's operating account to pay all other monthly administrative expenses and stop loss premiums. At June 30, 2024, the Plan owed the Consortium for its portion of the administrative expenses and stop loss premiums.

Benefit Obligations

Plan obligations at June 30, 2025 and 2024 for claims incurred by active participants but not reported are calculated by an actuary retained by the Plan's management using historical claim information.

Risks and Uncertainties

Plan assets include cash which is held at a bank insured by the Federal Deposit Insurance Corporation (FDIC). At times during the years ended June 30, 2025 and 2024, the Company's cash balances may have exceeded federally insured limits.

The actuarial value of benefit obligations is reported based on certain assumptions applied to historical claim information which are subject to change. The stop loss arrangement includes a Monthly Cumulative Accommodation for Aggregate Excess Loss Rider. In connection with this rider, the reimbursements received by the Plan under this arrangement are based on preliminary claims data and are intended to assist with cash flow throughout the plan year. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term could be material to the financial statements.

Administrative Expenses

Substantially all administrative expenses of the Plan, including but not limited to costs related to claims processing, are paid from plan assets. Certain other administrative expenses of the Plan, including legal, accounting, and certain recordkeeping services, are paid by the Company.

NOTE C - INVESTMENT

The Plan's investment as of June 30, 2025 and 2024 consisted of a savings account, which is held in a bank administered trust fund. The fair market value is equal to cost and, as such, no appreciation or depreciation of value is recognized.

NOTE D - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment at fair value:

	Investment at Fair Value as of June 30, 2025			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ -	\$ 530,392	\$ -	\$ 530,392

	Investment at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ -	\$ 556,319	\$ -	\$ 556,319

The following is a description of the valuation methodologies used for the investment measured at fair value. There have been no changes to the methodology used at June 30, 2025 and 2024.

Interest-bearing Cash: Stated at cost, which approximates fair value.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and amend or terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE F - PLAN TAX STATUS

The Plan is funded through a non-qualified trust under Internal Revenue Code (IRC) 419(a). The trust files Form 1041 U.S. Income Tax Return for Estates and Trusts. Plan management believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST

As discussed in Note A, the Plan has arrangements with service providers and, therefore, these transactions qualify as party-in-interest transactions. Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption exists. These transactions are party-in-interest transactions under ERISA. However, these transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA. As discussed in Note B, expenses of administering the Plan are paid from plan assets or by the Company pursuant to provisions of the plan document.

NOTE H - BENEFIT OBLIGATIONS

FASB ASC Topic 965, *Health and Welfare Benefit Plans*, requires disclosure of the following plan obligations at June 30, 2025 and 2024. Claims incurred but not reported to the Plan for active participants as of June 30, 2025 and 2024 were \$87,000 and \$90,000, respectively.

The claims incurred but not reported to the Plan is an estimate that is calculated by the actuary. The estimate is based on the group specific monthly paid claim averages, with adjustments for claim outliers.

The Plan does not offer postemployment benefits and, thus, they are not included in the calculations below.

The following table sets forth the change in the Plan's benefit obligation:

	Years Ended June 30,	
	2025	2024
Beginning balance	\$ 90,000	\$ 115,000
Claims incurred and approved for payment	847,183	1,066,090
Claims paid	(850,183)	(1,091,090)
Ending balance	<u>\$ 87,000</u>	<u>\$ 90,000</u>

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Claims that have been processed and approved for payment at year-end but not paid, and claims incurred but not reported are not considered liabilities under U.S. GAAP and, therefore, are not presented as liabilities or claims paid in the statements of net assets available for benefits or statement of changes in net assets available for benefits, but are recorded on the Form 5500 as a liability as of June 30, 2025 and 2024.

The following is a reconciliation of the financial statements to the Form 5500 for the statements of net assets available for benefits and the statement of changes of net assets available for benefits:

	June 30,	
	2025	2024
Net assets available for benefits reported on the financial statements	\$ 532,470	\$ 475,717
Claims incurred but not reported	<u>(87,000)</u>	<u>(90,000)</u>
Net assets available for benefits reported on the Form 5500	<u>\$ 445,470</u>	<u>\$ 385,717</u>
	Year Ended June 30, 2025	
Health claims, net reported on the financial statements	\$ 850,183	
Net change in claims incurred but not reported	<u>(3,000)</u>	
Benefits paid directly to participants reported on the Form 5500	<u>\$ 847,183</u>	

NOTE J - SUBSEQUENT EVENTS

Management has evaluated subsequent events through April 8, 2026, the date of the independent auditors' report, the date the financial statements were available to be issued.
