INDEPENDENT AUDITOR'S REPORT

Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan
Boynton Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of January 3, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to January 3, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 3, 2024 and December 31, 2023, and for the period from January 1, 2024 to January 3, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Medical Specialists of the Palm Beaches, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan's adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established January 1, 1996, to provide benefits to eligible employees of Medical Specialists of the Palm Beaches, Inc. (the "Sponsor," "Employer" or "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan covers all employees of the Company who have completed one year of service. Employees are automatically enrolled in the Plan on the first day of the month following the satisfaction of the eligibility requirement.

Plan Merger

The Plan Sponsor approved a merger of the Plan into the CareAbout 401(k) Plan (the "New Plan"). On November 17, 2023, participants were notified that the Plan would merge into New Plan January 1, 2024 ("Merger Date"). As a result of the merger, all Plan balances were transferred into the New Plan on January 3, 2024.

Plan Administration

The Plan is administered by the Company. The trustee of the Plan is Lincoln Financial Group Trust Company, Inc. ("LFGTC") and the recordkeeping is performed by Lincoln Retirement Service Company, LLC ("LRSC") and Lincoln National Corporation ("Lincoln"). PNC Retirement Solutions is the Plan's investment advisor.

Contributions

Each year, participants may contribute up to 100% of annual compensation on a pretax and/or after tax basis, as defined in the Plan, up to the statutory maximum. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute, on an after-tax basis, Roth elective deferrals, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor will contribute a safe harbor contribution to each employee who meets the eligibility requirements, equal to a maximum of 3% of eligible compensation. In addition, the Sponsor may elect to make discretionary contributions and profit sharing contributions.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

The Sponsor discretionary profit sharing contributions are determined as a percentage of compensation or as a dollar amount determined by the Plan Sponsor annually. In order to receive the profit sharing contributions, the employee must be a shareholder of the Company, employed on the last day of the Plan year, and have worked a minimum of 1,000 hours. The Company made no safe harbor, discretionary or profit sharing contributions during the period from January 1, 2024 to January 3, 2024. There was one rollover contribution during the period from January 1, 2024 to January 3, 2024 totaling \$1,351,070.

Participant Accounts

The Plan maintains separate accounts for each participant. Participant accounts are credited with each participant's elective deferral contributions, Company contributions, and reduced by benefit distributions, investment fees, and any administrative expenses paid by the Plan. Participant accounts are further credited or charged with their pro rata share of the earnings or losses of the total investments in each investment fund.

Vesting

Participants are vested immediately in their elective contributions, any rollover contributions, and safe harbor contributions, plus actual earnings thereon. Prior to the merger, the Company discretionary matching and profit sharing contributions vest based on years of continuous service. A participant is 100% vested after six years of credited service. Participants are 100% vested when they become disabled or deceased while still employed by the Company.

Years of Service	Vesting Percentages
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common collective trusts, and a stable value account issued by LFGTC and Lincoln as investment options for participants. In addition, participants have the option of utilizing a self-directed brokerage account ("brokerage account"), through which participants are able to invest in a variety of securities including mutual funds, equities, or certain fixed-income securities.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The interest rate is equal to the current prime rate plus 1% or a reasonable interest rate as determined by the plan administrator. Loan terms range from one to five years or longer for the purchase of a primary residence. The maximum number of loans a participant may have is two loans outstanding at any particular point in time. The loans are secured by the balance in the participant's account. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Forfeitures

Forfeitures are those amounts of the Employer's matching or profit sharing contributions in which a participant is not fully vested at the time of separation. If any forfeitures remain after paying Plan expenses, such forfeited amounts will be allocated to all eligible participants as additional contributions for the Plan year in which the forfeiture occurs. The amounts of unallocated forfeitures at January 3, 2024 and 2023 were \$0 and \$1,413, respectively.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a fixed reasonable period of time, not to exceed the life expectancy of the participant. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan allows the Sponsor to automatically distribute participant accounts with balances less than \$5,000 upon termination of employment within a reasonable period of time.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of employer contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual basis of accounting.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. The self-directed brokerage accounts are recorded at the quoted market prices of the individual investments held in the brokerage accounts. Common collective trusts are valued at the net asset value of units held by the Plan at year-end as a practical expedient to estimate fair value. The net asset value is based on the fair value of the collective trusts' underlying investments less its liabilities.

Investments in fully benefit-responsive investment contracts ("FBRICs") are reported at contract value because contract value is the amount that participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in an FBRIC with Lincoln through the Lincoln Stable Value Account.

Security transactions are recorded on a trade-date basis, which is the date the order to buy or sell is executed. Interest income is accrued on a daily basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain administrative functions are performed by employees of the Sponsor. No such employees receive compensation from the Plan. Certain administrative expenses, such as professional fees, are paid directly by the Company. Plan expenses are recorded when they are incurred.

Party-In-Interest Transactions

FBRICs are issued by LFGTC who is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan also has notes receivable from participants that qualify as party-in-interest transactions.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentrations

All of the Plan's assets were held by its custodian, LFGTC, located in New York, New York.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimated.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY LFGTC (UNAUDITED)

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared by and certified as complete and accurate by LFGTC.

INVESTMENTS	January 3, 2024	December 31, 2023
Investments	\$ -	\$ 51,905,671
Notes receivable from participants	-	292,963
	\$ -	\$ 52,198,634

During the period from January 1, 2024 to January 3, 2024, The Plan's investments (including gains and losses on investments bought and sold, as well as held during the Plan year) depreciated in value by \$802,069. Interest and dividends relating to the Plan's investments as well as interest on notes receivable from participants amounted to \$954 and \$925, respectively, for the period from January 1, 2024 to January 3, 2024. At January 3, 2024 and December 31, 2023, the interest rate on notes receivable from participants ranged from 4.25% to 9.50%.

NOTE 4. STABLE VALUE ACCOUNT

As noted in Note 2, the Plan invests in a FBRIC with Lincoln. Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The FBRIC is reported at contract value because contract value is the amount that participants would receive if they were to initiate permitted transactions under the terms of the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4. STABLE VALUE ACCOUNT (Continued)

The FBRIC strives to maintain stable returns and protect capital. Many types of investments are found in the FBRIC account including money market mutual funds, annuities, and some collective trusts. The FBRIC is a fixed annuity contract issued by Lincoln. The contracts are backed by the general account of Lincoln. The guaranteed interest can range from 1% to 3%. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer. There is no minimum credit rate in the contract. Such interest rates are reviewed on a monthly basis for resetting.

Certain events, such as the premature termination of the contract by the Plan or termination of the Plan, would limit the Plan's ability to transact at contract value with Lincoln. These events would also permit Lincoln to terminate the contracts and settle at amounts that differ from contract value. The Plan Administrator does not believe that the occurrence of such events, which would limit the Plan's ability to transact at contract value with the Plan participants, is probable.

NOTE 5. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require the Plan to report its investments at fair value on a recurring basis. Fair value is measured by a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A description of the valuation methodologies the Plan uses for assets measured at fair value is included in Note 2.

NOTE 5. FAIR VALUE MEASUREMENTS (Continued)

The methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents information about the Plan's assets measured at fair value as of December 31, 2023:

ASSETS, at fair value as of December 31, 2023	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 42,912,267	\$ -	\$ -	\$ 42,912,267
Self directed brokerage accounts	1,750,647	-	-	1,750,647
Total investments in the fair value hierarchy	<u>\$ 44,662,914</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 44,662,914</u>
Common collective trusts, measured at NV (a)				<u>\$ 3,913,048</u>
Total investments measured at fair value				<u>\$ 48,575,962</u>

(a) Certain investments that are measured at fair value using a net asset value ("NV") per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The investments in the common collective trusts are direct filing entities. There are no unfunded commitments related to these investments and participants may redeem their investment daily.

NOTE 6. TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 6. TAX STATUS (Continued)

The Plan assesses its tax positions in accordance with “*Accounting for Uncertainties in Income Taxes*” as prescribed by the Accounting Standards Codification, which provides guidance for financial statement recognition and measurement of uncertain tax positions taken or expected to be taken in a tax return for open tax years (generally a period of three years from the later of each return’s due date or the date filed) that remain subject to examination by the Plan’s major tax jurisdictions.

The Plan assesses its tax positions and determines whether it has any material unrecognized liabilities for uncertain tax positions. The Plan records these liabilities to the extent it deems them more likely than not to be incurred. Interest and penalties related to uncertain tax positions, if any, would be classified as a component of income tax expense.

The Plan believes that it does not have any significant uncertain tax positions requiring recognition or measurement in the accompanying financial statements.

The Plan is delinquent in filing its 2024 return with the IRS, and as a result, may be subject to fines and penalties. The Sponsor intends to file the return and pay all appropriate penalties pursuant to the Delinquent Filer Voluntary Compliance Program. The Plan's management does not believe that the non-filing will materially impact the Plan's tax exemption, financial position or results of operations.

NOTE 7. NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS

During 2023 and 2022, there were unintentional delays by the Company in submitting employee contributions to LFGTC of \$42,220 and \$159,188, respectively. The Company submitted the delayed contributions in the same period of the unintentional delay. Lost earnings related to these remittances were not significant to the financial statements and are expected to be remitted during 2026. The late remittances are reported in the Form 5500 as a nonexempt prohibited transaction.

NOTE 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 28, 2026, which is the date the accompanying financial statements were available to be issued.
