Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Silver Springs Bottled Water Co. Employees Savings Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

The Administrative Committee of
Silver Springs Bottled Water Co. Employees Savings Trust
Ocala, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, in September 2025, the Plan's sponsor, Silver Springs Bottled Water Co., approved the termination of the Plan and determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the ongoing plan basis used in the 2024 financial statements to the liquidation basis used in the 2025 financial statements. Our opinion is not modified with respect to this matter.

NOTES TO THE FINANCIAL STATEMENTS**

Note 1 - Description of Plan

The following description of Silver Springs Bottled Water Co. Employees Savings Trust (the Plan) provides only general information. Participants should refer to the Plan document and adoption agreement for a more comprehensive description of the Plan's provisions.

Plan Termination

In September 2025, the Plan's Sponsor, Silver Springs Bottled Water Co., approved a formal plan of termination of the Plan, effective September 30, 2025, and to distribute the Plan assets as soon as administratively practicable. No further contributions will be made to the Plan as of the Plan termination date. Participants became 100% vested in their accounts as of the Plan termination date. All Plan assets were distributed prior to December 31, 2025.

General

The Plan, originally effective January 1, 2007, and most recently amended June 1, 2025, is a defined contribution plan covering all eligible employees of Silver Springs Bottled Water Co., Crossroads Beverage Group, LLC, Hickory Springs Bottling, Inc., and RealPure Bottling, Inc. (the Companies) who have six consecutive months of service. Eligible employees, which exclude non-resident aliens and leased employees, may enroll on the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with, or next following, the date eligibility requirements have been met. The Plan is organized as a profit-sharing plan under section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Prior to the Plan's termination, participants may have contributed up to 85% of eligible compensation, as defined in the Plan, up to the maximum of \$23,500 allowed under IRC limitation for calendar year 2025. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions up to \$7,500 to the Plan in 2025, with the exception of those aged 60 to 63 who were eligible to make catch-up contributions up to \$11,250 to the Plan in 2025. Participants may have also contributed amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Prior to the Plan's termination, the Companies made safe harbor contributions each pay period equal to 100% of employee salary deferrals that did not exceed 3% of compensation, plus 50% of contributions between 3% and 5% of compensation. The Companies may have also made discretionary profit-sharing contributions. A participant must have completed 500 hours of service during the Plan year and must have been employed on the last day of the year to be eligible to have received an allocation of the discretionary profit-sharing contributions. If a participant dies or becomes disabled during the Plan year, the participant will still be eligible to receive an allocation of the discretionary profit-sharing contributions. The Companies did not elect to make a profit-sharing contribution in 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of: (a) the Companies' safe harbor contributions, (b) the Companies' discretionary profit-sharing contribution, (c) Plan earnings and losses, and (d) administrative expenses. Allocations are based on participant earnings or account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**SILVER SPRINGS BOTTLED WATER CO.
EMPLOYEES SAVINGS TRUST
NOTES TO THE FINANCIAL STATEMENTS**

Investment Options

Participants direct the investments of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

Vesting

Participants are immediately vested in their voluntary contributions, the Companies' safe harbor matching contributions, and rollover contributions, plus actual earnings thereon. Vesting in the Companies' discretionary profit-sharing contributions plus earnings thereon are based on years of continuous service. Prior to the Plan's termination, a participant became 20% vested in profit-sharing contributions after two years of service, with an additional 20% vested each year thereafter until 100% was vested after six years of credited service. A participant also became 100% vested due to death or disability before retirement, and attainment of normal retirement age. Participants became 100% vested in their accounts upon termination of the Plan, effective on September 30, 2025.

Payment of Benefits

Prior to the Plan's termination, in-service distributions from a participant's vested account balance may have been made provided the participant had reached the age of 59 ½. Prior to the Plan's termination, upon termination of employment due to death, disability, retirement, or any other reason, a participant may have elected to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in partial payments or systematic installments as elected by the participant.

Participant Loans

The Plan does not allow loans to participants or beneficiaries.

Forfeitures

Any non-vested amounts of the Companies' profit-sharing contributions that remain after the distribution of a terminated participant's vested account balance are forfeited. Forfeitures may be used as a reduction of the Companies' contributions to the participants remaining in the Plan, or as a reduction of Plan expenses. There were no forfeited amounts outstanding as of December 31, 2025 and 2024, or used during the year ended December 31, 2025.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

In September 2025, the Plan's sponsor approved the termination of the Plan and determined liquidation of the Plan is imminent. As a result, the Plan changed its basis of accounting from the ongoing accrual basis to the liquidation basis. Under the liquidation basis of accounting, assets are stated at their net realizable value, which approximates fair value, and liabilities, including estimated costs associated with terminating the Plan, are stated at their net settlement amounts. There were no material changes to the financial statements as a result of this change in accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments, except for the guaranteed investment contract, are reported at fair value at December 31, 2024. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by investment advisors and trustees. See Note 3 for discussion of fair value measurements. The Plan's investment in the guaranteed investment contract is valued at contract value, as discussed in Note 4.

Investment transactions are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Companies and are excluded from these financial statements. Administrative expenses paid by the Plan include investment management and recordkeeping fees. Certain transaction fees for distributions are charged directly to the accounts of the participants who incur those fees and are also included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. Any costs associated with the investment of a participant's account are charged to that participant.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**SILVER SPRINGS BOTTLED WATER CO.
EMPLOYEES SAVINGS TRUST
NOTES TO THE FINANCIAL STATEMENTS**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value for the year ended December 31, 2024.

Mutual Funds are valued at the daily closing price reported by the fund on the active market on which the individual securities are actively traded. The mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission.

Pooled Separate Accounts consist of units of participation in the separate accounts, which are valued daily at their accumulation unit value. Accumulation unit value is determined based on the net asset values of the underlying funds, which are generally quoted in active markets, and the contract's separate account charges. The pooled separate accounts allow one transfer per 30-day period. Contributions into the investment option are not impacted. There are no unfunded commitments on these investments.

Collective Investment Trusts are valued at the fair value per share (unit) as determined by using estimated fair value of the underlying assets held in the fund as reported by the investment manager of the trust. The Plan considers the fair value per share (unit) to be a readily determinable fair value which is disclosed and used as the basis for current transactions. All redemptions of collective investment trusts are at the redemption date's computed net asset value and are considered to have readily available fair value.

Fair values of investments measured on a recurring basis at December 31, 2024, were as follows:

December 31, 2024	Fair Value	Level 1	Level 2	Level 3
Mutual Funds	\$ 3,839,222	\$ 3,839,222	\$ -	\$ -
Pooled Separate Accounts	1,644,128	1,644,128	-	-
Collective Investment Trusts	6,241,763	6,241,763	-	-
Total Investments at Fair Value	\$ 11,725,113	\$ 11,725,113	\$ -	\$ -

Note 4 - Guaranteed Investment Contract

Prior to the Plan's termination, the Plan invests in the Principal Fixed Income Guaranteed Option, a traditional fully benefit-responsive guaranteed investment contract. Principal Life Insurance Company maintains the contributions in a general account. Under the terms of the existing contract, the Composite Crediting Rate is reset semi-annually and will never be less than the Guaranteed Minimum Interest Rate.

The Fixed Income Guaranteed Option is a single group annuity contract with a fixed rate of interest. The average yield earned by the Plan is the yield earned (i.e. interest credited) on the group annuity contract. The investment account allows participants to direct permitted withdrawals and/or transfer transactions at contract value, which represents contributions plus credited interest, less participant withdrawals and fees. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Employer initiated events, such as premature termination of the contract by the Plan, could limit the fund's ability to transact at contract value with the Plan. Prior to Plan termination, Plan management

believed that the occurrence of events that would cause the Plan to transact at less than the contract value was not probable. The issuer is contractually obligated to pay the principal and interest that is guaranteed to the fund as stated in the group annuity contract. The contract value of the Fixed Income Guaranteed Option was \$552,536 as of December 31, 2024.

Note 5 - Related-Party and Party-in-Interest Transactions

Certain Plan investments are managed by Principal Life Insurance Company, Principal Trust Company, and Principal Global Investors Trust Co. These transactions qualify as exempt party-in-interest transactions.

The Plan incurred administrative expenses of \$61,588 for the year ended December 31, 2025. Of this amount, \$38,341 was paid for by the Plan to the Plan's third-party administrator, and \$23,247 was paid for or accrued by the Companies.

Note 6 - Information Certified by Principal Life Insurance Company, Principal Trust Company, and Principal Global Investors Trust Co.

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as complete and accurate by Principal Life Insurance Company, Principal Trust Company, and Principal Global Investors Trust Co. as of December 31, 2025 and 2024, and for the year ended December 31, 2025, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

<u>December 31,</u>	2025 (In Liquidation)	2024 (Ongoing)
Investments at Fair Value	\$ -	\$ 11,725,113
Investments at Contract Value	\$ -	\$ 552,536
 <u>Year Ended December 31, 2025 (In Liquidation)</u>		
Net Appreciation in Fair Value of Investments	\$ 1,736,920	
Interest on Guaranteed Investment Contract	\$ 4,069	
Dividend Income	\$ 27,717	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Note 7 - Income Tax Status

The Plan adopted a non-standardized defined contribution pre-approved Plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, in which the IRS stated that the pre-approved plan, as designed, was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and the related trust is tax exempt. Accordingly, no provision for taxes has been included in the Plan's financial statements.

**SILVER SPRINGS BOTTLED WATER CO.
EMPLOYEES SAVINGS TRUST
NOTES TO THE FINANCIAL STATEMENTS**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Subsequent Events

The Plan has evaluated subsequent events through December 31, 2025, as of April 30, 2026, the date the financial statements were issued. No material events have occurred since December 31, 2025, that require recognition or disclosure in the financial statements.
