INDEPENDENT AUDITORS' REPORT

To the Trustee, Participants, and Beneficiaries
of the E.S. Originals 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of E.S. Originals 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

E.S. ORIGINALS 401(K) SAVINGS PLAN

Notes to Financial Statements
December 31, 2023 and 2022

1 - DESCRIPTION OF PLAN

The following description provides only general information of the E.S. Originals 401(k) Savings Plan (the "Plan"), a defined contribution plan for employees of E.S. Originals, Inc. and its related participating employers (collectively, the "Company," "Plan Sponsor," or "Employer"). Effective July 2023, the Plan was amended to include the following companies: Home at ESO, LLC and Misgav Partners, LLC. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. **General** - The Plan is a defined contribution plan covering all eligible employees of the Company, who have completed two consecutive months of service, elapse time not to exceed twelve months. There is no age requirement. Once the requirement has been met, an employee may become a participant in the Plan on the first day of the calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The custodian and recordkeeper of the Plan are Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC.
- b. **Contributions** - Plan contributions consist of participants' elected salary deferrals (401(k) contributions), employer discretionary matching contributions, employer discretionary profit-sharing contributions, and rollovers. Each year, participants may contribute a percentage of their salary up to the established statutory limit. Participants, who have attained age 50 before the end of the Plan year, are eligible to make catch-up contributions. Rollovers represent distributions from other qualified defined benefit or contribution plans.

The Company, at its discretion, may make a matching contribution to the Plan. Employees are eligible to receive discretionary employer contributions upon completion of 1,000 hours and being employed on the last day of the Plan year. For the Plan year ended December 31, 2023, the Company contributed 25% of the first 4% deferred up to a maximum of 1% of compensation. Contributions are subject to certain limitations as permitted by the Internal Revenue Code. The Company, also at its discretion, may make a profit-sharing contribution each year. No such contribution was made for the Plan year ended December 31, 2023.

All investments are participant directed. Participants direct the investment of their contributions into various investment options offered by the Plan, which currently consists of a guaranteed investment contract, mutual funds, and life insurance.

- c. **Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and profit-sharing contribution, if any, and (b) the Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

- d. **Vesting** - Participants are immediately vested in their contributions, rollovers, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 or more years	100%

- e. **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the participant's highest outstanding note balance to the Plan during the one-year period ending on the day before the date on which the note is made, or 50% of their vested account balances, less current outstanding note balances. All notes, other than those used to purchase a principal residence, must be repaid within five years. Notes used to purchase a principal residence can have longer terms upon approval by the Plan administrator but must be repaid within thirty years of the original date of the loan. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with interest rates being charged by local lenders, at inception, as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions over the term of the note. As of December 31, 2023 and 2022, the notes bear interest at rates ranging from 3.25% to 8.50% and 3.25% to 7.00%, respectively, and have scheduled maturities through July 2028.
- f. **Payment of Benefits** - Participants may elect to receive distribution of their benefits upon retirement, in the event of death or disability, heavy financial hardship, or upon termination of employment. On termination of service, due to death, retirement, or other Plan specified reasons, a participant with vested benefits in excess of \$5,000, may elect to receive a single lump-sum payment or installment payments. For those participants with vested benefits of \$5,000 or less, their benefits will be distributed as a lump-sum amount equal to the value of the participant's vested interest in their account at the time of separation. If, at the time of termination, the participant's vested account balance does not exceed \$1,000, the participant will receive a mandatory lump-sum distribution of their benefits.
- g. **Forfeited Accounts** - As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$1,318 and \$27,941, respectively. These accounts will be used to reduce future Company contributions or pay Plan expenses. During the year ended December 31, 2023, forfeitures of \$27,936 were used to reduce employer contributions.
- h. **Life Insurance** - Life insurance may be purchased with the approval of the Plan administrator. The trustee shall provide incidental insurance benefits by purchasing for each insurable participant who so elects coverage at standard rates, either term life insurance, universal life insurance, or ordinary life insurance policies.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. **Basis of Accounting** - The financial statements are prepared on the accrual method of accounting.
- b. **Subsequent Events** - The Plan has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued.
- c. **Investment Valuation and Income Recognition** - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized/unrealized appreciation in value of investments includes the Plan's gains or losses on investments bought or sold as well as held during the year. The Plan owned universal life insurance policies are recorded at contract value (cash surrender value). The contract value of the Plan owned universal life insurance is the value that could be received by the Plan at the date of the statement of net assets available for benefits.

- d. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance, plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions, based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.
- e. **Payment of Benefits** - Benefits are recorded when paid.
- f. **Administrative Expenses** - Substantially all fees, including fees paid to the investment advisor and auditing fees, can be paid by the Plan Sponsor. Any fees paid by the Plan Sponsor are not included in these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net realized/unrealized appreciation in value of investments.
- g. **Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3 - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC, have certified to the completeness and accuracy of all investments and related investment activity, and notes receivable from participants and related activity on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023. Life insurance contracts of \$1,443,067 and \$1,542,963 measured at contract value as of December 31, 2023 and 2022, respectively, are not certified.

4 - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 14,085,351	\$ -	\$ -	\$ 14,085,351
<u>December 31, 2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 14,349,546	\$ -	\$ -	\$ 14,349,546

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net realized/unrealized appreciation in value of investments on the accompanying statement of changes in net assets available for benefits. The Plan's policy is to recognize transfers into and out of any level as of the date of the event or change in circumstances that caused the transfer. There were no transfers into or out of any level for the years ended December 31, 2023 and 2022.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

5 - GUARANTEED INVESTMENT CONTRACT

In 2008, the Plan entered into a benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of New York. Empower Annuity Insurance Company of New York maintains the contributions in a general account. The contract is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity Insurance Company of New York, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Contract value of the investment contract was \$4,042,670 and \$4,440,725 as of December 31, 2023 and 2022, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
2. Premature termination of the contracts;
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment options; or
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation; or
4. A material amendment to the agreements without the consent of the issuer.

6 - LIFE INSURANCE

For the years ended December 31, 2023 and 2022, the Plan held universal life policies. The policies' contract value is not fixed and guaranteed by the issuer. As such, the actual contract value of the universal policies can vary from year to year. As of December 31, 2023 and 2022, the contract value of the universal policies totaled \$1,443,067 and \$1,542,963, respectively.

7 - TAX STATUS

The Plan has adopted a non-standardized pre-approved sharing plan with CODA sponsored by CCH Incorporated DBA Ftwilliam.com. On June 30, 2020, the Internal Revenue Service stated an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving this opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments consist of mutual fund accounts and a guaranteed investment contract managed by Empower Life & Annuity Insurance Company of New York or its affiliates. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net realized/unrealized appreciation in value of investments. Administrative expenses paid by the Plan to Empower Life & Annuity Insurance Company of New York amounted to \$34,398 for the year ended December 31, 2023. Recordkeeping and investment advisory fees paid to other service providers amounted to \$32,548 for the year ended December 31, 2023. During the year ended December 31, 2023, the Plan paid, on behalf of participants, \$4,500 for insurance premiums from participant vested accounts. These participants are owners of the Company and, therefore, parties-in-interest.

The custodian provides certain administrative services to the Plan and receives revenue from mutual fund providers for services the custodian provides to the funds. This revenue is used to offset certain amounts owed to the custodian for its administrative services to the Plan. If the revenue received by the custodian from such mutual fund service providers exceeds the amounts owed, the custodian remits the excess to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants, depending on the Plan's provisions. During 2023, \$425 was received from the custodian and is reflected in net realized/unrealized appreciation in value of investments on the accompanying statement of changes in net assets available for benefits. \$10,223 was used to pay Plan expenses. The account balance as of December 31, 2023 and 2022 was \$26,136 and \$35,934, respectively.

9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances, and the amounts reported on the accompanying statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2023 may not necessarily be indicative of amounts that could be realized in a current market exchange.

10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of certain financial statement amounts to Schedule H of Form 5500:

Line Item	Financial Statements	Reconciling Items	Form 5500
Statement of net assets available for benefits as of December 31, 2022:			
Notes receivable from participants	144,459	(739)	143,720
Net assets available for benefits	20,503,117	(739)	20,502,378
Statement of changes in net assets available for benefits for the year ended December 31, 2023:			
Benefits paid to participants	4,138,047	(739)	4,137,308
Net decrease in net assets available for benefits	(737,905)	739	(737,166)

11 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		3,000,000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X

INDEPENDENT AUDITORS' REPORT

To the Trustee, Participants, and Beneficiaries
of the E.S. Originals 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of E.S. Originals 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

E.S. ORIGINALS 401(K) SAVINGS PLAN

Notes to Financial Statements
December 31, 2023 and 2022

1 - DESCRIPTION OF PLAN

The following description provides only general information of the E.S. Originals 401(k) Savings Plan (the "Plan"), a defined contribution plan for employees of E.S. Originals, Inc. and its related participating employers (collectively, the "Company," "Plan Sponsor," or "Employer"). Effective July 2023, the Plan was amended to include the following companies: Home at ESO, LLC and Misgav Partners, LLC. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. **General** - The Plan is a defined contribution plan covering all eligible employees of the Company, who have completed two consecutive months of service, elapse time not to exceed twelve months. There is no age requirement. Once the requirement has been met, an employee may become a participant in the Plan on the first day of the calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The custodian and recordkeeper of the Plan are Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC.
- b. **Contributions** - Plan contributions consist of participants' elected salary deferrals (401(k) contributions), employer discretionary matching contributions, employer discretionary profit-sharing contributions, and rollovers. Each year, participants may contribute a percentage of their salary up to the established statutory limit. Participants, who have attained age 50 before the end of the Plan year, are eligible to make catch-up contributions. Rollovers represent distributions from other qualified defined benefit or contribution plans.

The Company, at its discretion, may make a matching contribution to the Plan. Employees are eligible to receive discretionary employer contributions upon completion of 1,000 hours and being employed on the last day of the Plan year. For the Plan year ended December 31, 2023, the Company contributed 25% of the first 4% deferred up to a maximum of 1% of compensation. Contributions are subject to certain limitations as permitted by the Internal Revenue Code. The Company, also at its discretion, may make a profit-sharing contribution each year. No such contribution was made for the Plan year ended December 31, 2023.

All investments are participant directed. Participants direct the investment of their contributions into various investment options offered by the Plan, which currently consists of a guaranteed investment contract, mutual funds, and life insurance.

- c. **Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching and profit-sharing contribution, if any, and (b) the Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

- d. **Vesting** - Participants are immediately vested in their contributions, rollovers, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 or more years	100%

- e. **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the participant's highest outstanding note balance to the Plan during the one-year period ending on the day before the date on which the note is made, or 50% of their vested account balances, less current outstanding note balances. All notes, other than those used to purchase a principal residence, must be repaid within five years. Notes used to purchase a principal residence can have longer terms upon approval by the Plan administrator but must be repaid within thirty years of the original date of the loan. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with interest rates being charged by local lenders, at inception, as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions over the term of the note. As of December 31, 2023 and 2022, the notes bear interest at rates ranging from 3.25% to 8.50% and 3.25% to 7.00%, respectively, and have scheduled maturities through July 2028.
- f. **Payment of Benefits** - Participants may elect to receive distribution of their benefits upon retirement, in the event of death or disability, heavy financial hardship, or upon termination of employment. On termination of service, due to death, retirement, or other Plan specified reasons, a participant with vested benefits in excess of \$5,000, may elect to receive a single lump-sum payment or installment payments. For those participants with vested benefits of \$5,000 or less, their benefits will be distributed as a lump-sum amount equal to the value of the participant's vested interest in their account at the time of separation. If, at the time of termination, the participant's vested account balance does not exceed \$1,000, the participant will receive a mandatory lump-sum distribution of their benefits.
- g. **Forfeited Accounts** - As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$1,318 and \$27,941, respectively. These accounts will be used to reduce future Company contributions or pay Plan expenses. During the year ended December 31, 2023, forfeitures of \$27,936 were used to reduce employer contributions.
- h. **Life Insurance** - Life insurance may be purchased with the approval of the Plan administrator. The trustee shall provide incidental insurance benefits by purchasing for each insurable participant who so elects coverage at standard rates, either term life insurance, universal life insurance, or ordinary life insurance policies.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- a. **Basis of Accounting** - The financial statements are prepared on the accrual method of accounting.
- b. **Subsequent Events** - The Plan has evaluated subsequent events through October 1, 2024, the date the financial statements were available to be issued.
- c. **Investment Valuation and Income Recognition** - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized/unrealized appreciation in value of investments includes the Plan's gains or losses on investments bought or sold as well as held during the year. The Plan owned universal life insurance policies are recorded at contract value (cash surrender value). The contract value of the Plan owned universal life insurance is the value that could be received by the Plan at the date of the statement of net assets available for benefits.

- d. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance, plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions, based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.
- e. **Payment of Benefits** - Benefits are recorded when paid.
- f. **Administrative Expenses** - Substantially all fees, including fees paid to the investment advisor and auditing fees, can be paid by the Plan Sponsor. Any fees paid by the Plan Sponsor are not included in these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net realized/unrealized appreciation in value of investments.
- g. **Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

3 - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC, have certified to the completeness and accuracy of all investments and related investment activity, and notes receivable from participants and related activity on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023. Life insurance contracts of \$1,443,067 and \$1,542,963 measured at contract value as of December 31, 2023 and 2022, respectively, are not certified.

4 - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022:

<u>December 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 14,085,351	\$ -	\$ -	\$ 14,085,351
<u>December 31, 2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 14,349,546	\$ -	\$ -	\$ 14,349,546

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net realized/unrealized appreciation in value of investments on the accompanying statement of changes in net assets available for benefits. The Plan's policy is to recognize transfers into and out of any level as of the date of the event or change in circumstances that caused the transfer. There were no transfers into or out of any level for the years ended December 31, 2023 and 2022.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

5 - GUARANTEED INVESTMENT CONTRACT

In 2008, the Plan entered into a benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of New York. Empower Annuity Insurance Company of New York maintains the contributions in a general account. The contract is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity Insurance Company of New York, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Contract value of the investment contract was \$4,042,670 and \$4,440,725 as of December 31, 2023 and 2022, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
2. Premature termination of the contracts;
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment options; or
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation; or
4. A material amendment to the agreements without the consent of the issuer.

6 - LIFE INSURANCE

For the years ended December 31, 2023 and 2022, the Plan held universal life policies. The policies' contract value is not fixed and guaranteed by the issuer. As such, the actual contract value of the universal policies can vary from year to year. As of December 31, 2023 and 2022, the contract value of the universal policies totaled \$1,443,067 and \$1,542,963, respectively.

7 - TAX STATUS

The Plan has adopted a non-standardized pre-approved sharing plan with CODA sponsored by CCH Incorporated DBA Ftwilliam.com. On June 30, 2020, the Internal Revenue Service stated an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving this opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments consist of mutual fund accounts and a guaranteed investment contract managed by Empower Life & Annuity Insurance Company of New York or its affiliates. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net realized/unrealized appreciation in value of investments. Administrative expenses paid by the Plan to Empower Life & Annuity Insurance Company of New York amounted to \$34,398 for the year ended December 31, 2023. Recordkeeping and investment advisory fees paid to other service providers amounted to \$32,548 for the year ended December 31, 2023. During the year ended December 31, 2023, the Plan paid, on behalf of participants, \$4,500 for insurance premiums from participant vested accounts. These participants are owners of the Company and, therefore, parties-in-interest.

The custodian provides certain administrative services to the Plan and receives revenue from mutual fund providers for services the custodian provides to the funds. This revenue is used to offset certain amounts owed to the custodian for its administrative services to the Plan. If the revenue received by the custodian from such mutual fund service providers exceeds the amounts owed, the custodian remits the excess to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants, depending on the Plan's provisions. During 2023, \$425 was received from the custodian and is reflected in net realized/unrealized appreciation in value of investments on the accompanying statement of changes in net assets available for benefits. \$10,223 was used to pay Plan expenses. The account balance as of December 31, 2023 and 2022 was \$26,136 and \$35,934, respectively.

9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances, and the amounts reported on the accompanying statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2023 may not necessarily be indicative of amounts that could be realized in a current market exchange.

10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of certain financial statement amounts to Schedule H of Form 5500:

Line Item	Financial Statements	Reconciling Items	Form 5500
Statement of net assets available for benefits as of December 31, 2022:			
Notes receivable from participants	144,459	(739)	143,720
Net assets available for benefits	20,503,117	(739)	20,502,378
Statement of changes in net assets available for benefits for the year ended December 31, 2023:			
Benefits paid to participants	4,138,047	(739)	4,137,308
Net decrease in net assets available for benefits	(737,905)	739	(737,166)

11 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
