(1) Name: **ARCARA LENDA EUSANIO & STACEY, CPAS**

(2) EIN: **47-1793720**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		2000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Board of Trustees of
Local No. 41 I.B.E.W. Annuity Fund

Opinion

We have audited the accompanying financial statements of Local No. 41 I.B.E.W. Annuity Fund (the "Fund"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of October 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Local No. 41 I.B.E.W. Annuity Fund as of October 31, 2025 and, 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Local No. 41 I.B.E.W. Annuity Fund

Notes to Financial Statements October 31, 2025 and 2024

Note 1 - Description of the Plan

The following brief description of the Local No. 41 I.B.E.W. Annuity Fund (the “Fund” or “Plan”) is provided for general information purposes only. Participants should refer to the Plan of Benefits for more complete information.

General

The Fund was formed under an agreement and declaration of trust executed August 10, 1966, and effective November 1, 1966, for the purpose of providing defined contribution pension benefits.

The Fund is a multiemployer defined contribution pension plan covering eligible participants working under the terms of a collective bargaining agreement (“CBA”), reciprocal agreement, or participation agreement requiring contributions to the Fund. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Fund is administered by a Board of Trustees who are responsible for the oversight of the Fund.

The Fund’s participant-directed investments are overseen by an investment advisor who assists in the determination of the appropriateness of the Fund’s investment offerings. The Fund utilizes The Vanguard Group, Inc. (“Vanguard”) for recordkeeping and administrative services.

Participation

Participation in the Plan commences on the first day on which a member first completes an hour of service for an employer who is required to contribute to the Fund.

Participant Accounts

The Fund provides for participant-directed investments, and as such, an account has been established for each participant in the Plan at Vanguard. Each participant’s account is credited with contributions received from employers on his or her behalf. Such accounts are also credited/charged with the participant’s share of earnings or losses on his or her self-directed investments. Benefits paid to participants, or their beneficiaries, are charged directly against the respective participant’s account. Administrative costs incurred by the Fund are allocated to participant accounts.

Vesting

Participants are fully vested in their account as soon as they become participants in the Plan.

Funding Policy

Contributions to the Fund are provided primarily by employers’ signatory to a CBA or participation agreement requiring contributions to the Fund at the negotiated rate per hour worked for covered participants. Contributions which apply to the current year that are received in subsequent years are reported as employer contributions receivable.

The Fund is subject to reciprocity agreements under which contributions are collected by other Union defined contribution plans and remitted to the Fund. Employer contributions reported in the statements of changes in net assets available for benefits include \$362,287 and \$317,221 received and receivable from other benefit funds under reciprocal agreements for years ended October 31, 2025 and 2024, respectively. The balance due to the Fund at year end is included in employer contributions receivable at October 31, 2025 and 2024.

Note 1 (Continued)

Under the reciprocity agreements, contributions are collected by the Fund on behalf of other Union defined contribution plans and remitted to them. Employer contributions reported in the statements of changes in net assets available for benefits are stated net of \$1,834,374 and \$1,918,635 paid and payable to other benefit funds under reciprocal agreements for years ended October 31, 2025 and 2024, respectively.

Benefits

Benefits from the Fund are paid for retirement, disability, severance, or death. A participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account or a flexible and partial lump sum, a normal annuity, a temporary annuity option or roll the benefits into an IRA rollover account. The amount of severance benefits that may be elected is \$250, \$500, or \$750 per week. These options are subject to the specific provisions of the Fund. A participant may also apply for a termination annuity under the Plan if they meet certain requirements.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Fund are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis and dividends are recorded on an ex-dividend date. Net appreciation (depreciation) includes the gains and losses on investments bought and sold as well as held during the year.

Employer Contributions Receivable

Employer contributions receivable represents contributions from employers based on the hours worked but not received by the fiscal year-end. The amounts reported as receivable are accrued based on analysis of subsequent employer reports and remittances as well as collectability. Reciprocal contributions receivable are recorded based on subsequent receipts.

Property and Equipment

Property and Equipment is stated at cost. Depreciation is provided on the straight-line method over the estimated useful lives of the assets, which generally range from three to seven years.

Depreciation expense for years ended October 31, 2025 and 2024, amounted to \$332 and \$7,156, respectively.

Benefit Costs

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events through March 4, 2026, the date these financial statements were available to be issued, for potential recognition or disclosure in the financial statements.

Note 3 - Termination

It is the present intention of the Trustees to continue the Plan indefinitely. However, in the event of the termination of the Plan, administrative expenses, including expenses relating to the termination, would be allocated and deducted from participant accounts. The remaining balance in each participant's account would then be paid out to each participant in a lump sum.

Note 4 - Fair Market Value

ASC 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 31, 2025 and 2024.

Mutual Funds: Open-ended mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust ("CCT"): The Fund's investment in the CCT is valued at NAV, which is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each investee less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The underlying assets of such investments are valued at quoted market value when available. When market quotations are not readily available, investment assets are valued at fair value as determined by acceptable alternative procedures established by the managers of each investment.

Note 4 (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Fund believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's investment assets at fair value as of October 31, 2025:

Investments at Fair Value	Level 1	Level 2	Level 3	Total
<u>Investments within the Fair Value Hierarchy</u>				
Mutual Funds	\$ 135,331,105	\$ -	\$ -	\$ 135,331,105
<u>Investments Measured at Net Asset Value</u>				
Common Collective Trust				
Vanguard Retirement Savings Trust III				4,117,020
Total Investments at Fair Value				\$ 139,448,125

The following table sets forth the Plan's investment assets at fair value as of October 31, 2024:

Investments at Fair Value	Level 1	Level 2	Level 3	Total
<u>Investments within the Fair Value Hierarchy</u>				
Mutual Funds	\$ 115,833,406	\$ -	\$ -	\$ 115,833,406
<u>Investments Measured at Net Asset Value</u>				
Common Collective Trust				
Vanguard Retirement Savings Trust III				3,868,546
Total Investments at Fair Value				\$ 119,701,952

Investments at Net Asset Value

The Fund utilized NAV per share (or its equivalent), as a practical expedient, to measure fair value when the investment does not have a readily determinable fair value, and the net asset value is calculated in a manner consistent with investment company accounting. The fair value of the following investments was measured using NAV (or its equivalent):

	Fair Value 2025	Fair Value 2024	Redemption Frequency	Redemption Notice Period	Remaining Commitment	
					2025	2024
Vanguard Retirement Savings Trust III	\$4,117,020	\$3,868,546	Daily	Daily	\$ -	\$ -

The Vanguard Retirement Savings Trust III ("Trust") commenced operations in September 2001. The Trust's investment objective is to provide stability of principle and current income consistent with a 2 to 4-year average maturity. The Trust primarily consists of a diversified portfolio Investment Contracts ("Investment Contracts") issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments. The principal value of these assets is designed to remain stable regardless of stock and bond market fluctuations. The Trust is typically appropriate for investors who desire interest income and a stable share price. The Trust is designed for investors with a short-term investment horizon, specifically less than five years. The Plan's share of the net assets of the Trust is represented by shares which are valued daily. The Trust is audited by an independent public accounting firm on an annual basis.

Note 5 - Risks, Uncertainties, and Concentrations

Risks and Uncertainties

The Fund's assets include various investment securities, which are exposed to interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Concentrations

The Fund's cash deposits are with high quality financial institutions and at times may exceed the federally insured limit.

Note 6 - Transactions with Parties-in-Interest and Related Parties

Parties-in-Interest

Vanguard Fiduciary Trust Company ("VFTC"), a subsidiary of The Vanguard Group, Inc., provides recordkeeping and custodial services to the Plan. The Fund's entire investment portfolio, excluding the mutual fund noted below, is with products offered by Vanguard. Fees paid to VFTC during the years ended October 31, 2025 and 2024, amounted to \$83,058 and \$81,190, respectively.

Manning & Napier Advisors, Inc. provides custodial services for a proprietary mutual fund held by the Fund. The value of the mutual fund at October 31, 2025 and 2024, totaled \$761,362 and \$809,821, respectively. No direct fees were paid to Manning and Napier Advisors, Inc. in years ended October 31, 2025 and 2024.

Related Parties

Employees of the Local No. 41 I.B.E.W. Health Fund ("Health Fund") perform various administrative and clerical functions for the Annuity Fund. Shared expenses are allocated between the funds pursuant to an Administrative Services Agreement and are based on management estimates. Expenses charged to the Annuity Fund during years ended October 31, 2025 and 2024, amounted to \$110,958 and \$84,000, respectively. Amounts owed to the Health Fund in settlement of shared expenses totaled \$47,958 and \$21,000, at October 31, 2025 and 2024, respectively.

The Annuity Fund leases office space from Local 41 I.B.E.W Building Corporation, a related real estate holding company. The lease is for one year and automatically renews each year on February 1, unless terminated by either party with sixty (60) days prior written notice to the other party. The monthly lease was \$572 and totaled \$6,868 for each of the years ended October 31, 2025 and 2024.

Note 7 - Tax Status

The Fund's latest determination letter is dated May 21, 2015, in which the Internal Revenue Service stated that the Fund, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and is therefore exempt from Federal income taxes. The Trustees believe that the Fund, including amendments subsequent to the IRS determination, is currently designed and operated in compliance with the requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. Management believes that the Plan is no longer subject to income tax examination for the years prior to October 31, 2022.

Note 8 - Reconciliation with Form 5500

The accompanying financial statements, which are prepared in accordance with accounting principles generally accepted in the United States of America, calculate realized gains and losses on sales of securities and unrealized gains and losses (change in market value on securities held at year end) using historical cost. However, Form 5500, Annual Return/Report of Employee Benefit Plan, requires the calculation of such gains and losses to be measured based on revalued cost on Schedule H. Revalued cost is calculated based on the market value of a security on the first day of the fiscal year plus the cost of any current year purchases, less the beginning market value of any current year sales. In total, however, the calculation of gains and losses for financial statement purposes and the calculation for Form 5500 are the same.

In the statements of changes in net assets available for benefits, investment fees are offset against investment income. On Form 5500 Schedule H, such fees are included as administrative expenses.
