Independent Auditors' Report

To the Plan Administrator of
Ross Innovative Employment Solutions 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ross Innovative Employment Solutions 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ross Innovative Employment Solutions 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ross Innovative Employment Solutions 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ross Innovative Employment Solutions 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ross Innovative Employment Solutions 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ross Innovative Employment Solutions 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROSS INNOVATIVE EMPLOYMENT SOLUTIONS 401(k) PLAN
Notes to Financial Statements
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Ross Innovative Employment Solutions 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General - The Plan formed on February 1, 2019. The Plan is a contributory, defined contribution plan that covers employees of Ross Innovative Employment Solutions, (the “Company”). The Plan covers all employees of the Company who have completed two months of service and there is no age requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions - Each year, participants may contribute up to the maximum allowable limits set by the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make a discretionary contribution. Effective October 1, 2020, all employees share in the nonelective employer contribution regardless of service completed. The nonelective contribution will be allocated to all employees in the same proportion to the compensation of all employees for the year. Certain participants perform services under contracts subject to the Service Contract Act. Employer contributions to the Plan include Qualified Nonelective Contributions (QNECs) intended to satisfy fringe benefit requirements under applicable wage determinations. These contributions are nonforfeitable and are allocated to eligible participants in accordance with the terms of the Plan. Contributions are subject to certain limitations. The Plan allows participants to make rollover contributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations.

Participant Accounts - Individual accounts are maintained for each of the Plan’s participants to reflect the participant’s contributions and related Company matching contributions, as well as any discretionary contributions made by the Company. The benefit to which a participant is entitled is the benefit that can be provided from the participants’ vested account balance.

Vesting - Participants are always vested in the amount of participant contributions and rollovers made to the Plan. Effective October 1, 2020, participants are 100% vested in employer nonelective profit sharing contributions upon entering the Plan. Vesting in Company matching contributions and profit sharing contributions and related earnings are based on years of service with the Company, in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant’s account and bear interest at rates of 4.25% to 9.50%, which are commensurate with prime plus one percent. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits - On retirement, death, disability, or termination of service, a participant (or participant’s beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant’s vested account balance. The Plan also permits withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the Plan document.

Forfeitures - Forfeitures can be used to reduce Company contributions or to offset administrative expenses of the Plan. No forfeitures were used to reduce employer contributions for the years ended December 31, 2024 and 2023, respectively. Unallocated forfeitures at December 31, 2024 and 2023 were \$113,512 and \$18,375, respectively.

Notes to Financial Statements (Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Management Estimates - The preparation of financial statements in conformity with accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses are borne by the Company to the extent they are not paid by the Plan.

Date of Management's Review - Management has evaluated subsequent events subsequent to the statement of net assets available for benefits for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through May 5, 2026, which is the date these financial statements were available to be issued.

NOTE 3 - TRUSTEE CERTIFICATION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as to complete and accurate by the trustee.

Investments are currently held by Fidelity Management Trust Company in a combination of mutual funds. Upon enrollment in the Plan, a participant may direct employee contributions in any of the available investment options. These funds are credited with the actual earnings of the underlying investments and charged for Plan withdrawals and expenses. All investment earnings are from mutual funds.

	2024	2023
Investments at fair value	\$ 65,176,099	\$ 21,264,654
Notes receivable from participants	1,672,362	556,657
Investment income (loss):		
Interest and dividend income	1,447,475	468,176
Interest income on participant loans	120,176	27,906
Net appreciation in investments	6,108,223	2,434,591

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Fidelity Management Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Other parties in interest include Fidelity Investments Institutional that serves as the recordkeeper and Wellspring Financial Partners that serves as an advisor. Also, ClearPoint CPAs, PC serves as the auditor of the Plan.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the period presented.

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

ROSS INNOVATIVE EMPLOYMENT SOLUTIONS 401(k) PLAN
Notes to Financial Statements (Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Fair Value Measurements at December 31, 2024	
	Fair Value	Level 1
Mutual Funds	\$ 65,176,099	\$ 65,176,099
Total assets at fair value	\$ 65,176,099	\$ 65,176,099

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Fair Value Measurements at December 31, 2023	
	Fair Value	Level 1
Mutual Funds	\$ 21,264,654	\$ 21,264,654
Total assets at fair value	\$ 21,264,654	\$ 21,264,654

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in net appreciation in fair value of investments.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax exempt.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740, *Income Taxes*.

The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2024, 2023 and 2022.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements (Continued)

NOTE 9 - PLAN MERGERS

On January 1, 2024, a partial merger from BrightSpring Health Services Retirement Savings Plan occurred. The transferred net assets have been recognized in the accounts of the Plan as of January 1, 2024, at their balances as previously carried in the accounts of the BrightSpring Health Services Retirement Savings Plan. The changes in net assets of the combined plans are included in the accompanying statement of changes in net assets available for benefits. The total amounts transferred into the plan were \$28,579,945 in 2024.

On January 1, 2023, the Plan was amended to allow contributions from the following participating employers: Kaiser Group (DE), LLC dba Dynamic Workforce Solutions, Dynamic Workforce Solutions Texas, and Dynamic Educational Systems, Inc. Effective March 1, 2023, the Kaiser Group (DE), LLC 401(k) Savings Plan was merged into the Plan. Prior to the merger, the Kaiser Group (DE), LLC 401(k) Savings Plan covered eligible employees at The Kaiser Group (DE), LLC dba Dynamic Workforce Solutions, Dynamic Workforce Solutions Texas, and Dynamic Educational Systems, Inc. The transferred net assets have been recognized in the accounts of the Plan as of March 1, 2023, at their balances as previously carried in the accounts of the Kaiser Group (DE), LLC 401(k) Savings Plan. The changes in net assets of the combined plans are included in the accompanying statement of changes in net assets available for benefits. The total amounts transferred into the plan were \$8,242,925 in 2023.

NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS / PROHIBITED TRANSACTIONS

Certain participant contributions and loan repayments were not remitted to the Plan within the time frame prescribed by the Department of Labor's ("DOL") Regulation 29 CFR 2510.3-102 and, accordingly, constitute nonexempt prohibited transactions between the Plan and the Plan sponsor.

As of December 31, 2024, delinquent participant contributions totaled \$2,611,923, of which \$55,632 were corrected outside of the DOL's Voluntary Fiduciary Correction Program ("VFCP") and \$2,556,291 remained uncorrected as of year-end. These amounts are presented in the accompanying Schedule H, line 4a – Schedule of Delinquent Participant Contributions.

The Plan sponsor is responsible for remitting participant contributions and loan repayments to the Plan as soon as administratively feasible. Late remittances may result in lost earnings to participants. The Plan sponsor has evaluated the amounts due to the Plan, including applicable lost earnings, and is in the process of correcting the outstanding delinquent contributions.

In connection with these transactions, the Plan sponsor may be subject to excise taxes under Section 4975 of the Internal Revenue Code. The Plan sponsor intends to correct these prohibited transactions and file Form 5330, if applicable.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent to year-end, on April 1, 2026, the Workcare, Inc. Retirement Savings Plan was merged into the Plan. As a result of the merger, assets and participant account balances of the Workcare, Inc. Retirement Savings Plan were transferred to the Plan.

At the date the financial statements were available to be issued, the total amount of assets transferred and the related impact on the Plan's financial statements had not yet been fully determined.

Reasonable Cause Statement for Late Filing of Audit Report

The plan sponsor has made a good faith effort to comply with the Form 5500 filing requirements. The audit report required under ERISA §103(a)(3)(A) could not be completed by the filing deadline due to the complexity of recent Corporate Company and plan mergers and delayed transfer of records from prior plan administrators.

The plan sponsor has engaged an independent qualified public accountant and is working diligently with service providers to obtain and reconcile the necessary information. The audit will be completed and an amended Form 5500 with the audit report attached will be filed as soon as practicable.

The sponsor respectfully requests that these circumstances be considered reasonable cause for the late submission of the audit report.

The Plan Sponsor respectfully requests that any proposed penalties that could apply to the failure to attach an audit report at this time be abated. If you have any questions or are in need of additional information, please do not hesitate to contact me at 423-359-4208.

To Plan Administrator
Ross Innovative Employment Solutions 401(k) Plan

We have audited the financial statements of Ross Innovative Employment Solutions 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2024 and we will issue our report thereon dated May 5, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (financial information) by Fidelity, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 9, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Ross Innovative Employment Solutions 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Plan management’s estimates of the fair values of the Plan’s mutual fund investments are based on the quoted net asset values of the shares as reported by the funds. We evaluated the key factors and assumptions used to develop the fair value estimates of these investments in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors’ report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan’s financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

During the audit, delays were encountered in reconciling payroll to contributions submitted to Fidelity as a result of the Plan merger.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated May 5, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator and management of Ross Innovative Employment Solutions 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,
