Re:
CodeScience, Inc.
EIN 27-1479675
IQPA Waiver for Tax Years 2024 and 2025

To whom it may concern:

I am requesting a waiver for the IQPA requirement for CodeScience's final two Form 5500 filings. The company ceased operations in August of 2024, has been dissolved and is deeply insolvent. I understand this is an exception, so I'll provide some background below.

CodeScience was a software consultancy that was doing quite well until December of 2023. At that time, the company had a large client skip out on approximately 3.2M of accounts receivable. CodeScience immediately cut half of its staff late in December 2023. The 401k plan started 2024 with 133 participants. That number dropped significantly over the early months of 2024 due to layoffs.

In August of 2024 the company sold all of its assets in a fire sale and was left with ~7M in outstanding debt. At that time, most employees and plan assets were transferred to the 401k plan of the asset purchaser. In December of 2024, the company started the process to terminate the 401k plan. Going into 2025, the plan was down to 18 participants. All plan assets were distributed as of 3/10/25. I was out of the country from November 2024 to early April 2025 with limited internet access. I was unaware that the 2025 short year filing would be required prior to resolving the 2024 filing.

I submitted Form 5500 for 2024 in October 2025 and that was rejected by DOL for lack of an IQPA report. Despite the deep insolvency, I attempted to engage the previous auditor multiple times, but did not receive a response. In August of 2025, the company had also lost access to the detailed Paylocity payroll records that I understand would be required by an auditor.

At this point, CodeScience has ~5M in debts and ~5K in cash. That is about enough to pay the CPAs to file its final federal tax returns.

On the personal side, the process of shutting down a company that had employees in 30 plus states has been a grueling slog. At 3 to 5 tax accounts per state, it took me over a thousand

hours and ridiculous amounts of money over the past two years to clean up this mess. Over the past two years, I lost my company, my house and all of my assets. My mental health suffered greatly and I nearly committed suicide. I am out the other side of that now and just want to get the CodeScience chapter behind me.

One of the few remaining wind down items is satisfying the DOLs 5500 requirement. Having this administrative requirement and the prospect of fines and possibly personal liability feels cruel and capricious. I have tried to do everything right to the best of my ability. Under brutal circumstances, I saved as many jobs as I could, completing an orderly wind down and discharging of debts. The money simply doesn't exist to complete a pointless task for a dead company and a dead 401k plan. I just need this behind me.

In conclusion, I am requesting a waiver of the IQPA requirement on the terminating 401k plan due to the company's inability to pay for an IQPA audit.

Please don't hesitate to contact me if you have any questions.

Sincerely,

Mike Witherspoon
