Request for Waiver or Abatement of Penalties – Late Filing of Form 5500 for RBR Construction Inc. 401(k) Plan, Plan Year Ending 2022

Dear Sir or Madam:

I am writing as the former owner and plan administrator of the RBR Construction Inc. 401(k) Plan to respectfully request waiver or abatement of penalties related to the late filing of the Form 5500 for the plan year ending in 2022.

The failure to timely file for the 2022 plan year was not due to willful neglect, but arose from circumstances beyond my control despite my best efforts to meet my responsibilities as plan administrator. Several years earlier, I suffered a major, debilitating illness that left me disabled and significantly limited my ability to work and handle administrative matters, and RBR Construction Inc. ceased doing business in 2018 as a result of my illness and disability and has had no employees or payroll since mid 2017.

The week I received notice that the 2022 Form 5500 was ready for review and signature, My wife fell and broke her hip and was hospitalized for 2 days, after undergoing a full hip replacement. Post surgery she was placed in a Nursing rehabilitation center for an additional two and a half weeks. Needless to say, I spent most of my time at her bedside, traveling to and from the facility and preparing our house for her return. This unplanned incident totally upended our lives for several months until she recovered.

After the business closed, I continued, in good faith, to try to comply with my obligations relating to the 401(k) plan. I made repeated attempts to work with our third-party administrator, ADP, to terminate the plan and ensure that all required filings were completed. These efforts were complicated by past-due plan administration fees and collection activity, which created administrative confusion and contributed to the late filing for the 2022 plan year. As of now I have successfully engaged with ADP, filed the necessary application with ADP to terminate the RBR Construction Inc. 401(k) plan, and am actively working through their process to complete the plan termination and all related filings.

Despite these obstacles, I have done my best to correct the issue as soon as I became aware of it. My understanding is that the Form 5500 for the 2022 plan year has now

been prepared for filing (or has been filed) through EFAST2, and I am submitting that filing together with this reasonable cause explanation and request for penalty relief.

In light of my serious medical hardship, the cessation of business operations, the absence of any intent to avoid my responsibilities, and my ongoing efforts over several years to bring the plan into full compliance and terminate it properly, I respectfully request that the Department of Labor waive or substantially abate any civil penalties associated with the late Form 5500 filing for the 2022 plan year for the RBR Construction Inc. 401(k) Plan.

Thank you for your time, understanding, and consideration of my request. I am willing to provide medical or business records or any additional information that may assist in your review. Please contact me at [phone/email] if further details are required.

Sincerely,
Richard Ringo
Former Owner and Plan Administrator
