INDEPENDENT AUDITOR'S REPORT

To Trustees of Lebeouf Bros. Towing, L.L.C.
Employee Benefit Plan & Trust

Opinion

We have audited the accompanying financial statements of Lebeouf Bros. Towing, L.L.C. Employee Benefit Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of July 31, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended July 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statements of benefit obligations and net assets available for benefits of Lebeouf Bros. Towing, L.L.C. Employee Benefit Plan & Trust as of July 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended July 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lebeouf Bros. Towing, L.L.C. Employee Benefit Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lebeouf Bros. Towing, L.L.C. Employee Benefit Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lebeouf Bros. Towing, L.L.C. Employee Benefit Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lebeouf Bros. Towing, L.L.C. Employee Benefit Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements
July 31, 2025 and 2024

Note 1 - Description of the Plan

The Lebeouf Bros. Towing, L.L.C. Employee Benefit Plan & Trust provides medical and dental benefits covering eligible employees of the company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan provides benefits (medical, hospital, surgical, major medical, prescription, dental) that cover permanent, full-time employees that fall within the eligibility classifications and choose to participate following the employee waiting period. The employee waiting period for all Class I and Class II employees is satisfied at the first of the month following thirty and sixty days of full-time employment, respectively. The plan also provides continuation coverage as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for qualified beneficiaries who would otherwise have lost coverage under the plan. The plan does not have any post retirement obligations for benefits offered to retired employees or beneficiaries of retired employees.

The plan provides benefits through a funding arrangement that includes a trust, which is funded by the plan sponsor and/or the participating employees, and with insurance to protect the plan against unpredictable excess claims. Under the plan agreement, the company contributes in cash to the plan in a manner and at such time determined by a committee, which is a plan fiduciary. Employees contribute to the plan in order to participate. The employee contribution is based on the coverage elected by the participants (i.e. single, family, etc.) and their participant class. Former members covered under COBRA make contributions to the plan for continuation of health coverage.

Medical benefits are provided on a partially self-insured basis. The plan has purchased insurance contracts to protect the plan against excessive or unpredictable claims. The insurance contracts include specific loss provisions that cover claims in excess of \$200,000 for each individual covered under the medical plan. The insurance contracts also include aggregate loss provisions that cover the combined claims for all participants of the plan when the qualified claims for the plan year exceed a stated amount. The stated amount under the aggregate loss provisions was approximately \$6,780,510 at July 31, 2025.

Although it has not expressed the intent to do so, the company has the right to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. Funds contributed to the plan are irrevocably restricted for the use and provision of benefits to company employees.

The foregoing description of the plan provides only general information. Employees should refer to the Summary Plan Description & Plan Document for a more complete description of the plan's provisions.

Note 2 - Summary of Significant Accounting Policies

When applicable, quoted market prices are used to value investments. Certificates of Deposit are valued based on original cost plus accrual interest. Certificates of Deposit with a maturity of three months or less are treated as cash.

The obligation for claims incurred before the financial statement date, but not reported to the plan as of the end of year, is estimated on an overall basis based on prior loss experience and review of claims paid subsequent to plan year end. The obligation is determined based on the present value of the ultimate cost to settle the claims.

Note 3 - Fidelity Bonding Requirement

ERISA requires every fiduciary of an employee benefit plan and every person who handles funds of the plan to maintain fidelity bond coverage equal to 10% of the amount of plan assets. The trustee (fiduciary) does not maintain such a bond.

Note 4 - Tax Status

The Plan and Trust has not pursued tax exempt status. However, taxable income of the trust is defined in such a way that yields no significant tax liability for the current year. Accordingly, no tax liability or expense is reflected in the financial statements. The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan*, are subject to examination by the IRS, generally for three years after they are filed.

Note 5 - Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 6 - Reconciliation of Financial Statements to Form 5500

Add: Amounts payable at end of year	144,472
Less: Amounts payable at beginning of year	<u>(358,117)</u>
Benefits paid to participants per the Form 5500	\$ <u>5,547,319</u>

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to July 31, 2025, but not yet paid as of that date.

Note 7 - Fair Value Measurements

The fair value of financial instruments classified as assets or liabilities, including cash, sponsor contributions receivable, participant contributions receivable, insurance contributions receivable, prepaid expenses, refunds receivable, and benefit obligations approximate carrying value, principally because of the short maturity of those items.

Note 8 - Related Party Transactions

The plan sponsor paid \$293,797 in third party administrator fees and \$409,870 in reinsurance premiums on behalf of the Plan during the fiscal year ended July 31, 2025. The plan sponsor also paid \$12,000 in auditing fees on behalf of the Plan during the fiscal year ended July 31, 2025.

Note 9 - Concentrations of Credit Risk

The Plan maintains one bank account, of which the account balance is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, the Plan maintains a deposit balance that exceeds federally insured limits. Plan administration believes this risk is limited.
