Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **WITHUM SMITH+BROWN, PC**

(2) EIN: **22-2027092**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	342610
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	☐	☒	
e Was this plan covered by a fidelity bond?	☒	☐	1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	☐	☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	☐	☒

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Curtis Bay Energy, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the financial statements of Curtis Bay Energy, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 5, 2024, and the related statement of changes in net assets available for benefits for the period ended June 5, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of June 5, 2024, and for the period ended June 5, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Curtis Bay Energy, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Curtis Bay Energy, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the period ended June 5, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2023 Financial Statements

The financial statements of Curtis Bay Energy, Inc. 401(k) Retirement Plan as of December 31, 2023, were audited by Pannell Kerr Forster of Texas, P.C., who joined with WithumSmith+Brown, PC on June 1, 2025. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agreed to or is derived from the certified investment information, were presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of Curtis Bay Energy, Inc. 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Transfer to Another Plan

Effective as of June 5, 2024, the Plan merged with and into the Sharps Medical Waste Services 401(k) Plan. Plan assets of \$4,853,646 were transferred to the custodian of the Sharps Medical Waste Services 401(k) Plan, which included \$4,630,291 of investments, \$210,741 of notes receivable from participants, and \$12,614 of participant contributions receivable.

General

Curtis Bay Energy, Inc. ("Company") established the Plan effective on June 1, 1995. The Plan was a qualified retirement plan and was restated effective January 1, 2021, and amended effective January 1, 2024, to conform to new tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All non-excluded employees were eligible to participate and enter into the Plan when the employee had completed three consecutive months of service and had attained age 21. Excluded employees were leased employees, non-resident aliens, and subcontractors.

Contributions

Participants could elect to reduce their compensation and make contributions to the Plan on a pre-tax basis or after-tax basis (Roth). Federal law limited the amount a participant could elect to defer under the Plan; however, if a participant was age 50 or over, they could defer an additional amount as a catch-up contribution. Participants could elect to start, increase, reduce, or suspend their elections to contribute to the Plan each pay period. The Plan also included automatic contributions. After receiving a notice from the Company, a participant would be deemed to have made an elective deferral contribution election in the amount of 5% of their compensation. The amount of such automatic enrollment would increase by 1% up to a maximum of 10% of their compensation unless the participant opted out. The Plan could also accept a rollover contribution made on behalf of any eligible employee, regardless of whether such employee had met the age and service requirements of the Plan. In general, only rollover distributions from qualified plans and conduit IRAs were accepted by the Plan.

The Company could, in its sole discretion, make a matching contribution based on participants' elective deferrals. For 2024, the Company elected to match 25% of participants' contributions.

Participant Accounts

Each participant's account was credited with the participant's contributions, employer contributions, rollover contributions, and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that are paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants directed the investment of all of their accounts. A participant could direct the percentage of their accounts to be invested in one or more of the available investment securities. The Plan offered mutual funds and a fixed annuity as investment securities for participants. Participants could exchange/transfer money between investment securities at any time.

Vesting

Participants were immediately vested in their elective deferrals, rollover contributions, and actual earnings thereon. Participants were vested in their employer contributions and related earnings thereon in accordance with a two-year cliff vesting schedule.

Notes Receivable from Participants

Only active participants in the Plan could request a loan. The minimum loan amount that a participant could request was \$1,000. The maximum loan amount that a participant could request was \$50,000 reduced by the highest outstanding loan balance during the past 12 months, or 50% of their vested account balance, whichever was less. The loans were adequately secured and bore a reasonable rate of interest. Principal and interest payments were paid ratably through payroll deductions over a term of twelve to sixty months.

Payment of Benefits

Participants were entitled to receive a distribution from their accounts after they terminated employment. This included termination due to disability. The participant's account was distributed in a lump sum payment. A participant's account was payable in cash. The Plan included a force-out feature in which the Company would automatically distribute all vested account balances that did not exceed \$5,000. If the vested amount of the account exceeded \$5,000, the participant had to consent to any distribution from their account.

A participant could receive an in-service distribution after they reached age 59½ from all of their accounts. Participants could also receive a distribution on account of hardship, and they could receive a distribution from their rollover contribution account at any time.

Forfeited Accounts

As of December 31, 2023, forfeited nonvested accounts totaled \$10,379. These accounts were to be used to reduce future employer contributions. On June 5, 2024, the Plan transferred \$14,302 from forfeited nonvested accounts to another plan.

Plan Termination

Although the Company intended to maintain the Plan indefinitely, the Company could terminate the Plan at any time in its sole discretion. However, no such action could permit any part of Plan assets to be used for any purpose other than the exclusive benefit of participants and beneficiaries or cause any reduction in the participants' vested account balances.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Curtis Bay Energy, Inc. 401(k) Retirement Plan
Notes to Financial Statements
June 5, 2024

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through May 8, 2026, the date the financial statements were available to be issued.

3. CERTIFIED INVESTMENTS

Certain information in the accompanying financial statements related to investments and notes receivable from participants held as of June 5, 2024 and December 31, 2023, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the period ended June 5, 2024, was obtained by the Company and agreed to or derived from information certified as complete and accurate by both Empower Annuity Insurance Company of America ("EAICA") and Empower Trust Company, LLC.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Curtis Bay Energy, Inc. 401(k) Retirement Plan
Notes to Financial Statements

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 5, 2024 and December 31, 2023.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed annuity – Valued daily based on the valuation method disclosed in the annuity contract as calculated by EAICA. The inputs used by EAICA are generally considered obtainable/observable through the review of existing contracts and readily available financial information. EAICA determines and publishes the annuity's value and uses it as the basis for current participant transactions.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 5, 2024 and December 31, 2023:

	June 5, 2024		
	Level 1	Level 2	Total
Mutual funds	\$ -	\$ -	\$ -
Fixed annuity	-	-	-
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
	December 31, 2023		
	Level 1	Level 2	Total
Mutual funds	\$ 4,305,120	\$ -	\$ 4,305,120
Fixed annuity	-	147,670	147,670
Investments at fair value	<u>\$ 4,305,120</u>	<u>\$ 147,670</u>	<u>\$ 4,452,790</u>

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by EAICA and, therefore, those transactions qualified as party-in-interest transactions. Certain administrative functions were performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. In addition, the Plan provided for notes receivable from participants, which were party-in-interest transactions that were exempt from the prohibited transaction rules.

6. TAX STATUS

The IRS issued an opinion letter dated June 30, 2020, indicating that the pre-approved plan adopted by the Plan was in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan was amended subsequent to receiving the opinion letter, the Company believed that the Plan was designed, and was operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified and tax-exempt.

Notes to Financial Statements

GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. PROHIBITED TRANSACTIONS

During 2023 and 2022, the Company failed to remit to the Plan certain participant contributions and loan repayments totaling \$12,758 and \$329,852, respectively, within the period prescribed by the Department of Labor regulations. Delays in remitting participant contributions and loan repayments were due to administrative errors, and the Company is required to make contributions to the affected participants' accounts to compensate those participants for potential lost income due to the delays. The Company intends to enter into the Department of Labor's Voluntary Fiduciary Correction Program and is actively working with the Plan's service providers to complete the correction. Full correction, including compensation to participants for lost earnings, is expected by the end of May 2026.
