The age reported is the weighted average of the assumed retirement ages for all active participants as of the valuation date based on their funding target or target normal cost should the funding target of the plan be zero rounded to the nearest whole age. For an active late retiree, the assumed retirement age may be later than the Plan's normal retirement age. Each participant's rate of retirement is assumed to be 100% of his/her assumed retirement age.

My services were retained on behalf of the plan administrator by persons acting in a consulting capacity to the plan to provide the attached actuarial statement and opinion. The plan administrator should be aware that any enrolled actuary of his choice could be engaged to provide the necessary actuarial services.

My address and telephone number appear on the form Schedule SB to which this statement is attached. I will be available to discuss the actuarial status of the plan with the plan administrator at my normal rate of charge.

In providing the actuarial information and opinions contained in the Schedule SB and the attached descriptions of Actuarial Assumptions and Method I have relied upon the following:

1. That all census data and other information provided by the plan administrator relating to employees and participants are complete and accurate.
2. That the value of plan assets as reported by the plan administrator is correct and reflects the market value of the assets as of the valuation date.
3. That all reported transactions and contributions to the pension plan are correct, and furthermore, all contributions are made in cash only.
4. That the plan document submitted by the plan administrator is an accurate and complete statement of the plan as of the valuation date.

Furthermore, the actuarial statement does not imply any opinion as to the plan meeting the qualification requirements of the IRC, either in form or practice, nor as to the deductibility of employer contributions.

This statement is in accordance with Internal Revenue Service regulations, Section 301.6059-1(d)(1).
