Independent Auditors' Report

Board of Trustees
Cement Masons and Plasterers Local 518 Defined Contribution Plan
Kansas City, Missouri

Opinion

We have audited the financial statements of Cement Masons and Plasterers Local 518 Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of July 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of July 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Additional Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The additional Schedules of Administrative Expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the additional information is fairly stated in all material respects in relation to the financial statements as a whole.

Cement Masons and Plasterers Local 518 Defined Contribution Plan
Notes to Financial Statements
July 31, 2025 and 2024

1. Description of the Plan

The following description of Cement Masons and Plasterers Local 518 Defined Contribution Plan (the "Plan") provides only general information. Participants of the Plan should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a multiemployer defined contribution pension plan. The Plan was established effective April 1, 2000, under a collective bargaining agreement ("CBA") between Operating Plasterers and Cement Masons Local 518 (the "Union") and the participating employers (the "Employers") to provide retirement benefits to eligible participants and beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration of the Plan is the responsibility of the Board of Trustees (the "Trustees") and is governed by a joint board consisting of equal representation from the Employers and the Union.

Eligibility

An eligible employee automatically becomes a participant on the first day on which an Employer contribution is required on their behalf.

Contributions

Employers are required to make monthly contributions to the Plan for each of their employees in amounts as required by the applicable provisions of their respective CBA. Except for distributions from other qualified defined benefit or contribution plans, the Plan does not allow for employee contributions. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the Employer contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a collective trust fund as investment options. Contributions are automatically invested in a designated balanced fund until changed by the participant.

Notes to Financial Statements
July 31, 2025 and 2024

Vesting and Forfeitures

Participants are immediately vested in Employer contributions plus actual net earnings thereon. Amounts may be forfeited if certain criteria are met, as described in the summary plan description. Forfeited amounts may be used to reduce Plan expenses. At July 31, 2025 and 2024, forfeited accounts totaled \$92,354 and \$114,702, respectively.

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Participants may borrow from their accounts a minimum of \$1,000 up to the maximum equal to the lesser of \$40,000 or 30 percent of their vested account balance. The maximum number of loans available to any participant is one. The loans are secured by the balance in the participant's account and, prior to June 1, 2025, bore interest at rates as determined by the Trustees that ranged from the prime interest rate plus 3 percent to the prime interest rate plus 3.5 percent, depending upon the term of the loan. Effective June 1, 2025, the Plan amended its loan policy by consolidating its multiple loan interest rate structures into a uniform prime interest rate plus 3 percent as of the date the loan is approved. The loan repayment period is dictated by the plan document based on the original use of the funds. Principal and interest are paid ratably through payroll deductions withheld by the Employers.

Payment of Benefits

Prior to separation from service with the Plan, a participant may request a distribution of rollover contributions. In the event of a financial hardship, certain participant funds, as defined in the plan document, may be requested for distribution. In-service distributions may also be requested by participants who are at least age 59 1/2.

Upon attainment of normal retirement age, total disability, or death, the amount credited to a participant's account is payable in a lump sum or installments. Upon termination of employment for reasons other than retirement, total disability, or death, the participant's account balance will be distributed in a manner based on the value of the account.

Plan Management

CompuSys, Inc. ("CompuSys"), an employee benefit fund management company, was retained by the Trustees to administer the activities and operations of the Plan on a contractual basis. Under the management contract, all personnel costs and other normal administrative expenses related to bookkeeping and collections are borne by CompuSys. For the years ended July 31, 2024, the Plan paid CompuSys \$32,720. The contract with CompuSys was terminated effective June 30, 2024.

Effective July 1, 2024, the Plan has retained Wilson McShane Corporation ("WMS"), an employee benefit fund management company to administer the activities and operations of the Plan on a contractual basis. Under the management contract, all personnel costs and other normal administrative expenses related to bookkeeping and collections are borne by WMS. For the years ended July 31, 2025 and 2024, the Plan paid WMS

\$68,800 and \$27,503, respectively.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. As of July 31, 2025 and 2024, no allowance for credit losses has been recorded. Delinquent loans are treated as distributions based upon terms of the plan document.

Cement Masons and Plasterers Local 518 Defined Contribution Plan
Notes to Financial Statements
July 31, 2025 and 2024

Employer Contributions Receivables

Employer contributions receivables represent Employer contributions due to the Plan for hours worked prior to the end of the Plan year, but not yet received by year-end. Employer contributions receivables are reported at their outstanding balances, net of an estimate made for credit losses. Management estimates the allowance for credit losses by regularly evaluating individual Employer receivables and considers an Employer's financial condition, payment history, current economic conditions, and management's expectations of conditions in the future. Employer contributions receivables are written off when deemed uncollectible and collection enforcement efforts have failed to produce payments and additional efforts are not warranted. Management is of the opinion that no allowance for credit losses is necessary as of July 31, 2025 and 2024.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements in changes in net assets available for benefits.

Administrative Expenses

The Plan permits the payment of Plan expenses from Plan assets.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets. |
| Level 2 | Inputs to the valuation method to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The instruments' fair value measurement levels within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Cement Masons and Plasterers Local 518 Defined Contribution Plan
Notes to Financial Statements
July 31, 2025 and 2024

Following is a description of the valuation methodologies used for investments measured at fair value.

Level 1 investments consist of registered investment companies ("mutual funds"). Mutual funds are recorded at the closing price reported by the funds. The mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments also include a common collective trust fund. The common collective trust fund is valued at the NAV of shares of the bank collective trust held by the Plan at year-end. The NAV is based on the fair value of the underlying investments held by the trust. The NAV is used as the practical expedient to estimate fair value.

The fair value of investments is measured as of July 31, as follow:

2025				
	Fair Value Measurements			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 67,236,533	\$ 67,236,533	\$ -	\$ -
Total assets in fair value hierarchy	67,236,533	\$ 67,236,533	\$ -	\$ -
Investments measured at NAV	1,260,030			
	<u>\$ 68,496,563</u>			
2024				
	Fair Value Measurements			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 60,332,125	\$ 60,332,125	\$ -	\$ -
Total assets in fair value hierarchy	60,332,125	\$ 60,332,125	\$ -	\$ -
Investments measured at NAV	1,434,900			
	<u>\$ 61,767,025</u>			

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Cement Masons and Plasterers Local 518 Defined Contribution Plan
Notes to Financial Statements
July 31, 2025 and 2024

Investments measured at fair value based on NAV per share practical expedient as of July 31, are as follows:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>2025</u>				
Common collective trust fund	\$ 1,260,030	N/A	Daily	N/A
<u>2024</u>				
Common collective trust fund	\$ 1,434,900	N/A	Daily	N/A

4. Related Party Transactions

Employer contributions are collected through a lockbox account held by the Cement Masons and Plasterers Local 518 Health Care Fund (the "Health Care Fund") and remitted to the Plan and related benefit funds every few days. Amounts due from the Health Care Fund for contributions collected in the lockbox prior to the end of the year but not remitted until after year-end amounted to \$14,714 for the year ended July 31, 2024.

5. Plan Amendments

Effective August 1, 2024, the Plan was amended to institute a mandatory litigation venue for benefit claim appeals.

Effective August 1, 2024, the Plan issued an updated summary plan description to reflect all prior amendments to the Plan.

Effective June 1, 2025, the Plan amended its loan policy to revise the participant loan interest rate structure and allow for flexible distribution options and frequency options.

6. Plan Termination

Although they have not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination, the assets shall be used to provide benefits and pay administrative expenses. Participants' individual accounts will become non-forfeitable unless those benefits are already forfeited, due to a permanent break in service at the time of termination.

Notes to Financial Statements

7. Tax Status of Plan

The Internal Revenue Service has determined and informed the Trustees by a letter dated October 1, 2015, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. Management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

In accordance with GAAP, management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. Management has analyzed the tax positions taken by the Plan and has concluded that as of July 31, 2025 and 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. Management believes the Plan is no longer subject to income tax examinations for tax years prior to 2022. The Plan is also subject to routine audits by the Department of Labor, generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

8. Risks and Uncertainties

Concentrations of Credit Risks

Financial instruments that subject the Plan to concentrations of credit and market risk consist of cash, investments, and receivables. The Plan maintains its cash primarily with one financial institution. Deposits at this bank are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At July 31, 2025, there were cash balances of \$460,433 in excess of FDIC limits at the bank.

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Contributions

The majority of receivables are from Employers primarily located in or working in the Kansas City Metropolitan Area. The Plan generally does not require collateral, but in some cases can require a performance bond.

9. Subsequent Events

The Plan has evaluated subsequent events through April 30, 2026, the date the financial statements were available to be issued.

In August 2025, the Plan adopted a three year cliff vesting schedule for all participants starting August 1, 2025 and thereafter.
