INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries of the
Lexington Eye Associates, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the financial statements of Lexington Eye Associates, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of July 31, 2025, and the related statement of changes in net assets available for benefits for the year ended July 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of July 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 financial statements.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matters

2025 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of July 31, 2025 and schedule of delinquent participant contributions for the year ended July 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated January 17, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements July 31, 2025 and 2024

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Lexington Eye Associates, Inc. Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined contribution plan covering eligible employees of Lexington Eye Associates, Inc. and Lexington Eye Associates – Optical LLC (the "Company", "Plan Administrator", or "Employer"). Effective August 1, 2022, the Plan was amended to allow the years of service with Dedham Ophthalmic Consultants and Surgeons, P.C. to be recognized for the purposes of eligibility, vesting and allocations. The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment options and monitors investment performance. Employees are eligible to participate in the Plan on the first day of the month coinciding with or following the date the eligibility requirements have been met. An employee becomes eligible to participate in the Plan following one year of service, as defined in the Plan, and attained the age of eighteen. The Plan was adopted by the Company on July 1, 1974. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The custodian of the Plan is Capital Bank and Trust Company and the recordkeeper is Capital Group Retirement Plan Services.

[2] Contributions:

Each year, participants may make pre-tax elective contributions and Roth 401(k) contributions equal to a percentage of the contributing participant's eligible compensation, as defined by the Plan. Each participant may contribute up to 100% of their compensation into the Plan each year subject to certain Internal Revenue Service ("IRS") limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make annual "catch-up" contributions. Participants may also rollover amounts distributed or transferred from other eligible retirement plans. Participants direct the investment of deferrals, rollovers, and Company contributions into various investment options offered by the Plan.

On behalf of each participant who is eligible to share in matching contributions for the Plan year, the Employer may make a discretionary matching contribution equal to a uniform percentage (to be determined each year by the Employer) of each participant's elective deferrals. No employer discretionary matching contributions were made for the year ended July 31, 2025. The Employer may make a discretionary matching and/or profit sharing contribution to Plan participants who have completed a year of service during the Plan year and were employed on the last day of the Plan year. These conditions are waived for participants who have terminated during the Plan year due to death, disability, or who have attained the normal retirement age. Such contribution will be allocated to the account of each eligible participant in the proportion that each individual participant's compensation bears to the total compensation of all participants. For the years ended July 31, 2025 and 2024, the profit-sharing contribution totaled \$472,018 and \$459,334, respectively, and is included in the employer contributions receivable on the statements of net assets available for benefits.

The Employer may make a safe harbor nonelective contribution equal to 3% of each participant's compensation for a Plan year. Nonelective safe harbor contributions are 100% vested. For the years ended July 31, 2025 and 2024, the nonelective safe harbor match contribution totaled \$372,374 and \$364,825, respectively, and is included in the employer contributions receivable on the statements of net assets available for benefits.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[3] Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

[4] Vesting:

Participants are immediately vested in their contributions and nonelective safe harbor contributions, plus earnings thereon. Vesting in the employer profit-sharing and discretionary matching contributions of their accounts, plus actual earnings thereon is based on years of credited service. Vesting in the Company's employer profit sharing and discretionary matching contributions portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
0 - 1 year	0%
2 years	0%
3 years	100%

A participant who attains normal retirement age or who becomes disabled or dies will be considered 100% vested.

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are scheduled to mature within five years. The loans are secured by the balance in the participant's account and bear interest at a rate dependent on the prime rate plus 1%. Interest rates on outstanding loan balances range from 7.25% to 9.50% and 4.25% to 9.50% at July 31, 2025 and 2024, respectively. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

[6] Payment of benefits:

Upon a disability, retirement, or termination of employment with the Company for any reason, the participant will be entitled to receive a lump-sum, partial payment, or installment distribution of the total vested portion of his or her account. The Plan may automatically make distributions to terminated participants, without their consent, if the value of their vested account balances does not exceed \$7,000, and if such amount is at least \$1,000, such amount will be rolled over to an individual retirement account if the participant does not make an affirmative election to either receive or rollover the distribution. Vested account balances of \$1,000 or less may be distributed in cash without participant consent. Upon the death of a participant, the participant's vested account balance is distributed to the designated beneficiary in accordance with the terms of the Plan. Distribution timing and form depend on beneficiary status, with extended payment options available for a surviving spouse.

Active participants may take a distribution from the vested portion of their account if they are at least age 59½.

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[7] Forfeitures:

Forfeited nonvested accounts may be used to reduce future Company contributions and pay Plan expenses. During the year ended July 31, 2025, forfeitures of \$20,387 were used to reduce the nonelective safe harbor match contribution. Forfeited nonvested accounts available at July 31, 2025 and 2024 were \$28,925 and \$7,630, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

[2] Subsequent events:

The Plan has evaluated subsequent events through May 14, 2026, the date the financial statements were available to be issued.

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value except for the insurance contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[4] Payment of benefits:

Benefits are recorded when paid.

[5] Plan expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation in value of investments.

[6] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements July 31, 2025 and 2024

NOTE C - INVESTMENT CERTIFICATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Capital Bank and Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of certain investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of July 31, 2025 and 2024, the statement of changes in net assets available for benefits for the year ended July 31, 2025 and the accompanying supplemental schedule of assets (held at end of year) as of July 31, 2025.

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of July 31, 2025 and 2024.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements July 31, 2025 and 2024

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of July 31, 2025 and 2024:

	Investment Assets at Fair Value as of July 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 39,609,870	\$ -	\$ -	\$ 39,609,870
Total investments at fair value	<u>\$ 39,609,870</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 39,609,870</u>

	Investment Assets at Fair Value as of July 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,470,677	\$ -	\$ -	\$ 36,470,677
Total investments at fair value	<u>\$ 36,470,677</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 36,470,677</u>

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE E - CASH VALUE OF LIFE INSURANCE POLICIES

The Plan permits the purchase of life insurance contracts using participants' account balances, subject to approval by the Plan Administrator and applicable Plan limitations. The Trustee is the owner and beneficiary of such policies, with proceeds allocated to the participant's account and distributed to designated beneficiaries in accordance with Plan provisions. The life insurance policies are recorded at their cash surrender value, which represents the amount that would be realized upon termination of the contract. These policies are recorded in the statements of net assets available for benefits at their cash surrender values which totaled \$85,746 and \$77,835 at July 31, 2025 and 2024, respectively. Upon the death of a participant, the proceeds from the life insurance policy are payable to the designated beneficiary and are not retained as assets of the Plan. As of July 31, 2025 and 2024, the life insurance policies face value totaled \$111,522 and \$116,316, respectively.

NOTE F - TAX STATUS

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by The Angell Pension Group Inc. On June 30, 2020, the IRS stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt.

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements July 31, 2025 and 2024

NOTE F - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in shares of registered investment companies managed by Capital Bank and Trust Company and its affiliates, the custodian of the Plan, and therefore these transactions are regarded as party-in-interest transactions.

For the year ended July 31, 2025, the Plan incurred fees of \$70,392 for recordkeeping, investment advisory, and third-party administrative services provided by Capital Group Retirement Plan Services, Moneta Group Investment Advisors, LLC, and The Angell Pension Group, Inc., respectively. As these service providers are parties-in-interest to the Plan, the related transactions represent party-in-interest transactions.

The Plan participates in revenue-sharing arrangements under which the custodian receives payments from mutual fund providers for services provided to the funds. Such amounts are used to offset Plan administrative expenses. Any excess revenue-sharing amounts are remitted to the Plan in accordance with the service agreement and may be used to pay Plan expenses or allocated to participant accounts. During the Plan year ended July 31, 2025, \$107 was received from the custodian and is reflected as a reduction in administrative expenses in the statement of changes in net assets available for benefits. The account balance as of July 31, 2025 and 2024 was \$116 and \$9, respectively.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at July 31, 2025 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE I - MUTUAL FUND FEES

Certain investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

LEXINGTON EYE ASSOCIATES, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements July 31, 2025 and 2024

NOTE J - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions.

NOTE K - NONEXEMPT PARTY-IN-INTEREST TRANSACTION

Prohibited transaction for late remittances:

During the year ended July 31, 2024, it was discovered that certain amounts withheld were not timely remitted to the Plan. The Plan Administrator deposited \$3 representing lost earnings into the Plan on September 9, 2025, in order to make the affected participants whole.

NOTE L - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 at July 31:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 40,755,898	\$ 37,503,382
Deemed loan distributions	<u>(2,821)</u>	<u>(2,695)</u>
Net assets per Form 5500	<u>\$ 40,753,077</u>	<u>\$ 37,500,687</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements for the year ended July 31, 2025 to Form 5500:

Net increase per the financial statements	\$ 3,252,516
Change in deemed loan distributions	<u>(126)</u>
Net income per Form 5500	<u>\$ 3,252,390</u>

In the financial statements of the Plan, delinquent loans remain as assets of the Plan until a distributable event occurs. Upon withdrawal for the Plan, deemed loans are applied against the participant's distribution. However, for the Form 5500 reporting purposes, delinquent loans are removed from Plan assets and reported as a benefit paid to the participant.

NOTE M - SUBSEQUENT EVENT

The Plan Administrator adopted an amendment to the Plan effective January 1, 2026. The amendment implements mandatory Roth provisions in accordance with legislative requirements. Specifically, the amendment allows for In-Plan Roth Rollovers and Transfers, subject to the Plan's distribution and in-service withdrawal rules.
