## Independent Auditor's Report

To the Participants and Plan Administrator of the  
Crosspoint, Inc. 401(k) Plan  
San Antonio, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of the Crosspoint, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the 2021 financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of the  
Crosspoint, Inc. 401(k) Plan

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Management's Responsibilities for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit for the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore there is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.

To the Participants and Plan Administrator of the  
Crosspoint, Inc. 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

***2021 Supplemental Information Required by ERISA***

The supplemental information listed in the index as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Participants and Plan Administrator of the  
Crosspoint, Inc. 401(k) Plan

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

Predecessor auditors performed an audit of the 2020 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2020 supplemental schedule, other than the information in the 2020 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2020 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

#### **Note 1 – Plan Description**

The following description of the Crosspoint, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan’s provisions.

#### ***General***

The Plan is a defined contribution 401(k) plan that provides retirement savings benefits to eligible employees of Crosspoint, Inc. (the “Company” or “Employer”). The Plan commenced effective January 1, 2013, and was amended and restated effective August 20, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”).

#### ***Plan Custodian and Trustees***

John Hancock Life Insurance Company (U.S.A.) (“John Hancock,” or the “Custodian”) is the Plan Custodian and The Retirement Advantage serves as the recordkeeper. The Custodian maintains custody of all investments held by the Plan. Among other duties, the Custodian receives contributions, holds and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Plan Administrator. The recordkeeper maintains the Plan’s participant account balances and provides recordkeeping services to the Plan. Certain employees of the Company serve as the Plan’s trustees.

#### ***Eligibility and Plan Entrance Date***

All employees of the Company, excluding union employees, leased employees, and non-resident aliens, are eligible to participate in the Plan upon their first day of employment.

#### ***Participant Contributions***

Participants may elect to contribute, on a pre-tax basis, up to 100% of their eligible compensation as defined by the Plan, subject to the annual deferral limit established by the IRC, which was \$19,500 for 2021. Participants who have attained 50 years of age before the end of the Plan year are eligible to make catch-up contributions of up to the maximum amount allowed annually under the IRC, which was \$6,500 for 2021.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollovers”).

#### ***Employer Contributions***

The Plan provides for discretionary Employer matching contributions and discretionary profit-sharing contributions. Prior to March 16, 2021, the Employer matched 100% of the first 2% of each participant’s eligible compensation contributed to the Plan as employee contributions. Effective March 16, 2021, the Employer matched 100% of the first 3% of each participant’s eligible compensation contributed to the Plan as employee contributions. For participants that do not receive a full Employer match each year, the Company makes a year-end “true-up” contribution to provide such participants with the match they would have received had the timing of their contributions not limited the Company match. Employer matching contributions totaled \$45,576 for the year ended December 31, 2021.

The Company may also make discretionary profit-sharing contributions. For the year ended December 31, 2021, the Company contributed amounts equal to 4% of eligible compensation for government contract employees and 3% for non-government contract employees totaling \$135,396.

#### Note 1 – Plan Description (continued)

##### ***Participant Accounts***

Each participant account is credited with the participant's contributions, Employer contributions, allocations of Plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### ***Vesting***

Participants are 100% vested immediately in their pre-tax deferred and after-tax contributions, rollovers, and any income or loss thereon. Participants employed on or after April 1, 2020, are also immediately 100% vested in Employer matching contributions and discretionary profit-sharing contributions plus actual earnings thereon.

For participants who terminate employment prior to April 1, 2020, the Plan provides for a two-year cliff vesting schedule. Under this schedule, participants became fully vested in Employer contributions, upon completing two years of credited service; participants with fewer than two years of credited service were not vested in such contributions.

##### ***Participant-Directed Investments***

All assets of the Plan are participant-directed investments. The Plan has selected various investment options, as more fully described in the Plan Document, and participants have the option to direct the allocation of their account balance to one or more of these options. The investment options vary in types of investments, rates of return, and investment risk.

##### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have two outstanding loans at a time. Notes receivable from participants are secured by the balance in the participant's account and bear interest at 1% above Prime, as defined. Principal and interest are paid ratably through payroll deductions at least quarterly.

##### ***Payment of Benefits***

Upon separation of service due to death, disability, or normal retirement, a participant with a vested balance exceeding \$5,000 may elect to receive a lump sum payment from the vested portion of their account balance. Distributions to a terminated employee with a vested account balance equal to or less than \$5,000 are made as a lump sum distribution as soon as administratively possible following the participant's termination of employment. The participant may elect whether to receive the distribution directly or to rollover the distribution into another retirement plan. If the vested account balance is less than or equal to \$1,000, the Plan permits involuntary lump sum cash distributions. A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 ½.

##### ***Forfeited Accounts***

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$10,199 and \$9,661, respectively. These accounts will be used to reduce future Employer contributions or to pay administrative expenses.

#### **Note 2 – Summary of Significant Accounting Policies**

##### ***Basis of Accounting***

The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

##### ***Use of Estimates***

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

##### ***Reclassifications***

Certain reclassifications have been made to the 2020 financial statement to conform to the 2021 financial statement presentation. These reclassifications had no effect on changes in net assets available for benefits.

##### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

##### ***Payment of Benefits***

Benefit payments are recorded when paid.

##### ***Administrative Expenses***

Certain expenses for maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses specifically incurred by, or attributable to, a participant will be paid from that participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

#### Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- **Pooled Separate Accounts** – Valued using the net asset value (“NAV”) of units held by the Plan at year-end as provided by John Hancock. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee and is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations are carried out in an orderly business manner. Participant transactions (purchases and sales) may occur daily, and there are no significant restrictions on participant redemptions or any unfunded commitment.

#### Note 3 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

|                                 | Assets at Fair Value as of December 31, 2021 |         |         |              |
|---------------------------------|--|---------|---------|--------------|
|                                 | Level 1                                      | Level 2 | Level 3 | Total        |
| Investments measured at NAV (a) | \$ -   | \$ 5    | \$ -    | \$ 2,148,933 |
| Investments at fair value       | \$ -   | \$ 5    | \$ -    | \$ 2,148,933 |

  

|                                 | Assets at Fair Value as of December 31, 2020 |         |         |              |
|---------------------------------|--|---------|---------|--------------|
|                                 | Level 1                                      | Level 2 | Level 3 | Total        |
| Investments measured at NAV (a) | \$ -   | \$ -    | \$ -    | \$ 2,085,003 |
| Investments at fair value       | \$ -   | \$ -    | \$ -    | \$ 2,085,003 |

(a) In accordance with ASC 820-10, certain investments (pooled separate accounts) that were measured at NAV per share (or its equivalents) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

#### Note 4 – Information Prepared and Certified by the Plan's Custodian

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.) has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate:

| <u>December 31,</u>                | <u>2021</u>  | <u>2020</u>  |
|------------------------------------|--------------|--------------|
| Investments at fair value          | \$ 2,148,933 | \$ 2,085,003 |
| Non-interest bearing cash          | 10,199       | 9,661        |
| Notes receivable from participants | 24,938       | 57,669       |

  

| <u>Year Ended December 31,</u>                        | <u>2021</u> |
|---|-------------|
| Net appreciation in fair value of investments         | \$ 328,987  |
| Interest income on notes receivable from participants | 1,919       |

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

#### Note 5 – Related Party and Party-in-Interest Transactions

The Plan holds units of pooled separate accounts managed by the Custodian; therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers.

The Plan has notes receivable from participants as of December 31, 2021 and 2020. These receivables and all related transactions qualify as party-in-interest transactions and are exempt from being prohibited by ERISA.

## **Crosspoint, Inc. 401(k) Plan**

### **Notes to the Financial Statements December 31, 2021 and 2020**

---

#### **Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contributions.

#### **Note 7 – Tax Status**

The Plan adopted a non-standardized, preapproved profit-sharing plan sponsored by The Retirement Advantage, Inc. (“TRA”). The Internal Revenue Service (“IRS”) has determined and informed TRA by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has not filed individually with the IRS for a letter regarding the Plan’s qualified tax status, however the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, and thus believes that the Plan is qualified, and the related trust is tax-exempt and no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

#### **Note 9 – Prohibited Transactions**

The Employer failed to remit to the Plan’s Custodian certain participant contributions and loan repayments totaling \$30,420 within the period prescribed by the Department of Labor’s Rules and Regulations. Delays in remitting contributions and loan repayments to the Custodian were due to unintentional administrative errors. The Company is in the process of correcting contributions to the affected participants’ accounts to compensate those participants for potentially lost earnings due to the delays. During 2021, the Company corrected \$23,360 of these contributions and remitted potential lost earnings due to the delays.

| Net income per Form 5500   | <u>\$ 31,737</u> |

#### Note 11 – Subsequent Events

The Company has evaluated subsequent events through April 1, 2026, the date the financial statements were available to be issued.

Effective February 1, 2025, the Plan was amended to include an automatic enrollment feature. Eligible employees are automatically enrolled at 3% of eligible compensation unless they affirmatively elect not to participate. The Plan also includes an automatic escalation feature where participants with a deferral rate greater than 0% have their deferral rate increased by 1% annually until their deferral rate reaches 8%, unless the participant elects otherwise. In addition, the Plan entry date changed from immediately upon the first day of employment to the first day of each month after satisfying the eligibility requirements.

Subsequent to year end, the Plan Sponsor identified operational errors related to the administration of participant salary deferrals and the application of the Plan's definition of compensation. Specifically, certain eligible participants were not provided the opportunity to make elective deferrals in accordance with the terms of the Plan, resulting in missed deferral opportunities. In addition, certain forms of compensation, including bonuses, paid time off, and holiday pay, were improperly excluded from the calculation of participant deferrals.

The Plan Sponsor is in the process of correcting these errors in accordance with applicable IRS and DOL correction programs. The correction is expected to include making qualified nonelective contributions ("QNECs") to affected participants' accounts, as well as related earnings and any applicable matching contributions.

#### **Note 11 – Subsequent Events (continued)**

As of December 31, 2021, the Plan recorded an estimated receivable from the Plan Sponsor of \$17,340 for corrective contributions in the accompanying statement of net assets available for benefits. Management believes that the correction of these operational errors will not adversely affect the Plan's tax-qualified status.
