INDEPENDENT AUDITOR'S REPORT

Trustees and Plan Administrator
Lorain County Community Action Agency 403(b) Thrift Plan
Lorain, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Lorain County Community Action Agency 403(b) Thrift Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 31, 2025 and 2024; the related statement of changes in net assets available for benefits for the year ended July 31, 2025; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Mutual of America Life Insurance Company and Voya Retirement Insurance and Annuity Company as of July 31, 2025 and 2024, and for the year ended July 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP)
- The information in the accompanying financial statements related to assets held by and certified to by Mutual of America Life Insurance Company and Voya Retirement Insurance and Annuity Company agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of July 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

LORAIN COUNTY COMMUNITY ACTION AGENCY
403(b) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – PLAN DESCRIPTION

The following description of Lorain County Community Action Agency 403(b) Thrift Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Lorain County Community Action Agency (the “Company” or “Agency”) who have one year of service (consisting of at least 1,000 hours) and are age 18 or older. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). The Plan was originally referred to as the “LCCAA Tax Deferred Annuity Plan” when it was established in August 1994.

Any employee 18 years of age or older with 240 service hours is eligible to defer a portion of their compensation into the Plan.

Contributions

Employees may elect to contribute, through the 403(b) feature, a percentage of their base salary or a fixed dollar amount each period, not to exceed the maximum amount permitted by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employees may elect to have their contributions invested in various investment options administered by the Plan’s trustee. The employer matches the employee’s contributions equal to the lesser of 50 percent of each participant’s annual salary reduction contribution, or 5.0 percent of compensation for those employees that are 18 years of age or older. The Agency also provides annual contributions that consist of employer-based contributions totaling 2.5 percent of each participant’s annual compensation.

Participant Accounts

Participants direct investment allocations into the available funds for all contributions made to the Plan. Each participant’s contribution and allocations of the Agency’s contribution and Plan earnings and are charged with an allocation for administrative expenses. Investment earnings are allocated to participant’s pro-ratably based on the ratio of each participant’s account beginning balance, adjusted for distributions, to the total beginning balance.

Vesting

Participants are immediately vested in their contributions and all employer contributions plus actual earnings thereon. Consequently, there are no forfeitures.

Payment of Benefits

The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. Benefits are payable in lump-sum payments or annuity contracts.

NOTE 1 – PLAN DESCRIPTION (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The Plan Administrator believes all notes are fully collectible and, accordingly, no allowance for credit losses is required.

Administrative Costs

A significant portion of administrative costs of the plan are paid directly by the Plan sponsor, Lorain County Community Action Agency.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully-benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Executive Committee determines the Plan's valuation policies utilizing information provided by the issuers and the custodian. See Note 9 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

LORAIN COUNTY COMMUNITY ACTION AGENCY
403(b) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans bear interest on the unpaid principal and must be repaid within five years, unless the loan is used to acquire a principal residence, then the Plan Administrator may permit a longer repayment term. Interest is payable at a rate equal to 1 percent above the prime rate. Principal and interest are paid through weekly payroll deductions. Loans may be requested for hardship purposes only.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 3 – INVESTMENTS

The Plan investments were administered by Mutual of America Life Insurance Company and Voya Retirement Insurance and Annuity Company (Custodians) as of July 31, 2025. The following is a summary of the investment information as of July 31, 2025 and 2024, and for the year ended July 31, 2025, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians that information provided to the Plan Administrator related to the following investments is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedule, related to investments:

LORAIN COUNTY COMMUNITY ACTION AGENCY
403(b) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 4 – GUARANTEED ANNUITY INSURANCE CONTRACT

The Plan has a benefit-responsive guaranteed annuity insurance contract with Voya Retirement Insurance and Annuity Company. Voya Fixed Account (4550), Voya Fixed Plus Account (4564), Voya Short-Term GAA, and Voya Long-Term GAA are available through a rider to Voya Retirement Insurance and Annuity Company's group annuity contract. The Plan's Voya Fixed Account (4550), Voya Fixed Plus Account (4564), Voya Short-Term GAA, and Voya Long-Term GAA's contract value is a general liability against Voya Retirement Insurance and Annuity on the Plan's behalf. Voya Fixed Account (4550), Voya Fixed Plus Account (4564), Voya Short-Term GAA, and Voya Long-Term GAA are insurance contracts in which contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity at contract value is available for participant contributions and withdrawals.

Because the guaranteed annuity insurance contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed annuity investment contract. The guaranteed annuity insurance contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value in arriving at the net assets available for benefits.

The crediting interest rate is subject to a minimum rate provision but may never fall below 4 percent after deductions for any expenses.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. The Plan Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 6 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2017, that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Management of the Plan is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of July 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

LORAIN COUNTY COMMUNITY ACTION AGENCY
403(b) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Participant loans held by the Plan reflect party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensations from the Plan. Lorain County Community Action Agency absorbs all costs incurred in relation to the administration of the Plan. Such costs amounted to \$7,550 for the year ended July 31, 2025.

NOTE 8 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership in an entity, or a contract that creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. If quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument. Investments and notes receivable from participants would be considered financial instruments. At July 31, 2025, the carrying amount of these financial instruments approximates fair values. The fair value of notes receivable from participants is based on amortized cost, which approximates fair value.

NOTE 9 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

- *Level I:* Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- *Level II:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- *Level III:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

LORAIN COUNTY COMMUNITY ACTION AGENCY
403(b) THRIFT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 9 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: Primarily valued at the net asset value (NAV) of the underlying investments.

The following tables summarize the investments that are measured at fair value, based on the NAV per share, as of July 31, 2025 and 2024. In accordance with subtopic 820-10, certain investments measured at net asset value per share are not required to, and have not been, classified in the fair value hierarchy:

July 31, 2025				
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts \$	2,985,236 \$	-	Immediate	None
July 31, 2024				
	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts \$	2,719,063 \$	-	Immediate	None

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 11 – SUBSEQUENT EVENTS

Management has reviewed events occurring through May 15, 2026, the date that the financial statements were issued, and no subsequent events have occurred requiring disclosure.
