Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of OAC Services Inc. 401(k) Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of July 14, 2025 and December 31, 2024, the related statements of changes in net assets available for benefits for the period from January 1, 2025 through July 14, 2025 and the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of July 14, 2025 and for the period from January 1, 2025 through July 14, 2025 and as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of a Matter

As discussed in Note 1 to the financial statements, as of July 14, 2025 the plan assets and liabilities of the OAC Services 401(k) Plan were merged into the Consortus, Inc 401(k) Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - DESCRIPTION OF PLAN

The following description of the OAC Services Inc. 401(k) Plan (the "plan") provides only general information. Participants should refer to the plan document or Summary Plan Description for a more complete description of the plan's provisions, which are available from the plan administrator.

GENERAL

The plan is a defined contribution plan covering substantially all full-time employees of OAC Services, Inc., the plan sponsor, who are age 18 or older. Union employees, residents of Puerto Rico and non-resident aliens with no income from U.S. sources are not eligible to participate in the plan. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan is administered by the plan sponsor's 401(k) Administrative Committee. The committee has overall responsibility for the operation and administration of the plan. The committee determines the appropriateness of the plan's investment offerings, monitors investment performance and reports to the plan sponsor's board of directors.

PLAN MERGER

On July 14, 2025, the OAC Services 401(k) Profit Sharing Plan and Trust was merged into the Consertus, Inc. 401(k) plan. As a result of the merger, all assets and liabilities of the OAC Services 401(k) Profit Sharing Plan and Trust were transferred into the Consertus, Inc. 401(k) plan, and all participant account balances were transferred on a fully vested basis. The merger was undertaken to streamline plan administration and enhance benefits offered to participants. No significant changes to participants' rights or benefits resulted from the merger. The plan transfer was completed as of July 14, 2025. The liquidation basis of accounting was not applied for the period of January 1, 2025 through July 14, 2025 due to the participant accounts being transferred into another qualified plan.

CONTRIBUTIONS

Participants may contribute a percentage up to 60% of eligible annual compensation, not to exceed the annual dollar limitation defined by the Internal Revenue Code, as defined in the plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Additionally, the plan includes an auto-enrollment provision where all newly eligible employees are automatically enrolled in the plan unless they formally elect not to participate. The auto-enrollment deferral rate is set at 5% of the participant's eligible compensation and increases 1% per year to a maximum of 8%. Participants may also contribute amounts representing rollover distributions from other qualified plans.

Additionally, participants may make additional after-tax contributions. After-tax contributions are limited to 10% of eligible compensation and subject to special Internal Revenue Code rules which must be satisfied. These contributions may be returned to the participant if they create an adverse effect on the plan's non-discrimination tests.

The company, at its discretion, may make a matching contribution up to 5% of the participant's eligible compensation. The company made discretionary matching contributions based on 3.5% of the participant's eligible compensation for the respective plan year. The company may also, at its

discretion, make profit sharing contributions. The company made matching contributions of \$606,355 for the year ended December 31, 2024.

The company may make discretionary nonelective contributions. Participants must complete at least 1,000 hours of service during the plan year and be employed as of the last day of the plan year to be eligible to receive these contributions. There were no nonelective contributions for the periods ended July 14, 2025 and December 31, 2024. Contributions are subject to certain Internal Revenue Code limitations.

PARTICIPANT INVESTMENT OPTIONS

Upon enrollment in the plan, participants are able to direct their contributions, including company contributions, among multiple investment account options. Investment options were shares of mutual funds and self-directed brokerage accounts held by Fidelity Management Trust Company. Each investment option had its own investment strategy, which was obtained through the prospectus of the respective fund. Participants may change their investment options daily. There are no nonparticipant directed investments.

Contributions may be held as cash balances prior to the execution of the investment according to the participant's direction.

PARTICIPANT ACCOUNTS

Each participant account is credited with the participant's contribution, the company's contributions, if any, the allocation of plan earnings and losses and any related investment and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary contributions and discretionary company contributions plus actual earnings thereon. A participant becomes 100% vested after three years of service for non-elective employer contributions.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant with a balance in excess of \$5,000 may elect to receive either a single lump-sum distribution equal to the value of the participant's vested interest in his or her account. For termination of employment due to other reasons, a participant with a balance in excess of \$5,000 may elect whether to receive a lump-sum distribution or roll over the vested interest in his or her account into another qualified plan. Participants with a vested balance between \$1,000 and \$5,000 will be automatically distributed to an individual retirement account in their name. Participants with a vested balance under \$1,000 must receive the distribution in a lump sum upon termination.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years. If used to acquire a principal residence the plan administrator can permit a longer repayment

period. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator and is fixed over the life of the loan. The plan requires repayment on the loan obligation ratably through payroll deductions.

HARDSHIP AND IN-SERVICE WITHDRAWALS

Participants are permitted to withdraw, in a single lump sum, the vested portion of their employee deferral contributions and company profit sharing contributions under certain conditions. These conditions include unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of post-secondary education tuition, the payment of funeral expenses or casualty losses or to prevent eviction or foreclosure from the participant's principal residence.

Participants over 59 ½ years old may elect to withdraw all or a portion of their entire vested account balance while they are still employed by the company.

FORFEITURES

Forfeitures of nonvested non-elective company contributions may be used to pay plan expenses and then to reduce future employer contributions. There were no unallocated forfeitures at July 14, 2025 and December 31, 2024.

ADMINISTRATION OF PLAN ASSETS

Fidelity Management Trust Company and related entities provide the plan with trustee services, investment advising, plan administration and record keeping. Expenses related to these services are paid by the plan and therefore qualify as party-in-interest transactions. The owners of the plan sponsor, as well as the plan administrator also participate in the plan and transactions with these individuals may qualify as party-in-interest transactions.

The accompanying financial statements include \$2,839 and \$1,705 in administrative expenses for the periods ended July 14, 2025 and December 31, 2024, respectively. Investment and plan administration related expenses are included in net appreciation (depreciation) of fair value of investments. Certain administrative expenses for the plan are paid by the plan sponsor and are not included in these financial statements.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the plan are prepared on the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

VALUATION OF INVESTMENTS AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's 401(k) Administrative Committee determines the plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

SUBSEQUENT EVENTS

The plan has evaluated subsequent events through May 15, 2026, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.

Note 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Investments, as reflected in Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) at December 31, 2024

The plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - FAIR VALUE MEASUREMENTS

The plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	Investments at Fair Value as of July 14, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Self-directed brokerage accounts	-	-	-	-
Total	\$ -	\$ -	\$ -	\$ -

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 27,221,396	\$ -	\$ -	\$ 27,221,396
Self-directed brokerage accounts	1,443,809	-	-	1,443,809
Total	\$ 28,665,205	\$ -	\$ -	\$ 28,665,205

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There were no Level 2 or Level 3 inputs used by the plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on the daily closing price as reported by the fund. Mutual funds consist of open ended funds registered with the Securities and Exchange Commission. Mutual funds are required to publish their daily Net Asset Value ("NAV") and transact at that price. The mutual funds held by the plan are deemed to be actively traded.

The self-directed brokerage accounts consist of investments directed by individual participants in a variety of investment options, primarily common stock and mutual funds. The fair value of common stock is based at the closing price reported on the active market on which the individual securities are traded. The fair value of the mutual funds are valued as described above.

There have been no changes in the fair value methodologies used by the plan at July 14, 2025 and December 31, 2024.

Note 5 - PLAN TERMINATION

The plan sponsor has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. As of July 14, 2025, the plan administrator completed

the transfer of plan assets and liabilities to the Consertus, Inc. 401(k) Plan (Note 1). Under the provisions of ERISA, this transaction qualifies as a transfer of plan assets and not a plan termination.

Note 6 - TAX STATUS

The Internal Revenue Service ("IRS") has determined that the volume submitter 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC and informed the trustee of such in a letter dated June 30, 2020. The plan administrator believes that the plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at July 14, 2025 and December 31, 2024 to Form 5500:

	July 14, 2025	December 31, 2024
Net assets available for benefits per the financial statements	\$ -	\$ 29,527,526
Less: Employer contributions receivable	-	(606,355)
Net assets available for benefits per Schedule H of the Form 5500	\$ -	\$ 28,921,171

The following is a reconciliation of the employer contributions per the financial statements to the Schedule H of Form 5500 for the period January 1, 2025 through July 14, 2025 and the year ended December 31, 2025 to Form 5500:

	July 14, 2025	December 31, 2024
Employer contributions per the financial statements	\$ -	\$ 492,563
Net change in employer contributions receivable	606,355	118,412
Employer contributions per Schedule H of the Form 5500	\$ 606,355	\$ 610,975

Note 8 - INVESTMENT CONCENTRATION

The following table presents the plan's investments that exceed 15% of the plan's net assets available for benefits:

	July 14, 2025	December 31, 2024
Fidelity 500 Index Fund	\$ -	\$ 4,917,574

Note 9 - RISKS AND UNCERTAINTIES

The plan provides for various investment fund options, which in turn invests in a combination of mutual funds, bonds and other investment securities. Investment securities in general are exposed to various risks such as interest rate, credit and overall market risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
