TEAMSTERS 206 EMPLOYERS PLAN

FINANCIAL STATEMENTS

JULY 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Teamsters 206 Employers Plan
2323 Eastlake Avenue East
Seattle, Washington 98102

Members of the Board:

Opinion

We have audited the accompanying financial statements of Teamsters 206 Employers Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and of benefit obligations as of July 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of July 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TEAMSTERS 206 EMPLOYERS PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The Teamsters 206 Employers Plan (the "Plan") is a multiemployer health and welfare plan established on January 1, 1958 to provide benefits to eligible participants, including active employees and eligible retirees. The Plan is funded by employer contributions in accordance with applicable collective bargaining or participation agreements and retirees' monthly self-payments in amounts determined by the Board of Trustees (the "Board"). The Plan is subject to provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended.

The Plan provides medical, dental, vision, and drug benefits to eligible participants and their dependents. Life, accidental death and dismemberment, and time loss benefits are provided to eligible active employees only.

The Plan documents include detailed rules for each situation. Participants should refer to the Plan Agreement and any amendments regarding specific provisions of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Cash and Cash Equivalents

Cash and cash equivalents include checking and a short-term sweep money market accounts. The Plan places its cash with a financial institution deemed to be creditworthy. Cash balances may at times exceed the federally insured deposit limit of \$250,000 per bank. The short-term sweep money market account is not federally insured.

D. Contributions

Participating employers make monthly contributions on behalf of employees for months worked during the year as required under the collective bargaining or participation agreements. Employer contributions receivable is estimated based on contributions received subsequent to the end of the year. Contributions received as a result of payroll examinations are recorded when collected. No allowance is necessary for uncollectible accounts.

An employee may contribute specified amounts, determined annually by the Board, to extend coverage under a self-pay provision for months in which the employer is not otherwise required to make a contribution on their behalf. Participants may continue coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) in specific instances where coverage under the Plan would otherwise terminate.

TEAMSTERS 206 EMPLOYERS PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Contributions (Continued)

Retirees who meet certain qualifications and who wish to participate in the Plan are required to contribute a portion of the cost of benefits at specified amounts, determined annually by the Board.

E. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation and depreciation includes gains and losses on investments bought and sold as well as held during the year.

F. Benefit Obligations

Benefit obligations (except postretirement benefit obligations) were estimated based on premiums and claims experience and other Plan data. Postretirement benefit obligations are actuarially determined by the Plan's actuary.

Premiums and claims payable are estimates of the cost of premiums and claims incurred by participants under the terms of the Plan through July 31. Estimated claims incurred but not reported is calculated by the Plan's consultant. Accumulated eligibility credits (lag months) is an estimate of the cost to the Plan for benefits earned based on work in June and July which provide eligibility for August and September.

G. Benefits

Benefits are reported when paid.

Kaiser Foundation Health Plan requires that the Plan maintain a deposit. The deposit can be applied to final premium payments upon policy termination.

H. Tax-Exempt Status

The Plan has received tax-exempt status from the federal government under Internal Revenue Code Section 501(c)(9). The Board of Trustees and Plan legal counsel believe the Plan is designed and operated in compliance with applicable regulations. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

TEAMSTERS 206 EMPLOYERS PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

I. Payroll Compliance Program

Employer remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The Plan provides for examination of the employers' records under a separate payroll compliance program.

J. Risks and Uncertainties

Estimates for claims incurred but not reported, accumulated eligibility credits (lag months) and postretirement benefit obligations are based on certain assumptions pertaining to interest rates, participant demographics and other assumptions which are subject to change. Due to the uncertainties inherent in the estimation and assumption process, it is at least reasonably possible that changes in these estimate and assumption in the near term would be material to the financial statements.

Plan investments are exposed to various risks including interest rate, market and credit risk. Due to the level of risk associated with investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term could be material to the financial statements.

NOTE 3 - PRIORITIES UPON TERMINATION

In the event of termination, Plan assets are to be used first for the payment of expenses and benefit payments incurred up to the date of termination and expenses incident to such termination. Any remaining assets will be distributed in such a manner as determined by the Board to further the purpose of the Plan, including but not limited to purchase of existing insurance benefits on a pro-rata basis or transfer of such funds to a successor trust having the same or similar purposes. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of participants.

NOTE 5 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimate of assumptions that market participants would use in pricing the asset or liability. Following is a description of the valuation methodologies used for assets measured at fair value.

The Plan maintains an investment in a money market fund. Although such funds are highly liquid, the Plan has elected to classify the money market fund as investments rather than cash equivalents because the fund represents shares in registered investment companies and is subject to market and liquidity considerations. Accordingly, the money market fund is not included in cash and cash equivalents on the statements of net assets available for benefits.

The money market fund is deemed to be actively traded. Mutual funds are valued at closing market prices. The following tables summarize the Plan's investments based on the inputs used to value them at July 31:

		2025			
		Level 1	Level 2	Level 3	Total
Money Market Fund		\$ 7,877	\$ -	\$ -	\$ 7,877
Mutual Funds		52,372,442	-	-	52,372,442
		<u>\$ 52,380,319</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 52,380,319</u>

		<u>\$ 48,094,487</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 48,094,487</u>

NOTE 6 - POSTRETIREMENT BENEFIT OBLIGATIONS

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributable under the Plan's provisions to the service participants rendered up to the valuation date, reduced by the actuarial present value of employer contributions expected to be received in the future from current plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their

TEAMSTERS 206 EMPLOYERS PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2025 AND 2024

NOTE 6 - POSTRETIREMENT BENEFIT OBLIGATIONS (Continued)

beneficiaries and dependents, (2) active employees and their beneficiaries and dependents after retirement from service with the participating employers, and (3) participants who are not yet fully eligible for benefits. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Plan's participating employers and from existing Plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributable to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation was determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money through discounts for interest and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The following significant assumptions are used in the valuation as of July 31, 2025 (2024):

Discount Rate:	5.50% (5.25%)
Retirement Age:	50% Retiring Age 64-65
Mortality:	Same as Western Conference of Teamsters Pension Plan (January 1, 2023 valuation)
Post-Retirement Mortality Rates:	Pri-2012 Total Dataset Amount-Weighted Healthy Annuitant, adjusted for age; projected with fully generational improvements from 2021 using Scale MP-2019 for healthy males and females
Spouse's Age:	Females assumed to be 2 years younger than their spouse, for active participants. Actual spouse dates of birth were used for married retirees.
Actuarial Cost Method:	Projected Unit Credit
Health Care Trend Rates:	Medical inflation assumption is based on the Getzen Model

The discount rate was increased from 5.25% to 5.50% to reflect yields on high quality fixed income securities on the measurement date.

The health care cost-trend rate assumption has a significant effect on amounts reported in the accompanying financial statements. If the assumed rate increased by one percentage point in each year, it would increase the obligation as of July 31, 2025 and 2024 by \$10,687,000 and \$10,469,000, respectively.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

NOTE 7 - MEDICARE SUBSIDY

The Medicare Prescription Drug, Improvement and Modernization Act of 2003 (the Act) includes a prescription drug benefit under Medicare as well as a federal subsidy to sponsors of retiree health

care benefit plans providing a benefit that is at least actuarially equivalent to Medicare Part D. Under the Act, for multiemployer plans, any Medicare subsidy is received directly by the Plan and not the individual employers participating in the Plan. The gross subsidies received were approximately \$4,000 and \$7,300 for the years ended July 31, 2025 and 2024, respectively, and have been included in net benefits paid in the accompanying statements of changes in net assets available for benefits.

NOTE 9 - CONTINGENCIES

On April 26, 2022, following extensive litigation between the National Labor Relations Board (the "Board") and a former contributing employer, the Board issued a Compliance Specification and Notice of Hearing alleging that the former contributing employer is liable to the Trust for contributions, liquidated damages and interest in excess of \$20 million. The employer disputed this Compliance Specification and the Trust has intervened as an interested party. The parties are currently awaiting an interim decision from the Board's administrative law judge. It remains uncertain what amount, if any, the Trust will recover in this matter and when the matter will reach final resolution. The delinquent contributions have not been accrued as part of these financial statements.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through May 12, 2026, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

Members of the Board:

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of July 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
