## **Independent Auditor's Report**

To the Board of Trustees  
Tile Setters and Finishers Union of Northern California Joint  
Supplemental Pension Trust Fund  
Sacramento, California

### **Opinion**

We have audited the financial statements of Tile Setters and Finishers Union of Northern California Joint Supplemental Pension Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Tile Setters and Finishers Union of Northern California Joint Supplemental Pension Trust Fund as of July 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tile Setters and Finishers Union of Northern California Joint Supplemental Pension Trust Fund's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tile Setters and Finishers Union of Northern California Joint Supplemental Pension Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tile Setters and Finishers Union of Northern California Joint Supplemental Pension Trust Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i-schedule of assets held at end of year for the year ended July 31, 2025, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Note 1 - Description of The Plan**

The following brief description of the Tile Setters and Finishers Union of Northern California Joint Supplemental Pension Trust Fund (the Plan) is provided for general information purposes only. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

### **General**

The Plan, a multiemployer defined contribution plan, was established on June 1, 2000, as a result of a collective bargaining agreement (CBA) between the Associated Tile Contractors of Northern California, and Tile Setters and Finishers Union of Northern California (TSFU), and individual employers' signatory to the agreements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan is the responsibility of the Board of Trustees (the Trustees) and is governed by a joint board consisting of equal representation from the participating employers and TSFU.

### **Participant Accounts**

An individual account is maintained for each participant and includes the following components:

1. Employer contributions made on the participant's behalf;
2. The account balance as of the previous valuation date;
3. The participant's proportional share of the net investment income earned by the Plan during the plan year;
4. Deductions for benefits paid;
5. Deductions for flat plan expense plus a proportional share of any additional plan expense.

In the event that a participant, upon becoming eligible for distribution of his or her account as provided above, should fail to file an application, the Trustees may, at their exclusive discretion, notify the participant in writing advising him or her of the right to a distribution.

### **Investment Options**

Upon enrollment to the Plan, a participant may direct deferrals and employer contributions in any of the funds offered by the Plan. Participants may change their investment options daily.

### **Contributions and Eligibility**

A Participant is eligible for the Plan by working for a contributing employer in a job covered by the CBA, which requires the employer to make contributions to the Plan for hours worked by the participant under the terms of the CBA. A participant becomes eligible once they have worked 500 hours beginning on the date of hire. The individual account is set up after the end of the first full calendar month after contributions is required to be made to the Plan on a participant's behalf.

Notes to Financial Statements  
July 31, 2025 and 2024

---

During the years ended July 31, 2025 and 2024, the Plan received contributions from employers for each hour worked by participants at rates ranging between \$1.00-\$5.00, depending on working class and specific job type.

## Vesting

A participant's accumulated share shall be fully vested and non-forfeitable upon the occurrence of any of the following before the participant suffers a break in service under the Plan document:

1. Completion of five years of vesting service
2. If the participant has completed 1 hour of service on or after August 1, 2007, the completion of 3 years of vesting service or
3. Attainment of age 65 and the fifth anniversary of the participant's first employment under the Plan without a permanent break in service.

Vesting is based on hours of credited services as set forth in the following table:

| <u>Hours of Service</u> | <u>Years of Vesting Service</u> |
|-------------------------|---------------------------------|
| 1,000 or more           | 1.0 year                        |
| 500-999                 | 0.5 year                        |
| Less than 500           | 0 year                          |

## Forfeitures

A participant who has not yet vested and who fails to be credited with at least the required minimum hours of vesting credit within a Plan year shall suffer a break in service which shall become permanent and the participant's previously accumulated non-vested account balance shall be lost, if the Participant's consecutive one year breaks in service thereafter equal five or the aggregate number of Years Of Vesting Service credited prior to the break, whichever is greater. The minimum number of hours is 500 per Plan Year.

During the plan year ended July 31, 2025, there was an operational error involving the improper forfeiture of certain participant account balances. In accordance with ERISA fiduciary requirements and applicable correction guidance, the Plan is obligated to restore the improperly forfeited amounts together with related lost earnings. At July 31, 2025 and 2024, forfeited vested accounts totaled \$0 and \$696,404, respectively. As of November 24, 2025, the forfeiture amounts and allocation of lost earnings have been quantified and participant's accounts have been corrected.

## Payment of Benefits

Participants are entitled to a distribution of their individual accounts upon retirement, total or permanent disability, early retirement, normal retirement if continuing to work thereafter, or contraction of a terminal illness or death. In the event of death of a participant, any money in the individual's account shall be paid out to the participant's legal beneficiary in accordance with the terms of the Plan. A participant may elect to have his or her accumulated share distributed in the form of an annuity or a lump sum payment. In the event of a death of a participant prior to retirement, the beneficiary will receive a death benefit equal to the value of the participant's vested account balance. In the event of a death of a participant after retirement, any remaining payments due under the benefit option elected shall be paid to the beneficiary.

## **Note 2 - Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

### **Employer Contributions, Contributions Receivable, and Allowance for Credit Losses**

The Plan's policy is to recognize contributions based on the latest executed collective bargaining agreement on an individual employer basis. Contributions from participating employers are based on a rate per hour for covered employees and are payable to the Plan during the subsequent month. Contributions due but not paid prior to year-end are recorded as contributions receivable. Management of the Plan evaluates participating employers' contributions receivable periodically for potential credit losses based on historical experience as well as current and reasonable and supportable forecasted economic conditions. As of July 31, 2025 and 2024 there was no allowance taken.

The Plan has an employer payroll audit system in place in which the employers are randomly audited to verify that they are contributing in accordance with their signed agreement. Delinquencies may arise due to these payroll audits and are recorded as contributions when collected.

### **Payments of Benefits**

Benefit payments to participants are recorded upon distribution.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Trustees determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statements of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

## Expenses

Expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

## Subsequent Events

The Plan has evaluated subsequent events through May 14, 2026, the date which the financial statements were available to be issued.

## Note 3 - Plan Termination

It is the intention of the Plan to continue indefinitely for the benefit of the employees, but the Trustees reserves the right to change, modify, amend, or discontinue the plan at any time. In the event of a termination or partial termination of the Plan, the benefits of the participants and beneficiaries of the Plan to the extent funded shall be non-forfeitable and the Trust as then constituted shall be allocated to the participants and beneficiaries of the Plan in accordance with Section 4041A of ERISA. None of the assets shall be returned to any employer.

## Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

# Tile Setters and Finishers Union of Northern California Joint Supplemental Pension Trust Fund

Notes to Financial Statements  
July 31, 2025 and 2024

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at July 31, 2025 and 2024.

Common collective trusts – Valued at fair value based on the net asset value (NAV) of units held of the collective trust. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. The NAV for the underlying assets of the fund is a readily determinable measure of their fair value and is the basis used by the fund for current transactions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of July 31, 2025 and 2024:

|                          | 2025    |              |         |              |
|--------------------------|---------|--------------|---------|--------------|
|                          | Level 1 | Level 2      | Level 3 | Total        |
| Common Collective Trusts | \$ -    | \$ 8,840,254 | \$ -    | \$ 8,840,254 |

  

|                          | 2024    |              |         |              |
|--------------------------|---------|--------------|---------|--------------|
|                          | Level 1 | Level 2      | Level 3 | Total        |
| Common Collective Trusts | \$ -    | \$ 8,354,518 | \$ -    | \$ 8,354,518 |

## Note 5 - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated September 10, 2015, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). Subsequent to the issuance of this determination letter, the Trust was amended. However, the plan management believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 6 - Related Party and Party-in-Interest Transactions**

Certain Plan investments consist of Common Collective Trust's managed by Principal, the custodian, as defined by the Plan. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are exempt party-in-interest transactions under ERISA.

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party-in-interest transactions under ERISA.

As of July 1, 2023, the Plan entered into an agreement with the Raven Union Benefits Administration, LLC to have it act in the capacity of an administrative office. The Plan administrator is married to one of the Trustees. The total administrative fees paid for the years ended July 31, 2025 and 2024, are \$10,120 and \$12,406, respectively.

**Note 7 - Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the statements of net assets available for benefits.

**Note 8 - Significant Participating Employers**

Contributions from two employers accounted for approximately 98% of total contributions received during the years ended July 31, 2025 and 2024. In the event these employers suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

**Note 9 - Plan Amendment**

Effective June 1, 2025, the Plan was amended to allow participants to make direct rollover contributions to the Plan from distributions made by the TSFU Pension Fund in lump sums. Participants shall always be 100% vested in contributions made to rollover accounts.
