Board of Directors

Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees
Chantilly, Virginia

Opinion

We have audited the accompanying financial statements of Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Benefit Obligations and Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statement of Changes in Benefit Obligations and Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees as of December 31, 2022 and 2021, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Report (Continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. Description of Plan

The following description of the Pacific Architects and Engineers, LLC Self-Insured Health and Welfare Plan for SCA Employees (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General: The Plan provides health and other benefits to eligible employees (including covered dependents) of Pacific Architects and Engineers, LLC (the Plan Sponsor) and participating affiliates, except for employees classified as seconded employees and any employees who work or are expected to work less than 30 hours a week except certain union employees and others determined to be full-time under internal policies. The Plan only covers individuals providing services under a contract subject to Service Contract Labor Standards (SCLS). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor maintains a separate trust for purposes of holding certain assets of the Plan. Contributions are deposited to the trust to cover certain benefits for employees working on contracts covered by SCLS. All other benefits continue to be paid from the general assets of the Plan Sponsor.

Benefits: The Plan provides health benefits (medical, dental, and prescription drugs) and short-term disability benefits. The Plan also provides for coverage under a flexible spending program. The Plan provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Plan also provides for a Health Savings Account program. These accounts are not considered Plan assets and the Plan is not obligated to pay benefits under the program; therefore, the activity in these accounts is not reflected in the accompanying financial statements.

Self-insured benefits: All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the assets of the trust or from the general assets of the Plan Sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan. The Plan Sponsor utilizes a pharmacy benefit manager (PBM) with respect to the prescription drug benefits provided under the Plan. Under the agreement with the PBM, the Plan Sponsor receives rebates related to the Plan's utilization pattern of specific drugs, which it passes along to the Plan.

Notes to Financial Statements

Stop loss coverage: The Plan has entered into a stop-loss arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount for 2022 and 2021).

Contributions: Premium rates are set annually and are collected based on the benefit elections made by the enrolled participants. The Plan Sponsor determines what portion of the premium costs will be paid by the participant and what portion will be covered by the Plan Sponsor. The Plan Sponsor makes contributions to the Plan as needed to fund claims and pay premiums in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsor on a pay-as-you-go basis.

2. Significant accounting policies

Basis of accounting: The accompanying financial statements have been prepared using the accrual basis of accounting.

The Plan's benefit obligations as of December 31, 2022 and 2021 and changes in benefit obligations for the year ended December 31, 2022 have been presented on the same statements as the Plan's net assets available for benefits and changes in net assets available for benefits.

Cash: Cash and cash equivalents consist of highly liquid debt instruments with initial maturities of ninety days or less. The Plan maintains a cash balance at one commercial bank which can exceed the Federal Deposit Insurance Corporation (FDIC) insured deposit limit of \$250,000 per financial institution. At December 31, 2021, the Plan's cash balance held at a commercial bank exceeded the FDIC limit by approximately \$105,000. At December 31, 2022, the balance did not exceed the limit. The Plan has not experienced any losses through the date when the financial statements were available to be issued.

Deposit with insurance company: As of December 31, 2022 and 2021, the Plan maintains a cash reserve on deposit with a third-party claims processor, which is used by the claims administrator to pay claims. The Plan Sponsor or the trust regularly replenishes the deposit to levels required by the claims processor.

Contributions receivable: Contributions receivable represent amounts due from the participants for premium equivalents and from the Plan Sponsor for premiums and SCLS contributions.

Amounts paid to claims processors in advance of the processor's payment to providers is recorded as advance to claims administrator in the accompanying Statements of Benefit Obligations and Net Assets Available for Benefits.

Stop loss: Premiums for stop loss insurance are included in the period of insurance coverage in premiums paid to insurance companies in the accompanying Statement of Changes in Benefit Obligations and Net Assets Available for Benefits. Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events: Management has evaluated subsequent events for disclosure in these financial statements through February 26, 2026, which is the date the financial statements were available to be issued.

Notes to Financial Statements

- 6. Tax status** The trust established to hold the Plan's assets has not applied for exemption from federal or state income taxes and is currently subject to income tax on its net investment income. No federal or state income taxes were payable for 2022 or 2021, therefore there is no provision for income taxes in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

- 7. Plan termination** Although it has not expressed any intention to do so, the Board of Directors of the Plan Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
