Dear Sam,

Enclosed please find our draft of your 2025 Form 5500. This draft has been prepared based on the Plan Document as well as information provided by your office, your recordkeeping platform provider, and payroll data received throughout the year. We ask that you review the attached Form 5500 at your earliest convenience to ensure there are no discrepancies with your records. Please let us know if any of your static data such as company name, address, etc. has changed.

One item of specific note is your Fidelity Bond which must be in place for the proper amount (typically 10% of Plan Assets) for each plan your company sponsors. If you do not currently have a Fidelity Bond in place for this plan, or it is not for the correct amount, you should reach out to your insurance carrier to update your current insurance package. If this proves to be necessary, please let us know and we will include this data on the Form 5500 going forward.

As you review your Form 5500, please take note of Section V, Question 10(a) regarding late contributions. We have left the default option "No" based on our conversations and your Plan activity throughout 2025. If upon review you determine that this section should be completed differently, please let me know and I can walk you through what is involved in doing so.
