Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA, P.C.**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)		☒	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☒		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	☒		
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☒ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year **1592352**.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

Independent Auditor's Report

The Plan Administrator
Pension Plan for Employees of Motion Picture Association, Inc.
Sherman Oaks, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pension Plan for Employees of Motion Picture Association, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of September 11, 2025 and December 30, 2024, and the related statements of changes in net assets available for benefits (in liquidation) for the period ended September 11, 2025 and year ended December 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of September 11, 2025 and December 30, 2024, and for the period ended September 11, 2025 and year ended December 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Use of Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, on May 9, 2024 the Retirement Committee passed a resolution to terminate the Plan. As a result, Plan management has determined liquidation is imminent. In accordance with GAAP, the Plan has used liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H (Form 5500), Line 4j - Schedule of Reportable Transactions for the Period Ended September 11, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agrees to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following description of the Pension Plan for Employees of Motion Picture Association, Inc. (the Plan) is provided for general information purposes only. Participants should refer to the comprehensive plan document for a more complete description of the Plan's provisions.

General

The Plan is a noncontributory defined benefit pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan year begins on December 31 and ends on the following December 30 (September 11, for current period). Employees of the Motion Picture Association, Inc. (the Association, the Company, or the Employer), who is the sponsor of the Plan, are automatically enrolled in the Plan on the December 31 following the date that they are at least 20½ years old. The Plan was initially established effective December 31, 1963, as a contributory defined benefit pension plan (former Plan).

The Plan was amended effective December 30, 2006, to freeze further accruals under the Plan and to 100% vest the benefits for Active participants in the Plan as of September 8, 2006. No person employed by the Employer on or after December 30, 2006 shall become a Participant in the Plan.

On May 9, 2024, the Retirement Committee passed a resolution to terminate the Plan. Effective July 31, 2024, the Plan was amended to freeze the Plan in preparation for termination. In August 2024, the Plan adopted an amendment to terminate the Plan effective August 1, 2024 and liquidate the Plan.

In connection with the termination of the Plan, Plan management approved a Plan of termination, including the establishment of a lump sum payment window where an eligible participant could elect to receive a distribution of their benefit as a single sum. On July 17, 2024 the Plan purchased an annuity contract totaling \$2,154,966 from Empower Annuity Insurance Company to provide benefits to retirees currently receiving payments. Effective August 1, 2024 the payment liability for these participants was assumed by Empower Annuity Insurance Company.

On January 21, 2025, the Plan purchased an annuity contract for a premium \$21,554,900 from Principal Life Insurance Company (Principal) to provide benefits to retirees currently receiving payments Effective April 1, 2025 Principal is legally and administratively responsible for making all future payments directly to these payees with balances assumed. The benefit obligation for these participants was assumed by Principal and the Plan is fully liquidated on September 11, 2025.

Pursuant to the provisions of the Plan, residual assets remaining in the Plan are distributable to the employer. Accordingly, on July 11, 2025, the Plan transferred approximately \$1.2 million of residual assets to Motion Picture Association, Inc.

Administration of the Plan

The Plan's assets are held and invested under a group annuity contract issued by Massachusetts Mutual Life Insurance Company (MassMutual). On December 31, 2020, Empower Retirement (Empower) acquired the retirement business of MassMutual and became the sole administrator of the Plan. The Plan utilizes an insurance product issued by MassMutual, and as such the certification is provided on behalf of MassMutual under the power of attorney granted to Empower Annuity Insurance Company of America (EAIC), an affiliate of Empower.

Pension Plan for Employees of Motion Picture Association, Inc.

Notes to Financial Statements

The Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Association appointed its Senior Vice President of Finance as the Plan administrator. The Plan administrator has responsibility for the day-to-day administration of the Plan.

Funding Policy

The benefits provided by this Plan are funded by contributions made by the Association necessary to fund the normal cost and 30-year amortization of prior service costs and, prior to December 31, 1984, by the Plan participants. Such contributions are invested by the Association as described in Notes 4 and 6; however, the Association may at any time adopt another method of funding such benefits. The Company met the minimum funding requirements for ERISA. In accordance with liquidation basis, the employer made contribution of \$28,250 to cover the shortfall due to the Plan's termination during 2024.

Death and Disability Benefits

Prior to the decision to terminate the Plan, if a participant dies before retirement and was eligible for a vested benefit, a death benefit equal to 100% of the amount that would have been payable to the participant under an actuarially equivalent joint and survivor annuity beginning on the day the participant would have been first eligible to retire would be paid to the participant's surviving spouse. If a participant dies after retirement, no death benefit, except unreturned participant contributions, is payable except for that which is provided by the annuity form elected.

Pension Benefits - Prior to the Plan Decision to Terminate the Plan

The Plan generally provides for normal retirement benefits beginning at normal retirement age (65) equal to 1.5% of average annual earnings times the number of years of credited service (which is the sum of the years in which the employee has been credited with at least 1,000 hours of service) not in excess of 35 years.

The Plan permits early retirement at age 60. The amounts of such early retirement benefits are the benefits accrued to such date, actuarially reduced for early retirement. If participants terminate after rendering at least five years of service, they will retain the right to the portion of their accrued benefit that is vested.

Participant contributions that were made to the former contributory plan, including interest, are 100% vested. At retirement, such accumulated funds are distributed in a lump sum or used to increase the participant's monthly pension benefits.

Participants may elect to receive benefits in any of several forms of payment, such as life annuity, lump sum payment, joint and survivor annuity, and equal installments over a number of years.

Vesting

Effective September 8, 2006, the participants became 100% vested in their benefit.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the liquidation basis. This basis was adopted when liquidation was deemed imminent in accordance with Accounting Standards Update (ASU) 2013-07, *Liquidation Basis of Accounting*. Plan management determined that liquidation was imminent upon adoption of the resolution to terminate the Plan on May 9, 2024. Under the liquidation basis of accounting, assets are measured at their net realizable value, estimated by fair value reduced by surrender charges, penalties and redemption charges, and disposal expenses, to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process. Liabilities are measured using the accrual basis of accounting, including any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation (depreciation) of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Pension Plan for Employees of Motion Picture Association, Inc.

Notes to Financial Statements

3. Certified Investment Information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at September 11, 2025 and December 30, 2024, and net appreciation (depreciation) in fair value of investments and interest and dividend income for the period ended September 11, 2025 and year ended December 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America, a qualified institution.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan was fully liquidated and had no assets as of September 11, 2025. The following is a description of the valuation methodologies used for assets measured at fair value as of year ended December 30, 2024.

Pooled Separate Investment Accounts (PSAs) - PSAs are valued at the NAV of units held. The NAV is based on the fair value of the underlying pool of securities held by the PSA less its liabilities. The fair value of the underlying investments is determined using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing, which is then adjusted to apply the expense factor disclosed in the annuity contract.

Pension Plan for Employees of Motion Picture Association, Inc.

Notes to Financial Statements

Investment Contract with Insurance Company - Valued at fair value by discounting the related cash flow based on current yields of similar instruments with comparable duration.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

December 30, 2024

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 23,859,630	\$ -	\$ 23,859,630
Investment contract with insurance company	-	2,610	-	2,610
Total Investments, at fair value	\$ -	\$ 23,862,240	\$ -	\$ 23,862,240

5. Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries.

Benefits under the Plan are accumulated based on employees' compensation during each year of credited service. The accumulated plan benefits for active employees will equal the accumulation, with interest, of the annual benefit accruals up until the date the benefit accruals were frozen. Benefits payable under all circumstances—retirement, death, disability, and termination of employment—are included, to the extent they are deemed attributable to employee service rendered to the valuation date. Benefits to be provided via annuity contracts excluded from plan assets are excluded from accumulated plan benefits. In a terminating plan, assumptions for the present value of accumulated plan benefits should generally consider the possibility of additional potential costs of annuitizing participants, were participants to elect so.

The actuarial present value of accumulated plan benefits is determined by an independent actuary and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment as stated in Note 1.

As described in Note 1, upon termination of the Plan, certain participants received lump sum distributions in November 2024. During 2025, Plan benefits were also assumed by Principal and are reflected in the decrease in accumulated plan benefits as of July 31, 2025. Excess assets that remained in the Plan were reverted to the Company.

Pension Plan for Employees of Motion Picture Association, Inc.

Notes to Financial Statements

The significant actuarial assumptions used in the valuations as of December 31, 2024 and July 31, 2025 were as follows:

Assumption

Mortality table	Pri-2012 Separate Annuitant and Non-Annuitant Mortality Tables, projected with Scale MP-2021, for males and females
Investment return	5.54% for July 31, 2025 & 6.30% for December 31, 2024 compounded annually
Retirement age	65 and 5 years of participating service
Plan expenses	Actual prior year administrative expenses

The foregoing actuarial assumptions are based on the presumption that the Plan is terminating. The computations of the actuarial present value of accumulated plan benefits (in liquidation) were made as of December 31, 2024 and July 31, 2025. Had the valuations been performed as of September 11, 2025 and December 30, 2024, there would be no material differences.

Insurer Load - An 6.81% as of July 31, 2025, increase load is assumed on the liability to account for anticipated insurer pricing.

A summary of the actuarial present value of accumulated plan benefits (in liquidation) is shown below:

	July 31, 2025	December 31, 2024
Actuarial Present Value of Accumulated Plan Benefits		
Vested benefits:		
Participants currently receiving payments	\$ -	\$ 16,034,815
Terminated vested participants	-	5,348,407
Other participants	-	780,410
Total Vested Benefits	-	22,163,632
Total Actuarial Present Value of Accumulated Plan Benefits	\$ -	\$ 22,163,632

The change in the actuarial present value of accumulated plan benefits (in liquidation) is as follows:

	July 31, 2025	December 31, 2024
Actuarial Present Value of Accumulated Plan Benefits, beginning of year	\$ 22,163,632	\$ 26,000,938
Increase (decrease) during the year attributable to:		
Reduction in discount period	105,503	1,374,749
Actuarial loss (gain)	86,359	(358,727)
Annuity purchase premium	(21,554,900)	(2,154,966)

Actuarial Present Value of Accumulated Plan Benefits, end of year	\$ -	\$ 22,163,632

Pension Plan for Employees of Motion Picture Association, Inc.

Notes to Financial Statements

During 2025 there was an Annuity purchase contract of \$21,554,900, and through July 31, 2025 the present value of accumulated plan benefits became \$0.

6. Investment Contract with Insurance Company

The investment contract with insurance company is governed by a contract between the Association and MassMutual. Under the terms of this contract, assets contributed are assigned to the immediate participation guarantee group annuity account of MassMutual, which is comprised mainly of fixed income type securities. The Plan's interest in the immediate participation guarantee group annuity account is credited with an investment return based on the actual rates earned by MassMutual.

The average yield on the contract was 1.73% for the year ended December 30, 2024. The Plan terminated during the period ended September 11, 2025. Any benefit payments are made directly from the account to retirees and are charged to the Plan's interest in the immediate participation guarantee group annuity account.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are funds and accounts that are management by the Mass Mutual and Empower, or their subsidiaries and affiliates. As described in Note 1, the Plan paid certain expenses related to Plan operations and investment activity to various services providers. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules under ERISA.

8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

As of September 11, 2025 there were no assets held due to liquidation, and as of December 30, 2024, there were three investments held that individually accounted for more than 10% of total investments.

Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported, based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change.

9. Plan Termination

The Plan has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. On May 9, 2024, as described in Note 1, the Retirement Committee determined that liquidation was imminent and decided to terminate the Plan. Participants became 100% vested in their accounts as of the termination date.

Notes to Financial Statements

10. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter October 2, 2020 that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. Plan management believes that the Plan and the related trust is currently designed and operated in compliance with the applicable requirements of the IRC and continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

11. Reconciliation of Financial Statements to Form 5500
