INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Beacon Mobility Union 401(k) Plan (formerly known as Selby Transportation Corp. 401(k) Plan)
Fairlawn, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the Beacon Mobility Union 401(k) Plan (formerly known as Selby Transportation Corp. 401(k) Plan), (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions, Empower Trust Company, LLC and Empower Life & Annuity Company of New York, as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2023 and the Schedule of Delinquent Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by qualified institutions. Their original report was dated April 10, 2024, and reissued report was dated August 22, 2025, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations of Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Beacon Mobility Union 401(k) Plans

1 Description of Plan

The following description of the Beacon Mobility Union 401(k) Plan (formerly known as Selby Transportation Corp. 401(k) Plan) (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions. The Plan changed its name as noted above pursuant to a plan amendment effective January 1, 2023. The Company at times will have Plan to Plan transfers as employee's status changes between union and non-union.

General:

The Plan is a defined contribution plan covering all employees covered by a collective bargaining agreement of Selby Transportation Corp. (the “Company” prior to January 1, 2023) or Beacon Mobility Corp. (the “Company” effective January 1, 2023) and its affiliates who are members of Amalgamated Transit Union Local 1181-1061, who have met the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan Administrator is responsible for the oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility:

Prior to January 1, 2023, all employees of the Company who are at least twenty-one years of age and have one year of service are eligible to participate in the Plan. Effective January 1, 2023, employees who are at least twenty-one years of age and have 60 days of service are eligible to participate in the Plan. Nonresident aliens, leased employees, and any other employee whose employment is not covered by a collective bargaining agreement are excluded from participation in the Plan.

Contributions:

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company contributes 50% of a participant's elective deferrals, not to exceed 7.5% of eligible compensation as a discretionary matching contribution. Effective December 1, 2023, for employees of SCR Medical Transportation, Inc. (a participating employer in the Plan), the Company contributes 50% of the first 6% of eligible compensation that a participant contributes to the Plan as a matching contribution. Effective September 1, 2023, for employees of Alltown Bus Services (a participating employer in the Plan), the Company contributes 100% of the first 3% of eligible compensation and 50% of the next 2% of eligible compensation (not to exceed a total of 4% of eligible compensation). Additional profit-sharing amounts may be contributed at the discretion of the Company's management. During the year ended December 31, 2023 and 2022, the Company did not make a profit-sharing contribution to the Plan. Participants also direct the investment of Company contributions. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Rollover contributions from other plans are also accepted, providing certain specified conditions are met.

NOTES TO FINANCIAL STATEMENTS

Beacon Mobility Union 401(k) Plans

1 Description of Plan, Continued

Participants' Accounts:

Each participant's account is credited with the participant's elective contributions, Company matching contributions, and Company discretionary profit-sharing contributions, and earnings and losses thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

All participants are 100% vested in elective deferrals and rollover contributions made to the Plan.

Vesting in the Company's matching and discretionary profit-sharing contributions is based on years of service. A participant is vested as follows:

Years of Service	Vested %
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures:

Forfeitures are due to termination from the Plan before a participant is 100% vested. Forfeitures for the years ended December 31, 2023 and 2022 available to be used to offset future employer contributions were \$19,131 (2023) and \$11,784 (2022). There were no forfeitures used during the years ended December 31, 2023 and 2022.

Notes Receivable from Participants:

Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are repaid over a period not to exceed five years, with exceptions for the purchase of a primary residence. Loans are valued at unpaid principal plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

The loans are secured by the balance in the participant's account and bear interest at 2% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

1 Description of Plan, Continued

Other Plan Provisions:

Normal retirement age is 65.

Payment of Benefits:

Upon termination of service by reason of death, retirement or total and permanent disability, a participant may elect to receive either a lump sum in an amount equal to the value of his or her account or partial, annual installments account. For termination of service for any other reason, a participant may elect to receive the value of the vested interest in his or her accounts as a lump-sum distribution.

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with IRS guidelines.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Valuation of Investments:

Investments (except for fully benefit responsive contracts, which are recorded at contract value) are stated at fair value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Mutual funds and common collective trust funds are reported at fair market value as of the balance sheet date. Fair market values represent quoted market prices or, if quoted market prices are not available, estimated fair values as determined by the Plan's investment broker. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustees, and insurance companies. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net unrealized/realized appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as held during the year.

NOTES TO FINANCIAL STATEMENTS

Beacon Mobility Union 401(k) Plans

2 Summary of Significant Accounting Policies, Continued

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits:

Benefit payments to participants are recorded upon distribution.

Administrative Fees:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation/(depreciation) of fair value of investments.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Risks and Uncertainties:

The Plan's investments include common collective trusts, mutual funds, and a fixed annuity contract with varying degrees of risk, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

Contributions:

Contributions from Plan participants and Company matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Subsequent Events:

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

NOTES TO FINANCIAL STATEMENTS

Beacon Mobility Union 401(k) Plans

2 Summary of Significant Accounting Policies, Continued

Subsequent Events, Continued:

Subsequent events have been evaluated through September 2, 2025, which is the date the financial statements were available to be issued.

Effective April 15, 2024 and May 1, 2024, the assets of the following plans were merged into the Plan:

- DS Bus Lines, Inc. Union 401(k) Plan (effective April 15, 2024) - \$283,055
- Huntington Coach Corporation 401(k) Plan (effective April 15, 2024) - \$10,522,843
- Midwest Bus Sales, Inc. Retirement Plan (effective April 15, 2024) - \$127,279
- Royal Coach Lines, Inc. 401(k) Profit Sharing Plan and Trust (effective May 1, 2024) - \$2,712,902. An additional \$227,899 was merged in the Plan in 2025.

Effective April 15, 2024, participants may also elect to make Roth contributions into the Plan and can receive in-service withdrawals at age 59 ½.

Effective January 31, 2025, Dell Transportation Corporation became a participating employer in the Plan. In 2025, \$984,925 was transferred in from the Beacon Mobility Transportation Retirement Plan as Dell Transportation Corporation was a participating employer in that Plan.

Effective March 1, 2025, Huntington Coach Corporation and Huntington Coach, LLC will match 100% up to 3% of elective deferrals and 50% of the next 2%, not to exceed 4% of compensation.

Effective March 1, 2025, Easton Coach Hampton Roads Drivers became a participating employer in the Plan.

Effective March 1, 2025, various provisions were updated for SCR Medical Transportation, Inc., including eligibility conditions, entry date, vesting and employer matching contributions.

3 Tax Status

The Plan has adopted a non-standardized, pre-approved defined contribution plan. On June 30, 2020, the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities.

NOTES TO FINANCIAL STATEMENTS

Beacon Mobility Union 401(k) Plans

3 Tax Status, Continued

The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.

4 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- * Quoted prices for similar assets or liabilities in active markets
- * Quoted prices for identical or similar assets or liabilities in inactive markets
- * Inputs other than quoted prices that are observable for the asset or liability
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Common Collective Trusts:

The fair value of participation units held in the common collective trusts is measured using net asset value ("NAV") as a practical expedient and is reported by the fund managers as of the financial statement dates at recent transaction prices. Each common collective trust provides for daily purchases and redemptions reported at NAV per unit share.

Were the Plan to initiate a full redemption of any of the common collective trusts, the fund manager reserves the right to temporarily delay redemption from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments.

NOTES TO FINANCIAL STATEMENTS

Beacon Mobility Union 401(k) Plans

4 Fair Value Measurements, Continued

Mutual Funds:

The fair values of the mutual funds are based on quoted market prices and are classified in the Level 1 category of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

6 Party-in-Interest Transactions

Certain Plan investments are shares of a fixed annuity contract managed by Empower Life & Annuity Company of New York, one of the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the guaranteed interest account for the investment management services. In addition, the Plan has arrangements with various service providers and these arrangements qualify as party-in-interest transactions.

7 Benefit-Responsive Contract

The Plan holds a benefit-responsive insurance contract with Empower Life & Annuity Company of New York ("Empower"). The contract meets the fully benefit-responsive insurance contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Empower maintains the contributions in a general account.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

7 Benefit-Responsive Contract, Continued

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) the plan's failure to qualify under Section 401(a) or Section 401(k) of the Internal Revenue Code, (2) the establishment of a defined contribution plan that competes with the plan for employee contributions, (3) any substantive modification of the plan or the administration of the Plan that is not consented to by the wrap issuer, (4) complete or partial termination of the Plan, (5) any change in law, regulation, or administrative ruling applicable to the plan that could have a material adverse effect on a portfolio's cash flow, (6) merger or consolidation of the plan with another plan, the transfer of assets to another plan, or the sale, spin-off or merger of a subsidiary or division of the plan sponsor, (7) any communication given to participants by the plan sponsor or any other plan fiduciary that is designed to induce or influence participants not to invest in a portfolio or to transfer assets out of a portfolio, (8) exclusion of a group of previously eligible employees from eligibility in the plan, (9) any early retirement program, group termination, group layoff, facility closing, or similar program, and (10) any transfer of assets from a portfolio directly to a competing option.

The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants is probable.

The issuer may terminate the contract for cause at any time.

8 Prohibited Transactions

Contribution remittances for certain pay periods in 2019, 2021 and 2022 were not performed in a timely manner. For these remittances, management is working with the Plan's third-party administrator to correct them under the appropriate methodology.
