INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Teamsters Local 830 Welfare Fund

Opinion

We have audited the financial statements of the Teamsters Local 830 Welfare Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of August 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of August 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, Schedule of Reportable Transactions, and Schedules of Claims Processing Fees and Administrative Expenses, together referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Reportable Transactions represent supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - Investments in the corporate obligations and the money market mutual funds are carried at fair value as provided by the investment custodian, which generally represents quoted market prices or the net asset value of the mutual fund as of the last business day of the year. The investments in the common collective trusts are carried at net asset value or its equivalent (NAV) as reported by the trusts. The investments in the limited partnerships are carried at net asset value or its equivalent (NAV) as reported by the partnerships.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Contributions due and not paid prior to year-end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Funding Policy and Revenue Recognition - The Plan is funded by contributions from participating employers under the terms of collective bargaining agreements (CBA). Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

Deferred Contributions Payable - Employer and participant contributions collected during the current year but applied to a work period in a future year.

Stop Loss Coverage - The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Stop loss premiums and refunds are included in cost of benefits in the accompanying statements of changes in net assets. During the years ended August 31, 2025 and 2024, stop loss reimbursements totaling $635,173 and $422,793, respectively, were netted with claims paid in the accompanying statements of changes in net assets available for benefits.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Self-Insured Benefits - The majority of Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan. The self-insured benefits are recorded when the claims are paid by the Plan to the third-party claims processors or participants.

Insured Benefits - The Plan offers disability and life insurance benefits to certain participants through insured arrangements with insurance companies. The insured benefits are recorded when the premiums are paid.

Legal Service Benefits - The legal service provider is paid a monthly fee in accordance with an agreement between the Plan and the legal service provider. Additional fees for referrals or additional services approved outside of the agreement may be incurred. The legal service benefits are recorded when the premiums are paid.

Benefit Obligations - Benefit obligations, other than claims payable, are calculated by the Plan's actuary. The benefit obligations for claims payable, are calculated by the Fund Administrator.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 2. DESCRIPTION OF PLAN

The Teamsters Local 830 Welfare Fund (the Plan) provides health, death, life and disability, legal services, and other benefits to eligible members of Teamsters Local 830 which represents members primarily employed in distribution and warehousing activities in the beer, soft drink and other industries in eastern Pennsylvania, New Jersey, and Delaware. Benefits are also provided to members of other labor unions and employees of employers through participation agreements. The following brief description of the Plan is provided for general informational purposes only. Participants should refer to the summary plan description for more complete information.

The Plan is a multiemployer, defined benefit health and welfare fund, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The purpose of the Plan is to provide health (medical, prescription, dental, vision, disability, and life) and legal services benefits to eligible participants. Benefits are funded through employer contributions determined by collective bargaining agreements or participation agreements.

Reference should be made to the summary plan description for specific details as to eligibility and available benefits.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries, and participants. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits, should the Plan terminate at some future time, will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's latest determination letter received from the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 501(c)(9) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes. The Plan has been amended since receiving the determination letter. However, the Trustees and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. CONCENTRATION OF CASH

The Plan maintains cash in checking accounts, money market accounts, sweeps accounts, and bank deposit programs which are insured by the Federal Deposit Insurance Company (FDIC) up to $250,000 per bank. As of August 31, 2025, the Plan's cash in excess of FDIC insurance coverage totaled $3,311,072.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Total investments at fair value	$ 42,223,730			

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended August 31, 2025 and 2024, there were no transfers in or out of levels 1, 2, or 3.

The unfunded commitments and redemption information are as follows at August 31, 2025 and 2024:

	2025 Fair Value	2024 Fair Value	2025 Unfunded Commitments	2024 Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust - equity:						
Northern Trust Common S&P 500 Index Fund - Lending	$ 2,264,749	$ 2,509,203	$ -	$ -	Daily	1 Business Days
Common collective trust - fixed income:						
NHIT: Intermediate Duration Fixed Income Trust	12,902,395	12,625,643	-	-	Daily	3 Business Day
Limited partnership - fixed income:						
APC Short Duration High Yield Fund, LP	17,447,073	-	-	-	Bi-monthly	7 Business Day
Limited partnership - real estate:						
Boyd Watterson GSA Fund, LP	4,362,251	4,672,895	-	-	+Quarterly	+60 Days
Total	$ 36,976,468	$ 19,807,741	$ -	$ -		

+ - Partial redemptions of units shall only be permitted in increments of $250,000 and shall not be permitted for amounts less than $250,000. Because of the illiquidity of the Fund's assets, there is no guarantee that cash will be available at any particular time to fund a particular redemption request, and the Fund will be under no obligation to make such cash available through the sale of assets, borrowings, acceptance of new Capital Commitments, capital calls or otherwise. Further, the General Partner may decline to redeem all or any portion of the Units held by an Investor in the General Partner's sole and absolute discretion. To the extent that available cash is insufficient to provide for outstanding redemption requests, Fund Partners may not receive their requested distribution at the requested time. Consequently, there can be no assurance as to the extent or timing of any redemption, particularly if other Fund Partners are seeking to redeem at the same time. Fund Partners might therefore be unable to use redemption as an effective means of terminating their investment in the Fund. As of August 31, 2025, the Boyd investment has a redemption queue on all redemption requests that will delay the redemptions requested by the investors.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

The Boyd Watterson GSA Fund's objective is to generate a stable stream of investment grade current income while also preserving wealth using risk parameters and portfolio management strategies established by the General Partner. The Fund intends to meet this objective through the purchase of real estate assets that are primarily leased to Federal Agencies for remaining terms of at least seven (7) years on a weighted average basis in length. The high credit rating of Federal Agencies is expected to provide a well-defined cash flow stream that the Fund does not expect will vary from the leased terms over the course of an investment. The Fund's investments will primarily consist of equity acquisitions but may also include construction loans that are structured to become equity acquisitions at the completion of the project. Joint venture investments in which the Fund will retain primary control over the asset are also possible.

The APC Short Duration High Yield Fund's objective is to achieve strong risk-adjusted returns relative to the benchmark, Bloomberg US High Yield Cash Pay 1-3 year Ba/B 2% Capped Custom Index, through a combination of high current income and capital appreciation.

NOTE 7. RELATED PARTY TRANSACTIONS

The Plan has four related organizations which include the Teamsters Local 830 Pension Plan (the Pension Plan), the Teamsters Local 830 Retirement Savings Plan (the Retirement Savings Plan), the Teamsters Local 830 Scholarship Fund (the Scholarship Fund), and Teamsters Local Union No. 830 (the Union). These organizations are related by common trustees or officers.

The Plan shares its office facilities, office personnel, equipment and certain other expenses with the Pension Plan, the Retirement Savings Plan, and the Scholarship Fund. The expenses are initially paid by the Pension Plan. The related organizations reimburse the Pension Plan the following month for their share of the allocable expenses. The operating expenses are allocated in accordance with an independent cost allocation study as follows:

Pension Plan	31 %
Health Fund	44
Retirement Savings	21
Legal Fund	4

During the years ended August 31, 2025 and 2024, expenses reimbursed to the Pension Plan from the Plan, including the portion allocated to the Legal Fund, totaled $886,654 and $820,966, respectively. At August 31, 2025 and 2024, the Plan owed $92,457 and $104,155, respectively, to the Pension Plan for unreimbursed operating expenses.

Certain plan investments are shares of mutual funds managed by Principal. Principal is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedules of assets held at end of year and reportable transactions.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rates of ERISA.

NOTE 8. CLAIMS PAYABLE, INSURANCE PREMIUMS PAYABLE, AND ESTIMATED CLAIMS INCURRED BUT NOT REPORTED

The Plan's obligation for health claims payable, insurance premiums payable, and estimated claims incurred but not reported at year end were as follows:

Dental	279,185	285,421
Vision	33,054	36,035
	$ 5,570,841	$ 6,009,349

Claims incurred but not reported at August 31, 2025 and 2024, have been calculated by the Plan's actuary who derived amounts from claims data provided by the Plan in addition to actuarial factors. In determining the liability, the actuary also considered case specific circumstances that may have occurred.

Medical claims payable and claims incurred but not reported at August 31, 2025 and 2024 are included in the Statements of Benefit Obligations in the financial statements but are included as liabilities on Form 5500.

NOTE 10. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 11. SUBSEQUENT EVENTS

The Board of Trustees and management have evaluated subsequent events through April 16, 2026, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
