INDEPENDENT AUDITORS' REPORT

To the Advisory Committee of
Jo-Ann Stores, LLC 401(k) Savings Plan
Hudson, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Jo-Ann Stores, LLC 401(k) Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 (in Liquidation) and 2024 (in Liquidation), and the related statement of changes in net assets in liquidation available for benefits for year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, including the liquidation basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As disclosed in Note 1 to the financial statements, the Plan sponsor adopted a resolution to terminate the Plan effective April 30, 2025. Management determined that liquidation is imminent, and accordingly, the financial statements as of December 31, 2025 and 2024 and for the year ended December 31, 2025, have been prepared using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management has determined that the Plan is in liquidation and, as such, has applied the liquidation basis of accounting. As the Plan is no longer viewed as a going concern, the evaluation of conditions or events that could raise substantial doubt about the Plan's ability to continue as a going concern is not applicable.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, the use of the liquidation basis of accounting is appropriate, and evaluate whether the financial statements adequately present the expected realizable value of assets and estimated settlement amounts of liabilities, in accordance with that basis of accounting.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America, as applied under the liquidation basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, as applied under the liquidation basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

JO-ANN STORES, LLC 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 – SUMMARY OF THE PLAN

The Jo-Ann Stores, LLC 401(k) Savings Plan (the Plan) was originally adopted as of September 1, 1974, and has been amended on occasion in order to, among other things, maintain compliance with the requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor, JOANN Inc. (the Company, formerly Jo-Ann Stores, LLC).

The Jo-Ann Stores, LLC Plan Advisory Committee (the Committee) is responsible for the general administration of the Plan. T. Rowe Price (TRP) is the trustee and recordkeeper of the Plan. The Committee consists of no fewer than three members, who may, but need not be, directors, officers, or employees of the Company or any subsidiary or affiliate. The Plan is subject to the provisions of ERISA.

Plan Termination

On May 8, 2025, the Plan Sponsor approved a resolution to terminate the Plan effective April 30, 2025. As of that date, the Plan ceased all contributions, participants became 100% vested in their accounts and the Plan began the process of liquidating plan assets and distributing benefits to participants in accordance with the Plan document and applicable regulatory requirements. Although the Plan termination was effective April 30, 2025, the liquidation and distribution of Plan assets occurred over a subsequent administrative period.

The Plan disposed its remaining assets on December 1, 2025, by fully distributing participant account balances and any residual amounts held in forfeiture or suspense accounts. In accordance with ASC 205-30 liquidation-basis accounting, the financial statements are dated as of the historical year-end of December 31, 2025, and reflect the Plan's net assets available for benefits in liquidation rather than the final distribution date. Distributions were made in cash or via direct rollover to eligible retirement accounts in accordance with ERISA and the Plan document. No other assets remain to be realized, and no significant disposals outside of routine Plan distributions have occurred.

Basis of Accounting

As a result of the Plan's termination, the financial statements as of December 31, 2025 and December 31, 2024 and for the year ended December 31, 2025 have been prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under the liquidation basis of accounting, assets are reported at their estimated net realizable values, and liabilities are reported at the estimated amounts required to settle the obligations.

Eligibility

The Plan, as amended, is a defined contribution plan which covers all active employees of the Company and its wholly owned subsidiaries upon employment. Full-time (exempt), part-time, and seasonal employees of any age are all eligible to participate. However, leased employees, nonresident aliens, and members of a recognized collective bargaining organization are excluded from participating in the Plan.

JO-ANN STORES, LLC 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Participant Contributions

Plan participants may elect to defer up to 50% of their compensation, subject to an annual limitation under the Internal Revenue Code (the Code), and such amounts will be contributed to the Plan by the Company as deferred income contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, subject to statutory limitations. Participants may also contribute amounts representing distributions from other qualified plans.

Employer Matching Contributions

The Company will contribute to the Plan as a matching contribution, subject to the forfeiture provision outlined below, an adjustable percentage of the deferred income contributions made by participants (up to a 6% employee deferred income contribution). These contributions are allocated among eligible participants in proportion to the deferred income contributions made on their behalf for such period and credited to their separate accounts.

The Company's matching contribution was 50% of the first 6% contributed by participants through May 20, 2024. The match is in the form of cash and is invested at the direction of the participant. The Company's matching contribution was suspended effective May 20, 2024. Any discretionary contributions made by the Company are also invested at the direction of the participant. The Company did not make any discretionary contributions during 2025 or 2024.

The Company may use forfeitures from non-vested participants to reduce future employer matching contributions or pay plan administration expenses. There were no unallocated forfeited balances as of December 31, 2025. Unallocated forfeited balances as of December 31, 2024 were \$204,042. Forfeited non-vested accounts used to pay plan administrative expenses during plan year 2025 totaled \$257,183.

Investment of Employee Contributions

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The Company's contributions are invested in the same manner as that of the participant's elective contributions. There is risk of loss with each investment option, although the degree varies by the nature of the investment. None of the investment options provide for any guarantee against loss. Participants should refer to the plan document for a more complete description of the Plan's investment options. Contributions are invested in 1% increments, up to 100%, in the investment options. Employees were able to make contributions through the Plan's termination date of April 30, 2025.

Participants' Accounts

Each participant's account is credited with the participant's deferred income contributions, the Company's matching contribution and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of his or her respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

JO-ANN STORES, LLC 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Vesting Requirements

Participants' deferred income contributions, together with earnings thereon, vest immediately. All company contributions, plus earnings thereon, vest over a four-year period as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than two	0%
Two	33%
Three	67%
Four	100%

A participant's entire interest in the Plan becomes fully vested upon his or her death while employed, attainment of age 65, or permanent and total disability. Upon termination of employment, participants forfeit their non-vested balances. As of the effective date of Plan termination on April 30, 2025, all participants became 100% vested in their accounts.

Benefit Payments

Upon termination of service for any reason, a participant may elect to receive the value of the participant's vested interest in his or her account as a lump-sum distribution or rollover the value into an individual retirement account (IRA). However, effective July 1, 2020, small balance cash out provisions (less than \$5,000) have been updated to automatically roll over, at the full amount of the account, directly to an IRA.

Prior to termination of employment or age 59½, contributions may only be withdrawn in the event of financial hardship as defined by the Code.

Participant Loans

Participants may borrow against their vested balances pursuant to the loan provisions of the Plan. The maximum loan amount available to a participant is 50% of his or her vested account balance, but not to exceed \$50,000. The maximum term of a loan is five years, except if the loan is for the purchase of a dwelling that will be the participant's primary residence, for which the maximum term is 15 years. Participant loans are repaid through payroll deductions, with the interest rate fixed at the prime rate plus 1.00% at the time of the inception of the loan. The interest rates on participant loans outstanding ranged from 4.25% to 9.50% for the years ended December 31, 2025 and 2024.

Delinquent participant loans are considered in default pursuant to provisions of the Plan. If a participant does not have a current distribution triggering event (termination, permanent disability, in-service withdrawal, etc.), the defaulted loan and outstanding interest is formally treated as being distributed to the participant, or a deemed distribution under the Plan. In the presence of a distribution-triggering event, the defaulted loan and outstanding interest is deducted from the participant's account; are treated as a loan offset; and, therefore, are no longer eligible for distribution or rollover. Under a deemed distribution, no additional funds are distributed from the assets of the Plan.

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Administrative Expenses

Generally, costs incidental to the purchase and sale of securities, such as brokerage commissions and stock transfer taxes, are paid by the respective funds. Other costs and expenses incurred in administering the Plan, including fees of the asset custodian, are generally paid by the Plan. At the discretion of the Company, certain plan expenses, such as audit fees and database access fees, are paid by the Company. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. As a result of the Plan's termination, all outstanding participant loans were repaid or offset, and there were no notes receivable from participants outstanding as of December 31, 2025. No allowance for credit losses has been recorded for the year ended December 31, 2024.

Valuation of Investments and Income Recognition

Investments held by the Plan as of December 31, 2024, were stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Committee is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodians and issuers that is used to determine the fair value of the Plan's investments.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through May 22, 2026, the date the financial statements were available to be issued.

JO-ANN STORES, LLC 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 3 – INVESTMENTS

All investment information disclosed in the accompanying financial statements, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividend and interest income, and interest on notes receivable from participants, for the years then ended was obtained from information certified as complete and accurate by TRP.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Fair value is based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access at the measurement date.

Level 2 – Fair value is based on inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liability (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived from or corroborated by observable market data by correlation or other means

Level 3 – Fair value is based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable. These inputs reflect management's judgment about the assumptions that a market participant would use in pricing the investment and are based on the best available information, some of which may be internally developed.

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Due to the liquidation basis, adjustments have been made to reflect estimated realizable values, if necessary. The following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan as of December 31, 2024:

Mutual Funds: valued at quoted active market prices

Common/Collective Trust Funds: valued at quoted active market prices or at NAV using the practical expedient depending on the information that is readily available

* The TRP Stable Value Fund's investment strategy is to invest in a combination of guaranteed investment contracts (GICs); bank investment contracts (BICs); synthetic investment contracts (SICs); and separate account contracts (SACs). GICs, BICs, SICs and SACs are all designed to provide principal stability and a competitive yield. The weighted average maturity of the TRP Stable Value Fund was 4.09 years as of December 31, 2024. There are no redemption restrictions upon which the participant may redeem investments in the fund; however, the Plan is required to provide at least a one-year redemption notice to liquidate its entire share in the fund.

Pursuant to the Plan's termination, all remaining assets were liquidated or transferred, resulting in no investment balances as of December 31, 2025.

NOTE 6 – TAX STATUS

The underlying pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated August 19, 2020, stating that the written form of the underlying pre-approved document is qualified under Section 401 of the Code. Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the Code, and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

JO-ANN STORES, LLC 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

In connection with the termination of the Plan, the Plan sponsor intends to file a request for a favorable IRS determination letter confirming the Plan's qualified status upon termination. The Plan administrator believes that the Plan has operated in compliance with the applicable provisions of the IRC and is qualified and tax-exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 – RELATED-PARTY TRANSACTIONS

The Plan held units of common/collective trust funds managed by TRP, the trustee and recordkeeper of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.
