Independent Auditor's Report

To the Board of Trustees
New Hampshire Bankers Association Insurance Trust
Concord, New Hampshire

Opinion

We have audited the financial statements of New Hampshire Bankers Association Insurance Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of benefit obligations of New Hampshire Bankers Association Insurance Trust as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years ended December 31, 2025 and 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Hampshire Bankers Association Insurance Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hampshire Bankers Association Insurance Trust's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Hampshire Bankers Association Insurance Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Hampshire Bankers Association Insurance Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

New Hampshire Bankers Association Insurance Trust

Notes to Financial Statements

1. Description of Plan

The following description of the New Hampshire Bankers Association Insurance Trust (the Plan) provides only general information. The Plan allows for employer-specific provisions that each participating employer can select. Participants should refer to their respective plan agreements for a more complete description of the Plan's provisions.

General

The Plan is a defined benefit health and welfare plan which provides a variety of benefit programs (medical, dental, life, accident and disability) to 16 member banks, covering approximately 1,135 participants as of December 31, 2025, and 16 member banks, covering approximately 1,125 participants as of December 31, 2024.

The obligation of each participating member for the liabilities of the Plan is individual, several, and proportionate, and not joint. Accordingly, each participating member is responsible only for its allocable share of Plan obligations, based on the terms of the Plan and applicable governing agreements. In addition, each participating member is subject to a contingent assessment liability for its proportionate share of actual losses and expenses incurred by the Plan. This assessment may be required in the event that Plan assets, including member contributions and other receipts, are insufficient to meet benefit obligations and administrative costs. The amount and timing of any such assessments are determined in accordance with the Plan document and applicable law.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits and Eligibility

The Plan allows for benefits offered under the Plan to be fully insured, partially insured, or self-funded. Medical coverage offered through the Plan is partially insured with an individual member level and aggregate stop loss policy that will insure benefits above certain levels.

Under the stop loss policy, the provider pays claims in excess of \$250,000 during 2025 and 2024, per individual for individual claims and the total minimum aggregate attachment point is approximately \$9.6 million and \$10.4 million in 2025 and 2024, respectively. The Plan reduced claims paid by approximately \$445,000 by amounts due under the policy in 2025 and \$258,000 in 2024. In 2025 and 2024, the Plan also reduced premiums paid by approximately \$109,000 and \$116,000, respectively, for dividends due under the policy. All other welfare benefits offered are fully insured through various insurance companies.

Notes to Financial Statements

1. Description of Plan (continued)

Participant eligibility for any month is dependent on the participant being an employee or qualified retiree of a member of the Plan. Each employer can set its own eligibility requirements for its employees or retirees (if applicable).

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all highly liquid debt investments purchased with a maturity of three months or less to be cash equivalents. The cash and cash equivalents reported in the statement of net assets are interest bearing.

The Plan maintains its cash balances at one financial institution. The Plan customarily has amounts on deposit in excess of the maximum Federal Deposit Insurance Coverage of \$250,000. The Plan has not experienced any losses in such accounts, and believes it is not exposed to any significant credit risk on cash.

Stop Loss Receivable

Under the stop loss policy, claims are incurred and paid by the Plan and claims data is automatically sent from the claims processor to the stop loss provider. Claims are reviewed for reimbursement and paid back to the Plan upon approval. At December 31, 2025 and 2024, there was \$231,391 and \$33,129, respectively, in claims reimbursement receivables under the policy. At December 31, 2025 and 2024, there was \$109,000 and \$115,814, respectively, in dividend reimbursement receivables under the policy.

Notes to Financial Statements

2. Summary of Accounting Policies (continued)

Contributions

Members are billed monthly for contributions. Contributions received prior to the month for which they apply are reflected as “deferred income” in the accompanying financial statements, if applicable. Any adjustments to coverage provided after a monthly invoice is generated are generally adjusted in the subsequent month. Participant contributions represent amounts paid by terminated employees for continuation of benefits upon termination through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Billings to member employers are handled by a third-party administrator and premiums are remitted based upon the billings. Medical premiums are remitted directly to the Plan while dental, vision and life premiums are remitted to the insurance companies who provide the benefits, however, the Plan records these premiums as income and expense in accordance with generally accepted accounting principles in the United States of America (GAAP).

Benefits payable and estimated claims incurred but not reported

Benefits payable represents medical claims received but not paid as of the year end date. Estimated benefits incurred but not reported (IBNR), represents anticipated claims for medical benefits as of year end, based upon past experience.

Premiums Paid and Payable

Premiums paid are based on contracts with the insurance providers. Premium obligations are those premiums incurred and payable under the contract prior to December 31 but not yet paid. There were \$2,645,770 and \$2,447,179 of premiums incurred and paid during the years ended December 31, 2025 and 2024, respectively. There were no premium obligations at December 31, 2025 or 2024.

Subsequent Events

Subsequent events were evaluated through May 27, 2026, the date the financial statements were available to be issued.

3. Related-Party and Party In Interest Transactions

The Plan is related by overlapping management to the New Hampshire Bankers Association (NHBA) and New Hampshire Bankers Services, LLC (NHBS). The Plan provides health and welfare benefits to participating employees of NHBA. Member contributions collected from NHBA amounted to approximately \$53,000 and \$49,000 for 2025 and 2024, respectively. Commissions on the premiums collected by the insurance provider are paid directly by the insurance provider to NHBS as the insurance broker of record. Commissions received by NHBS amounted to approximately \$45,000 and \$72,000, for the years ended December 31, 2025 and 2024, respectively. Under a shared services agreement, the Plan pays NHBS for administrative support costs that exceed the commissions received by NHBS. For the years ended December 31, 2025 and 2024, the Plan recognized allocated payroll for these administrative services of \$14,713 and \$0, respectively. Amounts due to related parties were \$5,474 and \$0 at December 31, 2025 and 2024, respectively. These amounts are included in accounts payable on the statements of net assets available for benefits.

The Board of Trustees are officers of various financial institutions which are participating members of the Plan. Member contributions collected from these financial institutions amounted to approximately \$8,125,000 and \$6,100,000 for 2025 and 2024, respectively.

The Plan also has arrangements with various service providers. These transactions qualify as party-in-interest transactions under ERISA. Payments to parties-in-interest for the years ended December 31, 2025 and 2024, included \$180,060 and \$137,000, respectively, paid to The Richards Group for consulting fees, as well as \$315,710 and \$287,650, respectively, paid to Anthem Blue Cross Blue Shield for administrative services which were offset by pharmacy rebates.

4. Plan Termination

Although it has not taken any steps to do so, the Plan's management has the right under the Plan to amend and terminate the Plan with written notice, at any time and with unanimous consent of all Trustees and concurrence of a majority of participating employers, to the participating member companies subject to the provisions set forth in ERISA. In the event of the termination of the Plan, any remaining funds shall be used for the benefit of the covered employees on the basis of objective and reasonable standards. In no event shall any of the Plan's funds revert to or be recoverable by the participating member banks.

New Hampshire Bankers Association Insurance Trust

Notes to Financial Statements

5. Tax Status

The underlying plan has qualified as a tax-exempt organization under Internal Revenue Code Section 501(c)(9). The Plan intends to continue to comply with all requirements necessary to maintain its tax-exempt status. The Plan could be subject to unrelated business income, primarily investment income in excess of a standard deduction. The Plan is also exempt from state income taxes by virtue of its ongoing exemption from federal income taxes.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable tax authorities. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that through December 31, 2025, there are no significant uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

6. Letter and Lines of Credit

The Plan has a letter of credit with a bank in the amount of \$100,000 for the benefit of the New Hampshire Insurance Commission. As discussed in Note 1, the Plan is partially self-insured and the letter of credit is required under the state statute for the benefit of covered employees of the member employers and their dependents and can only be accessed by the New Hampshire Insurance Commission. The letter of credit is supported by a line of credit issued by the same bank for the same amount. No advances were outstanding as of December 31, 2025 and 2024. The line of credit is secured by the Plan's assets and is due on demand. Interest is charged on the outstanding principal balance at an annual rate of 7.75%. There were no outstanding balances at December 31, 2025 and 2024. The letter of credit and line of credit expire on September 4, 2026.

During 2025, the Plan obtained a \$500,000 line of credit from a bank for use in occasional shortfalls in working capital caused by insurance claims to be reimbursed by member premiums. Interest is charged based on the Wall Street Journal Prime Rate plus one percentage point, but will not be less than 5.00% (7.75% at December 31, 2025). Amounts drawn on the line at December 31, 2025 totaled \$350,000. The line of credit is automatically renewed, subject to financial statement review by the bank.
