INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Aveshka, Inc. 401(k) Retirement Savings Plan
Vienna, VA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Aveshka, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of Aveshka, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section —

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aveshka, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aveshka, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of 2023 Financial Statements sections of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aveshka, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aveshka, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of Aveshka, Inc. 401(k) Retirement Savings Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated February 5, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AVESHKA, INC. 401(K) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Aveshka, Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 2016. The Plan is sponsored by Aveshka, Inc. (the Company). All employees, except union employees, are eligible to participate in the Plan. The plan entry date is immediately upon the date of hire. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

In November 2022, the Company was acquired by Vision Integration Technologies, Inc. ("Vision"). Vision is a wholly owned subsidiary of Softtek Integration Systems, Inc. There was no impact on Plan operations from that transaction.

The assets of the Plan are held and managed by Voya Retirement Insurance and Annuity Company, the trustee and recordkeeper of the Plan.

Effective January 1, 2023, the plan document was amended and restated. There were no significant changes to the Plan provisions.

Contributions

Participants may contribute on a pre-tax or after-tax basis up to 98% of their annual eligible compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). The after-tax "Roth" contributions are subject to federal income taxes in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions among the Plan's investment options. The Plan currently offers mutual funds and a guaranteed investment contract as investment options for participants.

The Plan includes an auto-enrollment provision whereby all eligible employees are auto-enrolled in the Plan with a default deferral rate set at 3% of eligible compensation, unless they affirmatively elect not to participate. Contributions are automatically invested in the target date fund based on the participants' expected retirement age.

The Company may make discretionary contributions (determined by the Company's Board of Directors) on behalf of eligible participants as follows:

- Discretionary matching contributions equal to 100% match up to 1.056% of participant compensation.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

- Additional discretionary profit-sharing contribution determined annually. Participants must be employed on the last day of the plan year to receive discretionary profit-sharing contributions.

During the year ended December 31, 2023, the Company made discretionary matching contributions (net of forfeitures) totaling \$113,743 to the Plan and no discretionary profit-sharing contributions.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and allocations of the Company's contributions, investment earnings and losses and any administrative expenses paid by the plan. Allocations are based on participant investments held, account balances, or specific participant transactions, as defined. Plan participants have daily access to their account via phone or internet and may change the allocation of their investments to any of the investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral contributions and rollover contributions, plus actual earnings thereon. Vesting in the employer matching contributions and non-elective Company contributions is based on years of continuous service. After one year of service, a participant becomes 33% vested in the employer contributions in the Plan; the vesting percentage increases by 33% each year until the participant becomes fully vested in his or her account after three years of service.

Notes Receivable from Participants

Participants in the Plan may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The maximum loan duration is not to exceed five years, except when funds are used to purchase a principal residence. Participants are permitted to have only one loan outstanding at any time. Principal and interest are paid ratably through payroll deductions. The interest rates on the outstanding loans at December 31, 2023 ranged from 4.25% to 9.50%.

Payment of Benefits

Upon termination of service due to retirement, death, full and permanent disability or attaining age 65, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, or a combination of cash and direct rollover distribution. For termination of service due to other reasons, participants may receive their benefits in the form of a distribution equal to the value of the vested interest in their account. The Plan allows in-service and hardship withdrawals under certain circumstances, as defined in the Plan document.

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Forfeitures of nonvested balances of terminated participants may be used to reduce future employer contributions to the Plan or to pay plan administrative expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$33,721 and \$20,614, respectively. During the year ended December 31, 2023, the plan used \$20,614 from forfeited nonvested accounts to reduce employer contributions to the plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts (FBRIC). Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

AVESHKA, INC. 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Contributions from Plan participants and the associated Company contributions are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid either by the Plan or directly by the Company. The Plan is not required to reimburse the Company for expenses paid on behalf of the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - CERTIFIED INFORMATION

Certain information related to investments held at December 31, 2023 and 2022, net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, disclosed in the accompanying financial statements and ERISA-required supplemental schedule, was obtained by management and agreed to or derived from information certified by Voya Retirement Insurance and Annuity Company (a qualified institution), as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes receivable from participants as of December 31, 2023 and 2022 and the related interest income on notes receivable from participants for the year ended December 31, 2023, are not certified.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no changes in the methods used to measure fair value at December 31, 2023 and 2022.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

The Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>				
Mutual Funds	<u>\$ 7,761,138</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,761,138</u>
<u>December 31, 2022</u>				
Mutual Funds	<u>\$ 7,897,538</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,897,538</u>

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan participates in a fully benefit-responsive investment contract (FBRIC) with Voya Retirement and Annuity Company ("Voya"). Voya maintains the contributions in a general account - Voya Fixed Account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

AVESHKA, INC. 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5 - GUARANTEED INVESTMENT CONTRACT (Continued)

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against account value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed annually. The guaranteed investment contract does not permit the insurance company to terminate the agreements prior to the scheduled maturity date. Withdrawals from the Voya Fixed Account for reasons other than the payment of benefits to participants are subject to market value adjustment and a surrender charge. Upon contract termination, the Plan can elect either a single payment option where the Fixed account balance is subject to a market value adjustment and a surrender charge prior to disbursement to the successor recordkeeper or a spread payment option, where the balance is transferred in equal installment payments over a period of time determined at the time of contract termination. During the payment period, interest is credited to the remaining fixed account balance at the specified guaranteed rates in the contract, and there is no market value adjustment or surrender charge.

Certain events limit the ability of the Plan to transact at account value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

In February 2024, the Plan terminated its contract with Voya and elected a spread payment option at contract value, where the FBRIC balance at the time of contract termination would be divided into six portions, with the first one transferred to the new trustee at the initial discontinuance, and the rest over the next 5 years on the anniversary date of the contract termination, or earlier if participant directed.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

AVESHKA, INC. 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 7 - TAX STATUS

The Plan has adopted a prototype volume submitter profit-sharing plan sponsored by Voya Retirement Insurance and Annuity Company. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype non-standardized profit-sharing plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan's assets include investments managed by Voya Institutional Trust Company (Voya). Voya is the trustee and recordkeeper of the Plan. Therefore, and, therefore, these transactions qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. Notes receivable from participants also qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - LATE REMITTANCES

As of December 31, 2023, the Plan had uncorrected late remittances from the year ended December 31, 2021, totaling \$64,111, where the Company failed to remit to the recordkeeper participant contributions and loan repayments within the period prescribed by Department of Labor regulations. These contributions are considered nonexempt party-in-interest transactions. The Plan recordkeeper calculated lost earnings on the delinquent remittances totaling \$2,595, and the Company remitted the amount to the Plan in April 2026, at which time the lost earnings were allocated to the affected participants' accounts.

AVESHKA, INC. 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 11 - VOLUNTARY COMPLIANCE

Subsequent to December 31, 2023, the Company finalized the calculation of the corrective contributions required for several instances (occurring between 2016 and 2021) of noncompliance with the plan provisions regarding the definition of eligible compensation and changes to participant deferral elections. The corrective contributions include the missed deferrals and the corresponding match due to the incorrectly excluded compensation and the failure to implement participants' deferral changes. The total corrective contributions due to the Plan totaled \$86,672 and \$72,929 as of December 31, 2023 and 2022, respectively, and are reflected as employer corrective contributions receivable on the statements of net assets available for benefits. The Company remitted the corrective contributions to the Plan in April 2026, at which time the missed deferrals, corresponding match, and the calculated lost earnings as of the date of the remittance were allocated to the affected participants' accounts.

NOTE 13 - SUBSEQUENT EVENTS

On April 8, 2024, the Plan sponsor's name changed from Aveshka Inc. to Softtek Government Solutions.

Effective February 1, 2024, the Plan appointed a new custodian and recordkeeper – T. Rowe Price Retirement Plan Services, Inc. (T. Rowe Price). Voya Retirement Insurance and Annuity Company held and managed the Plan's assets and served as the trustee and recordkeeper of the Plan until February 27, 2024, on which date, all Plan assets except the investments in the Voya Fixed account (a FBRIC) were transferred to T. Rowe Price.

At the time of the transfer of Plan assets, and under the terms of the Voya FBRIC, the Company elected a fixed account spread payment option under which the balance in the GIC is transferred to the new custodian in equal principal payments, with interest, over a five-year period. Under the option elected by the Company, withdrawals are permitted prior to the next annual installment for any benefit distributions, loans, and investment transfers to mutual fund options available under the Plan.

Effective February 1, 2024, the Plan adopted a pre-approved defined contribution plan sponsored by DST Retirement Solutions, LLC. Effective with this amendment, the Plan was amended to credit service with Softtek for eligibility, vesting and contribution allocation. No other significant plan provisions were affected by this restatement.

Subsequent events have been evaluated through May 27, 2026, which is the date the financial statements are available to be issued.
