(1) Name: **KERBER, ECK, & BRAECKEL LLP**

(2) EIN: **43-0352985**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		☒	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

To the Board of Directors
Community Wholesale Tire 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Community Wholesale Tire 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Community Wholesale Tire 401(K) Plan

NOTES TO FINANCIAL STATEMENTS

NOTE A | DESCRIPTION OF PLAN

The following description of the Community Wholesale Tire 401(k) Plan (Plan) provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions, which is available from the plan administrator.

General and Eligibility

The Plan was established on January 1, 1984 as a defined contribution plan covering all eligible and participating employees of Community Wholesale Tire Distributing, Inc. (Company). The Plan allows for pre-tax and Roth after tax elective deferrals and for discretionary employer matching and profit sharing contributions for employees that meet certain eligibility requirements.

Employees (excluding leased employees) are eligible to participate in elective deferrals and employer contributions under the Plan after they have reached 21 years of age and have completed one year of service (1,000 hours) within the first twelve months of employment. The entry date for eligible participants is on the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date in which eligibility requirements have been met. Any employee failing to satisfy the initial service requirements will enter the Plan on January 1 following the Plan year in which they complete 1,000 hours of service.

After completing a year of service, employees are eligible to share in the employer matching contribution regardless of service completed during the Plan year or employment on the last day of the Plan year. Eligible participants must have 1,000 hours of service within the Plan year and be employed on the last day of the Plan year to share in an allocation of the profit sharing contribution.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute a percentage of their compensation on a pre-tax or after tax basis not to exceed applicable calendar limits under Section 402(g)(1) of the Internal Revenue Code which was \$23,500 for 2025 and \$23,000 for 2024. Participants aged 50 and older may elect an additional catch-up deferral of \$7,500 for 2025 and 2024.

The Company's Board of Directors approved an employer match of 100% of a participant's elective deferral up to 4% of the participant's eligible compensation for the Plan years ended December 31, 2025 and 2024, in the amount of \$388,900 and \$397,268, respectively. There was no profit sharing contribution approved by the Company's Board of Directors for 2025 or 2024.

The participant may also choose to roll funds into the Plan from another qualified plan. Participants direct contributions on their behalf into various investment options offered by the Plan. These options include a stable value fund and pooled separate accounts.

Participant Accounts

Each participant's account is credited with the participant's contribution, Company's discretionary contributions, an allocation of Plan earnings and administrative expenses. Plan earnings are allocated to each of the participants at the end of the day on the basis of the individual participant's balances at the beginning of the day as a percent of total participants' beginning balances.

Community Wholesale Tire 401(K) Plan

NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are immediately vested in the participants' salary deferrals including Roth deferrals, catch-up contributions and rollover contributions. Participants vest in employer matching and profit-sharing contributions over a graduated schedule and will become 100% vested after completion of six years of service. A year of service for vesting purposes will be reached upon completion of 1,000 hours of service during a Plan year. The non-vested balance is forfeited upon the earlier of a five-year break in service or upon distribution of a participant's vested balance. Participants become 100% vested in all accounts under the Plan upon death, total and permanent disability, or upon reaching the normal retirement age of 65 while continuing to work.

Payment of Benefits

Retirement benefits are normally payable upon reaching age 65. Upon termination of service due to death, disability, retirement or other termination of employment, a participant or, in the case of death, the participant's beneficiary, is eligible to receive a distribution equal to the value of his or her account in excess of \$5,000 in the form of a lump-sum payment, substantially equal installments, or partial withdrawal. If the balance payable does not exceed \$5,000 then the benefit may only be paid as a lump-sum. The Plan also allows for in-service distributions at age 59 ½ from all participants' accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Notes receivable from participants are secured by the balance in the participant's account and bear interest of one percent over the prime rate at the time of issuance. Note terms range from one to five years or up to thirty years for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions, and participants can only have one outstanding note at a time and can only have one new loan per Plan year.

Participant Hardship Withdrawals

Participants who are active employees may withdraw a portion of their vested account balance in the event of undue financial hardship in accordance with requirements as outlined in the Plan document.

Forfeited and Unallocated Accounts

Forfeitures arising from the Company's discretionary contributions can be used to pay administrative expenses of the Plan or reduce Company contributions.

The unallocated forfeiture balance as of December 31, 2025 and 2024 was \$13,905 and \$7,518, respectively. Forfeitures in the amounts of \$0 and \$15,986 were used to reduce employer contributions during the years ended December 31, 2025 and 2024, respectively. Forfeitures in the amounts of \$2,528 and \$0 were used to reduce employer contributions during the years ended December 31, 2025 and 2024, respectively.

At December 31, 2025 and 2024, the Plan had \$11,766 and \$11,798 of unallocated assets available to offset future Plan expenses, respectively. Unallocated assets in the amount of \$70,340 and \$65,967 were used to pay administrative expenses of the Plan during the years ended December 31, 2025 and 2024, respectively.

Community Wholesale Tire 401(K) Plan

NOTES TO FINANCIAL STATEMENTS

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will be 100% vested in their accounts.

NOTE B | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting.

Valuation of Investments and Income Recognition

The Stable Value investment fund is recorded at contract value which approximates fair value. All other investments are recorded at fair value as provided by Transamerica Life Insurance Company, Inc. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and in the principal and most advantageous market for the asset or liability. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on the trade date. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded at the time of payment to participants.

Income Tax Status

The plan sponsor adopted a pre-approved plan document that received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the plan is qualified and the related trust is tax-exempt.

Generally accepted accounting principles (GAAP) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for

Community Wholesale Tire 401(K) Plan

NOTES TO FINANCIAL STATEMENTS

any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The Plan deems all participant notes receivable to be fully collectible; therefore, no allowance for credit losses is required. Participant notes receivable are treated as distributions when they are determined to be uncollectible.

NOTE C | FAIR VALUE MEASUREMENT

FASB *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. The leveling of certain investments has changed to reflect management's updated understanding of the investment. See Note G for additional details.

Pooled separate accounts are valued at a daily calculated unit value, measured using quoted prices in active markets for similar assets or pricing data provided by outside valuation service providers and are classified in Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different

Community Wholesale Tire 401(K) Plan
NOTES TO FINANCIAL STATEMENTS

methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at estimated fair value on a recurring basis as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 14,296,613	\$ -	\$ 14,296,613

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at estimated fair value on a recurring basis as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 15,394,016	\$ -	\$ 15,394,016

NOTE D | RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Transamerica Life Insurance Company, Inc. is an affiliated entity of the Plan's third party administrator Transamerica Retirement Solutions. Transamerica Life Insurance Company, Inc. manages certain Plan investments. These transactions qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year).

NOTE E | INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Transamerica Life Insurance Company, Inc. (Custodian) has certified the completeness and accuracy of certain information used by management to prepare the financial statements, supplemental schedule and accompanying notes. Accordingly, this information was not audited. The following is a summary of information which the custodian furnished.

	2025	2024
Statements of Net Assets Available for Benefits:		
Investments	\$ 16,208,936	\$ 16,687,246
Notes receivable from participants	226,835	174,314
Statements of Changes in Net Assets Available for Benefits:		
Investment income	\$ 2,278,172	\$ 2,001,002
Interest income on notes receivable from participants	15,860	11,664

All investment related information is provided in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2025.

NOTE F | INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a fully benefit-responsive investment contract with Transamerica Life Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive

Community Wholesale Tire 401(K) Plan

NOTES TO FINANCIAL STATEMENTS

investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents participant withdrawals and administrative expenses. The value of this account was \$1,912,323 and \$1,293,230 at December 31, 2025 and 2024, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probably of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without consent of the issuer.

NOTE H | RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Included in investments was the following mutual fund representing 18% and 13% of the total investments at December 31, 2025 and 2024, respectively. A significant decline in the market value of this investment could significantly affect the Plan's net assets available for benefits:

	<u>2025</u>		<u>2024</u>	
Transamerica OT 2050 Amer Fd	\$	2,882,332	18%	\$ 2,270,138 13%

NOTE I | SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through May 13, 2026, the date in which the financial statements were available to be issued.

On April 10, 2026, the sponsor of the Plan was acquired by a third party. In connection with the transaction, the Company approved termination of the Plan effective April 10, 2026, subject to applicable regulatory requirements. Participants became fully vested upon termination of the Plan. The Plan administrator expects net assets of the Plan to be distributed to participants or rolled over into other qualified retirement plans or individual retirement accounts following completion of the Plan termination process.
