Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Central Arkansas Development Council 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Central Arkansas Development Council 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities

for the Audit of the Financial Statements section of our report. We are required to be independent of Central Arkansas Development Council 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Arkansas Development Council 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Arkansas Development Council 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Arkansas Development Council 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to be a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1: Description of Plan

The following brief description of the Central Arkansas Development Council 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

- A. **General** - The Plan is a defined contribution plan covering all full-time employees of the company who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). All investments are participant-directed.
- B. **Contributions** - Each year, the employer contributes 7% of the eligible employees' compensation. The employee may elect to contribute at least 3%, and up to 13% of their compensation. However, the total contribution may not exceed a dollar amount that is set by law.
- C. **Participant Accounts** - Each participant's account is credited with employer and employee voluntary contributions and investment income less investment expenses.
- D. **Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.
- E. **Payments of Benefits** - On termination of service due to death, disability or retirement, all distributions will be made in one lump-sum payment.
- F. **Forfeited Accounts** - At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$35,197 and \$12,871, respectively. These accounts are first used to pay Plan expenses. Any remaining forfeited accounts will reduce the employer contributions.
- G. **Investments** - Participants can direct the investment of their accounts (including employee and employer contributions) among various funds. The funds as of December 31, 2024 and 2023 include a variety of common collective funds, mutual funds and money market funds. The available funds are regularly reviewed by the Plan Administrator and are subject to change at any time.

Note 2: Summary of Accounting Policies

- A. **Basis of Accounting** - These financial statements are prepared under the accrual method of accounting.
- B. **Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** - The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued as it is earned and dividends are recorded as of the ex-dividend date.

Note 3: Plan Termination

Although the employer has not expressed any interest to do so, the Plan may be terminated at any time by a resolution adopted by the employer upon the giving of written notice to the trustee and such other notices as may be required by ERISA.

Note 4: Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, level 2 inputs consist of quoted prices for similar assets in active markets; quoted prices for identical or similar assets in markets that are not active; and inputs other than quoted prices, and level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan had level 1 and 2 inputs at December 31, 2024 and 2023.

Investments consisted of the following at December 31:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Total 12/31/24
Investments			
Common Collective Fund \$		\$ 6,393,300	\$ 6,393,300
Mutual Funds	136,101		136,101
Money Market Funds	278,100		278,100
Total Investments	<u>\$ 414,201</u>	<u>\$ 6,393,300</u>	<u>\$ 6,807,501</u>

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Total 12/31/23
Investments			
Common Collective Fund \$		\$ 9,647,320	\$ 9,647,320

Note 4: Fair Value Measurements (cont'd)

During 2024, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$805,316. All of this appreciation was associated with investments in common collective funds and mutual funds.

Investments in the common collective funds consist of five funds, Fiduciary Investment Trust Growth B, Fiduciary Investment Trust Balanced B, Fiduciary Investment Trust Aggressive B, Fiduciary Investment Trust Moderately Conservative B and Fiduciary Investment Trust Conservative B. The fair value of these investments has been estimated using the net asset value per share of the investments based on the daily closing market valuations of the securities held by the common collective funds.

Note 5: Tax Status

The Plan adopted a prototype non-standardized 401(k) profit sharing plan with Ascensus, Inc. effective June 25, 2010. The former plan was rolled into the new plan. The Internal Revenue Service has determined and informed Ascensus in a letter dated March 31, 2014, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Company files form 5500 tax return. The years ending in 2021, 2022, 2023 and 2024 are subject to examination by the IRS, generally for three years after they are filed.

Note 6: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. All of the investments are held by one investment firm for the year ending December 31, 2024 and 2023.

Note 7: Subsequent Events

Subsequent events were evaluated through July 14, 2025, which is the date the financial statements were available to be issued.

Note 8: Transactions with Parties-In-Interest

The Plan pays Ascensus, Inc. to perform record keeping activities. The Plan pays Prime Capital Investment Advisors LLC for investment advisory services.

These transactions qualify as party-in-interest transactions. Administrative fees are paid by the Plan sponsor on behalf of the Plan when forfeitures are not sufficient to pay these fees. The Plan and the Plan sponsor paid \$48,399 for these fees for the year ended December 31, 2024. Of these fees, \$20,477 was paid by the Plan sponsor to Prime Capital Investment Advisors LLC and \$27,922 was paid to Ascensus, for the year ended December 31, 2024. The amount paid for by the plan sponsor is not included as administrative expenses on the statement of changes in net assets available for benefits.

Note 9: Reconciliation of Financial Statements to Schedule H of Form 5500

Total loss as of December 31, 2024 on the statement of changes in net assets available for benefits is \$3,183,265. The total loss on Schedule H of Form 5500 is \$3,183,265.
