INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Bethshan Association 403(b) Retirement Plan
Palos Heights, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bethshan Association 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended August 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 31, 2025 and 2024, and for the year ended August 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Plan Administrator and Plan Participants
Bethshan Association 403(b) Retirement Plan
Palos Heights, Illinois

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of August 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by or certified by an institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BETHSHAN ASSOCIATION 403(b) RETIREMENT PLAN

Notes to the Financial Statements

August 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN:

The following brief description of the Bethshan Association 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution retirement plan covering all employees of Bethshan Association (the Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The organization's management determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the organization's board of directors.

CONTRIBUTIONS

All employees are eligible upon hire to make elective deferral contributions up to the limits defined by the Internal Revenue Code. Participants who have attained age 50 are eligible to make catch-up contributions. Rollover contributions are also allowed by the Plan. Employees who are at least 18 years old and have worked a minimum of 83 1/3 hours per month, except the Executive Director, are eligible to receive matching contributions after they have completed twelve consecutive months of service. The employer matching contribution is equal to 100% of the employee's elective deferral up to 5% of compensation.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of (a) employer contributions and (b) Plan earnings and charged with an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant-directed.

VESTING

Participants are vested immediately in all contributions plus actual earnings thereon.

BETHSHAN ASSOCIATION 403(b) RETIREMENT PLAN

Notes to the Financial Statements

August 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN, continued:

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at inception of the participant loan, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably directly by the participant.

PLAN LOANS

Previously, the Plan allowed participants to borrow from Teachers Insurance and Annuity Association (TIAA) and College Retirement Equity Fund (CREF) using a portion of their Plan account as security for the loan. The Plan administrator has concluded that these loans are not Plan assets and that such arrangements are exempt transactions. The loan balances at August 31, 2025 and 2024, were \$28,222 and \$29,967, respectively and are secured by the balance in the participant's account and bear interest between 4.00%-5.10% and 4.00%-5.72%, respectively.

PAYMENT OF BENEFITS

Upon attainment of age 59 1/2 or disability, participants may elect to receive in-service benefit payments from employee deferrals, matching contributions and custodial account. Upon termination of service or death, a participant with an account balance of \$5,000 or more may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump sum, partial payments, installment payments, or annuity contracts. If the vested balance of the account is less than \$1,000, the participant will receive a lump sum amount.

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

CONTRIBUTIONS

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Investment management fees paid to TIAA are included with net appreciation in fair value of investments on the statement of changes in net assets available for benefits. Plan servicing fees paid to TIAA and other parties during the year ended August 31, 2025, totaled \$1,150. All other administrative expenses, such as consulting and accounting fees, were paid by the Organization.

Notes to the Financial Statements

August 31, 2025 and 2024

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of August 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended August 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA and CREF, a qualified institution.

4. FAIR VALUE MEASUREMENTS:

The *Fair Value Measurements and Disclosure* topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2025 and 2024:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
As of August 31, 2025:				
Variable annuity contracts	\$ 6,754,304	\$ -	\$ 6,754,304	\$ -
Non-benefit responsive fixed annuity contracts	592,736	-	-	592,736
Pooled separate accounts	146,735	-	146,735	-
	<u>\$ 7,493,775</u>	<u>\$ -</u>	<u>\$ 6,901,039</u>	<u>\$ 592,736</u>

BETHSHAN ASSOCIATION 403(b) RETIREMENT PLAN

Notes to the Financial Statements

August 31, 2025 and 2024

4. FAIR VALUE MEASUREMENTS, continued:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
As of August 31, 2024:				
Variable annuity contracts	\$ 6,074,432	\$ -	\$ 6,074,432	\$ -
Non-benefit responsive				
fixed annuity contracts	498,675	-	-	498,675
Pooled separate accounts	100,855	-	100,855	-
	<u>\$ 6,673,962</u>	<u>\$ -</u>	<u>\$ 6,175,287</u>	<u>\$ 498,675</u>

The fair value of mutual funds is based on quoted prices in active markets for identical assets. Variable annuity contracts are valued at the net asset value (NAV) of units held by the Plan at year end based on the fair value of the underlying investments. NAV is a readily determinable fair value which is published daily and is the basis for current transactions. Non benefit-responsive fixed annuity contracts are not actively traded, and significant other observable inputs are not available. Therefore, the fair value of the fixed annuity contracts is determined using an income approach by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. These contracts have liquidity restrictions and are non-benefit responsive. The fair value of the pooled separate account units is principally derived from the market value of the underlying real estate holdings or other real estate-related investments.

Changes in valuation techniques: None.

Level 3 investments totaled \$592,736 and \$498,675 as of August 31, 2025 and 2024, respectively. Total purchases of Level 3 investments were \$70,420 and total sales were \$12,286 during the year ended August 31, 2025.

BETHSHAN ASSOCIATION 403(b) RETIREMENT PLAN

Notes to the Financial Statements

August 31, 2025 and 2024

4. FAIR VALUE MEASUREMENTS, continued:

The following table presents information about significant unobservable inputs related to the Plan's investment in the TIAA Traditional Annuity:

	Fair Value	Valuation Technique	Significant Unobservable Inputs	Range (Weighted Average)
As of August 31, 2025:				
TIAA Traditional Annuity	\$ 592,736	Discounted cash flow	Risk-adjusted discount rate applied	3.65% - 6.60%
Non benefit-responsive				
As of August 31, 2024:				
TIAA Traditional Annuity	\$ 498,675	Discounted cash flow	Risk-adjusted discount rate applied	4.00% - 6.25%
Non benefit-responsive				

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with TIAA. TIAA maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit responsive guaranteed investment contracts at August 31, 2025 and 2024, was \$1,273,580 and \$1,159,093, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed on a quarterly basis for resetting.

BETHSHAN ASSOCIATION

403(b) RETIREMENT PLAN

Notes to the Financial Statements

August 31, 2025 and 2024

5. **GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY, continued:**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreements prior to the scheduled maturity date. The plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations.

6. **PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. **TAX STATUS:**

The Plan has adopted a prototype plan document sponsored by TIAA. The prototype plan document has obtained an opinion letter from the Internal Revenue Service dated August 7, 2017, stating that the form of the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believes that the Plan is qualified.

8. **RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

BETHSHAN ASSOCIATION
403(b) RETIREMENT PLAN

Notes to the Financial Statements

August 31, 2025 and 2024

9. PARTY-IN-INTEREST TRANSACTIONS:

Certain investments for the Plan are funds managed by TIAA and CREF. TIAA is the issuer of some contracts and recordkeeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. TIAA receives revenue from mutual fund service providers for services TIAA provides to the funds. This revenue is used to offset certain amounts owed to TIAA for its administrative services to the Plan and is reflected as other income of \$0 in the statement of changes in net assets available for benefits.

Direct fees of \$1,150 and indirect fees of \$43,842 were paid to TIAA by the Plan for the recordkeeping and investment management services for the year ended August 31, 2025.

10. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through June 5, 2026, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
