INDEPENDENT AUDITORS' REPORT

To the Fiduciary Committee and Affiliated Plan Sponsors of

Complete Healthcare Resources, Inc. Savings and Investment Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Complete Healthcare Resources, Inc. Savings and Investment Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of August 21, 2025 and December 31, 2024, and the related statement of changes in net assets in liquidation available for benefits for the period from January 1, 2025 through August 21, 2025, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (a "qualified institution").

Management has obtained certifications from a qualified institution as of August 21, 2025 and December 31, 2024, and for the period from January 1, 2025 through August 21, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination

As discussed in Note 1 to the financial statements, the Plan was terminated effective January 31, 2025, and the Plan was fully liquidated by August 21, 2025. The Plan adopted the liquidation basis of accounting for the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing audits in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

COMPLETE HEALTHCARE RESOURCES, INC. SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of Complete Healthcare Resources, Inc. Savings and Investment Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan was a defined contribution plan sponsored by Complete Healthcare Resources, Inc. ("CHR") and Mountain View Nursing, L.P. for the benefit of their employees who have completed six months of service, as defined. Collectively, these organizations will be referred to as the "Affiliated Plan Sponsors." The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was terminated effective January 31, 2025, and the Plan Sponsors ceased making contributions to the Plan at that time.

CHR's Fiduciary Committee was responsible for oversight of the Plan. CHR's Investment Committee determined the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Fiduciary Committee. The Plan was fully liquidated on August 21, 2025. Effective January 31, 2025, contributions to the Plan were frozen, and all participants were made 100% vested in their account balances.

Contributions - Each year, participants could contribute up to 70% of their eligible compensation, as defined in the Plan, up to the maximum dollar amount allowable by law. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Additionally, participants aged 50 or older, who were making contributions to the Plan, were allowed to make catch-up contributions as defined in the Plan. Participants were eligible to make elective deferral contributions on the first day of the calendar year month coincident with or next following completion of service requirements through the Plan's termination date.

Affiliated Plan Sponsors could receive employer matching contributions equal to 25% of participant contributions up to 8% of eligible compensation, as defined. Additional discretionary matching contributions could have been made to the Plan by the Affiliated Plan Sponsors. As noted above, there were no additional discretionary matching contributions made to the Plan for the period from January 1, 2025 through August 21, 2025.

Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participant investment account options – Participants could direct the investment of all contributions into various investment options offered by the Plan. The Plan offered various mutual funds and a money market fund as investment options for participants.

Participant accounts - Each participant's account was credited with the participant's contributions and allocations of: (a) the Affiliated Plan Sponsors' contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Allocation of the Affiliated Plan Sponsors' contributions was based on participant contributions and compensation. Allocations of Plan earnings and administrative expenses were based on account balances. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

COMPLETE HEALTHCARE RESOURCES, INC. SAVINGS AND INVESTMENT RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Vesting - Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Prior to the Plan's termination, employer matching contributions were subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0
After 2 years, but less than 3	25
After 3 years, but less than 4	50
After 4 years, but less than 5	75
After 5 years	100

Effective with the termination of the Plan on January 31, 2025, all participants became fully vested in their employer matching contributions.

Notes receivable from participants - Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans range from one to five years or up to ten years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. There were no notes outstanding as of August 21, 2025 and December 31, 2024.

Payment of benefits - The Plan permitted withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals were permitted for certain financial hardships or when a participant attains the age of 59½. Other than for retirement benefits, benefits were payable in lump sum payments. Upon retirement, a participant could receive a lump sum amount or in a series of installment payments equal to their vested account balance. Upon termination of service, a participant could receive a lump sum amount equal to their vested account balance if their vested account balance is less than \$7,000.

Forfeited accounts - As of August 21, 2025 and December 31, 2024, forfeited nonvested accounts totaled \$0 and \$7,562, respectively. These accounts could be used to first pay administrative expenses and then to reduce employers' contributions to the Plan. For the period from January 1, 2025 through August 21, 2025, forfeitures of \$7,710 were used to pay Plan expenses.

(2) Summary of significant accounting policies

Basis of accounting - The 2025 financial statements of the Plan are prepared under the liquidation method of accounting. The 2024 financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

(2) Summary of significant accounting policies (continued)

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. CHR's Fiduciary Committee determined the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held for the period from January 1, 2025 through August 21, 2025.

Contributions - Contributions from Plan participants and the matching contributions from the Affiliated Plan Sponsors are recorded in the year in which the participant contributions are withheld from compensation.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of August 21, 2025 and December 31, 2024. If a participant ceases to make the scheduled repayments and the plan administrator deems the participant to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Affiliated Plan Sponsors and are not included in the statement of changes in net assets available for benefits. Fees related to the administration of participant accounts, notes receivable from participants, and benefits paid to participants are charged directly to the participant's accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

(3) Information prepared and certified by the trustee

Certain information related to investments disclosed in the accompanying financial statements, including investments at fair value as of August 21, 2025 and December 31, 2024, and net appreciation in fair value of investments and interest and dividends, for the period from January 1, 2025 through August 21, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company ("FMTC"), the trustee of the Plan.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "*Fair Value Measurements and Disclosures*," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

(4) Fair value measurements (continued)

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include: quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of August 21, 2025 and December 31, 2024:

Mutual funds and money market fund: Valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. These funds held by the Plan are deemed to be actively traded.

As of December 31, 2024, investments held by the Plan were Level 1 investments. There were no investments held by the Plan as of August 21, 2025.

All of the Plan's investments are considered Level 1 investments in the fair value hierarchy.

(5) Related-party transactions and party-in-interest transactions

Certain Plan investments are invested in funds managed by Fidelity Investments. FMTC, an affiliate of Fidelity Investments, is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for recordkeeping expenses totaled \$10,951 for the period from January 1, 2025 through August 21, 2025. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments.

(6) Tax status

The IRS has determined that the prototype 401(k) profit sharing-plan is designed in accordance with applicable sections of the IRC and informed the recordkeeper of such in a letter dated June 30, 2020. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

(6) Tax status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that “more likely than not” would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Subsequent events

The Plan has evaluated subsequent events through May 29, 2026, which is the date the financial statements were available to be issued.
