Independent Auditors' Report

To the Administrative Committee
CTA Acoustics, Inc. Employees' Savings & Investment Plan
Corbin, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CTA Acoustics, Inc. Employees' Savings & Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the

Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets held as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CTA Acoustics, Inc. Employees' Savings & Investment Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the CTA Acoustics, Inc. (the Plan Sponsor) Employees' Savings & Investment Plan is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of CTA Acoustics, Inc. who have three months of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). CTA Acoustics, Inc. is the Plan's administrator and has appointed John Hancock Trust Company as the Plan's custodian (the custodian).

Contributions

Each year, participants may contribute up to 90 percent of pretax annual compensation, as defined in the Plan, subject to certain limitations. The Plan allows participants, upon turning the age of 50, to make catch-up contributions not exceeding certain limitations as outlined in the Plan. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options any time throughout the year via online or direct phone access.

The Plan also provides for an Automatic Contribution Arrangement (ACA), unless elected otherwise, for eligible employees. In accordance with the ACA provisions, the Plan Sponsor automatically will withhold from new participant's compensation 3% per pay period (referred to as the automatic deferral percentage) and will transmit the withheld amount to the Plan as elective deferrals.

Plan Sponsor matching and non-elective contributions are made at the discretion of the Plan's sponsor. The Plan Sponsor may make a discretionary matching contribution equal to a percentage of the employee contribution, such percentage and maximum match amount being determined annually. The maximum annual match amount for each participant during 2023 and 2022 was \$400. The discretionary match was \$63,677 for the year ended December 31, 2023. The Plan Sponsor may also make additional discretionary non-elective contributions which will be allocated among all eligible employees who are employed on the last day of the Plan year and who have at least 1,000 hours of service and are participants in the Plan. No discretionary non-elective contributions were made for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Plan Sponsor's discretionary matching and non-elective contributions, (b) plan earnings (losses), (c) administrative expenses, and (d) benefit payments. Plan earnings (losses) are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of the Plan are fully participant-directed.

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions and the Plan Sponsor's discretionary matching contributions plus actual earnings (losses) thereon.

Vesting in the Plan Sponsor's discretionary non-elective contribution portion of their accounts plus actual earnings (losses) thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon attaining age 59-1/2, retirement, death or disability, a participant may receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in installment payments. Non-terminated employees may make withdrawals from their elective deferral account balance as a hardship withdrawal prior to reaching age 59-1/2. Hardship withdrawals are subject to additional rules and conditions as outlined in the Plan agreement. Participants who terminate employment with vested account balances less than \$5,000 are paid in a lump-sum distribution.

Forfeitures

In the event that forfeitures occur, they will be used to reduce the employer's future contributions to the Plan. Forfeitures occur from discretionary non-elective contributions or when participants receive ineligible or excess matching contributions. During the year ended December 31, 2023, \$2,000 was used from the forfeiture account to pay plan expenses. Unallocated forfeitures were approximately \$2,600 and \$4,400 at December 31, 2023 and 2022, respectively.

Notes Receivable from Participant

In accordance with the provisions of the Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans fund. Loan terms generally range from 1 to 5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Interest rates range from 4.25% to 9.50%. Principal and interest is paid ratably through payroll deductions. Interest income from participant loans was \$18,357 for the year ended December 31, 2023. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

CTA Acoustics, Inc.

Employees' Savings & Investment Plan

Notes to Financial Statements

Use of Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administration Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Certain investment management and other fees are paid directly by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. Information Provided by the Custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and investment income (loss), benefits paid to participants, and administration expenses for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Trust Company.

4. Fair Value Measurements

The authoritative accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative accounting guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs include quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Stable value collective trust - A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value (NAV) of its units. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full or partial redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes from prior years in techniques and inputs used to determine fair value. There were no transfers between Levels 1 and 2 and no transfers in or out of Level 3 during 2023 or 2022.

The Plan's assets in the following tables, set forth by level within the fair value hierarchy, are as follows:

December 31, 2023:	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Mutual funds	\$ 4,593,708	\$ -	\$ -	\$ 4,593,708
Investments, measured at NAV:				
Stable value collective trust				35,927
Total investments at fair value				<u>\$ 4,629,635</u>

December 31, 2022:	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Mutual funds	\$ 4,080,266	\$ -	\$ -	\$ 4,080,266
Investments, measured at NAV:				
Stable value collective trust				40,633
Total investments at fair value				<u>\$ 4,120,899</u>

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) were as follows:

December 31, 2023:	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust*	\$ 35,927	N/A	Daily	1 day
December 31, 2022:	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust*	\$ 40,633	N/A	Daily	1 day

* Investment strategy for these investments, valued using NAV per share, is not being presented since it is a fund that files a Form 5500 as a direct filing entity (DFE).

5. Tax Status

The Plan is a non-standardized pre-approved profit-sharing plan with cash or deferred arrangement and obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code

CTA Acoustics, Inc. Employees' Savings & Investment Plan

Notes to Financial Statements

(IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Transactions with Parties in Interest

John Hancock Trust Company is the custodian of the plan and holds all of the Plan's investments. John Hancock Trust Company is a party in interest of the Plan as defined by ERISA Section 3(14), and accordingly investment transactions in the funds are party in interest transactions. Certain administrative expenses including legal and accounting fees relating to the maintenance of participant eligibility records are absorbed by the Plan Sponsor. Other than as described above or pursuant to a trust agreement, the Plan has no agreements or transactions with any parties in interest.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Plan Termination

Although it has not expressed any intent to do so, CTA Acoustics, Inc. has the right per the provisions of the plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

9. Delinquent Contributions

The Plan Sponsor made late participant contributions to the Plan for the year ended December 31, 2023, for participants of the Plan. The Plan Sponsor contributed late amounts totaling \$13,156 in 2023 for payroll dates in 2023. The Plan Sponsor is in the process of contributing the remaining late amounts totaling \$12,812 for payroll dates in 2023. The amount not yet contributed has been properly included as employee contributions receivable on the statements of net assets available for benefits as of December 31, 2023. The Plan Sponsor is in the process of calculating lost earnings to correct these transactions.

The Plan Sponsor made late participant contributions to the Plan for the year ended December 31, 2023, for participants of the Plan. The Plan Sponsor contributed the late amounts totaling \$8,766 in 2023 for payroll dates in 2022. The amount contributed in 2023 has been properly included as employee contributions receivable on the statements of net assets available for benefits as of December 31, 2022. The Plan Sponsor is in the process of calculating lost earnings to correct these transactions.

The Plan Sponsor made late participant contributions to the Plan for the year ended December 31, 2023, for participants of the Plan. The Plan Sponsor contributed the late amounts totaling \$13,098 in 2023 for payroll dates in 2021. The amount contributed in 2023 has been properly included as employee contributions

receivable on the statements of net assets available for benefits as of December 31, 2022. The Plan Sponsor is in the process of calculating lost earnings to correct these transactions.

A disclosure has been made on Form 5500, Schedule H Part IV, line 4a that \$47,832 of employee deferrals were not made within the time period described in 29 CFR 2510.3-102, which is considered a section 4975(a) prohibited transaction.

Subsequent to year end, all prohibited and lost opportunity transactions have been corrected or are in the process of being corrected and lost earnings have been corrected or are in the process of being corrected for deposit into the Plan.

10. Reconciliation to Form 5500

Deemed distributions are defaulted and unpaid participant loans of active participants that are disallowed on Form 5500. The following tables reconcile notes receivable from participants and net assets available for benefits as of December 31, 2023 and 2022, and benefits paid to participants and changes in net assets available for benefits for the year ended December 31, 2023, per the financial statements to the Form 5500 as filed by the Plan for the years ended December 31, 2023 and 2022.

11. Plan Corrections

The Plan Sponsor identified an operational error related to the automatic enrollment provisions of the Plan. Certain eligible employees were not automatically enrolled in the Plan in accordance with the Plan's terms. As a result, the Plan Sponsor is in the process of correcting the error in accordance with the Employee Plans Compliance Resolution System established by the IRS.

To remediate the issue, the Plan Sponsor is making a qualified non-elective contribution on behalf of the affected participants to compensate for missed deferrals, as well as any applicable employer matching contributions and associated earnings. The correction is expected to be completed in accordance with applicable regulatory requirements.

The financial statements reflect the estimated correction amounts of \$432,043 and \$108,635 as of December 31, 2023 and 2022, respectively.

12. Subsequent Events

Subsequent to December 31, 2023, the Plan Sponsor approved an amendment to the Plan to remove the automatic enrollment feature, effective May 1, 2026. Under the prior provisions, eligible employees were automatically enrolled in the Plan unless they elected otherwise.

The Plan Sponsor has evaluated subsequent events through June 1, 2026, which is the date the financial statements were available to be issued.
