Independent Auditor's Report

The Plan Administrator and Trustees
Harbor Group Comprehensive Health & Welfare Benefit Plan
Sioux Center, Iowa

Opinion

We have audited the financial statements of the Harbor Group Comprehensive Health & Welfare Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of Plan's benefit obligations as of August 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and statement of changes in Plan's benefit obligations for the year ended August 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of August 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the year ended August 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Line 4i - schedule of assets held at end of year, and schedule H, line 4j – schedule of reportable transactions as of or for the year ended August 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of Plan

The following description of the Harbor Group Comprehensive Health & Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a complete description of the Plan's provisions.

General

The Plan provides health, prescription drug, dental, vision, long-term and short-term disability, dependent care and medical expense reimbursement, identity protection monitoring, legal services, and life, critical illness, accident, and accidental death and dismemberment insurance benefits covering eligible employees of Harbor Group, Inc. and its subsidiaries (collectively, the Company) as defined by plan documents.

Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (the ERISA).

Benefits and Eligibility

The Plan provides benefits for the Company's participating full-time employees and part-time employees working 30 hours or more per week, shareholders, and their covered spouses and dependents. Employees are eligible to participate on the first day of the month following hire or stock purchase. The trust funds health, prescription drug, and dental benefits. Long-term and short-term disability, legal services, life, critical illness, accident, and accidental death and dismemberment benefits are provided through insurance contracts. The Plan also provides voluntary identity protection and monitoring benefits and continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage

The Plan has entered into a stop loss insurance agreement in an effort to limit its exposure for self-insured benefits (for individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Contributions

Participants pay the full cost of the flexible dependent care and medical expense reimbursement, identity protection monitoring, vision, voluntary life, cancer, accident, and accidental death and dismemberment insurance components of the Plan. The Company funds 100% of the group term life, and long-term and short-term disability portions of the Plan. The Company and participants both contribute towards the health, prescription drug, and dental portions of the Plan. The amount of a participants' contribution varies depending on the participants' choice of plan options.

The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Insured Benefits

The Plan fully insures long-term and short-term disability, identity protection monitoring, legal services, life, critical illness, accident, and accidental death and dismemberment benefits through insurance contracts. The Company purchases annual insurance contracts for these insured benefits. Premiums for basic life insurance and basic accidental death and dismemberment insurance programs are paid to the insurance company from the general assets of the Company. Premiums for all other insured benefits are paid from the assets of the VEBA trust.

Self-Insured Benefits

The Plan is "self-insured" for medical and dental benefits up to individual and aggregate stop loss limits. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

The Plan has flexible spending account (FSA) arrangements for health care and dependent care reimbursements that are funded solely by active employee contributions based on a calendar year. The FSA's allow eligible participants to be reimbursed tax free for qualified health care and dependent care expenses subject to annual limitations established under the Plan. The employer is not permitted to refund any part of the FSA balances to the employee; the accounts cannot be used for anything other than qualified health care and dependent care expenses; remaining amounts are not portable upon termination once the employee leaves the employer; and, any unused amount is forfeited back to the Company. Residual FSA amounts unused at the end of the calendar year can be carried over for 90 days into the next year to allow qualified expenses incurred during that period to be reimbursed from the account. Any residual FSA health care amounts in excess of $660 and any residual FSA dependent care amounts remaining after the 90 day extension are immediately forfeited.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, benefit obligations and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies and procedures utilizing information provided by investment advisors and custodians. See Note 3 for discussion of fair value measurements. Interest income is recorded on the accrual basis.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Concentration of Credit Risk

At times during the year, the balance of deposit accounts may be in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limit. Accounts are guaranteed by the FDIC up to $250,000 per depositor, per insured bank, for each account ownership category. At August 31, 2025 and 2024, the Plan's money market account balances were approximately $2,563,000 and $3,176,000, respectively, in excess of FDIC-insured limits.

Administrative Expenses

Administrative expenses incurred in the administration of the Plan that are paid by the Plan include managed care fees and medical administrative fees. These expenses are recorded as administrative expenses in the accompanying statement of changes in net assets available for benefits. Expenses that are paid by the Company, such as professional fees, are excluded from these financial statements.

Benefit Obligations

Plan obligations at August 31, 2025 and 2024 for health, drug, and dental claims incurred by participants but not reported at that date are estimated based on an analysis of claims paid subsequent to the Plan's year-end in addition to an estimate of future claims expected to be paid based upon an analysis of plan participants with chronic conditions as provided by the claims administrators. Such estimated amounts are included in the accompanying statements of plan's benefit obligations in amounts currently payable. Benefit obligations in excess of plan assets will be funded by Company contributions as described in Note 1.

Stop Loss

Premiums for stop loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits. Stop loss refunds received as of August 31, 2025 and 2024 totaling $1,230,519 and $551,423, respectively, net of aggregating plan deductibles of $125,000, have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended August 31, 2025.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling $1,369,440 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended August 31, 2025.

Payments for Benefits

Premiums paid by the VEBA trust are recorded as insurance premiums in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Flexible Spending Accounts

Included in the accompanying statements of net assets available for benefits are amounts available to reimburse participants for qualifying health care and dependent care expenses as of August 31, 2025 and 2024, totaling $73,735 and $72,734, respectively.

Subsequent Events

The Plan Sponsor has evaluated subsequent events through May 26, 2026, the date which the financial statements were available to be issued.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 31, 2025 and 2024.

Money Market Deposit Account – Valued at carrying value, which approximates fair value, based on the amount of net contributions plus any investment earnings allocated to the account.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Money market deposit account	$ -	$ 2,813,369	$ -	$ 2,813,369
Investments at fair value	$ -	$ 2,813,369	$ -	$ 2,813,369

	2024			
	Level 1	Level 2	Level 3	Total
Money market deposit account	$ -	$ 3,426,021	$ -	$ 3,426,021
Investments at fair value	$ -	$ 3,426,021	$ -	$ 3,426,021

Note 4 - Tax Status

The VEBA trust established to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and, accordingly, the VEBA trust's net investment income is exempt from income taxes. The VEBA trust has obtained an exemption letter dated May 27, 1988, in which the Internal Revenue Service (IRS) stated that the trust, as then designed, was in compliance with the applicable requirements of the IRC. However, as a result of the Plan's funding policy, from time to time, the trust may be subject to income taxes. No federal or state income taxes have been recorded in the financial statements for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Sponsor believes that the trust is currently designed and being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Related Party and Party-in-interest Transactions

Plan assets consist of a money market deposit account managed by Northwest Bank, who is the custodian as defined by the Plan, and, therefore, these transactions qualify as exempt party-in-interest transactions.

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions. Fees paid by the Plan to parties-in-interest for processing and administration of claims activity were $895,368 for the year ended August 31, 2025. Fees paid by the Plan to parties-in-interest for network access totaled $152,398 for the year ended August 31, 2025. Fees paid by the Plan to parties-in-interest for stop loss premiums were $1,053,463 for the year ended August 31, 2025.

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The estimated liability for claims incurred but not reported is based on historical trend information, which is subject to change. Due to uncertainties inherent in the estimation process, it is at least reasonably possible that changes in this estimate in the near term would be material to the financial statements.

Note 7 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at August 31, 2025 and 2024 to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 3,064,870	$ 2,466,370
Premiums due to insurers and claims incurred but not reported	(5,510,000)	(5,590,000)
Net assets available for benefits per the Form 5500	$ (2,445,130)	$ (3,123,630)

The following is a reconciliation of claims paid per the financial statements for the year ended August 31, 2025 to Form 5500:

Claims paid per the financial statements	$ 12,984,323
Add amounts currently payable	5,510,000
Less amounts payable at end of prior year	(5,590,000)
Benefits paid to participants per the Form 5500	$ 12,904,323

Claims that have been processed and approved for payment at year-end but not paid and claims incurred but not reported are not considered liabilities under generally accepted accounting principles (GAAP) and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.
