Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Sheetz, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sheetz, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended September 30, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sheetz, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheetz, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sheetz, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheetz, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of September 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SHEETZ, INC. 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024**

Note 1: Description of Plan

The following description of the Sheetz, Inc. 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Sheetz, Inc. (the "Company") established the plan to provide additional incentive and retirement security for eligible employees by permitting them to make elective contributions on a pre-tax and Roth after-tax basis and thereby share in Company matching contributions. Employees who both have attained age 18 and completed six months of service and 500 hours of service are eligible to participate in the plan as of the first day of the next calendar month. For employees who are age 21 or older, the Plan also contains an automatic enrollment and annual escalation provision for participants if certain criteria is met.

Contributions

For employees who completed 12 months of service and 1,000 hours, the Company matches eligible employee elective contributions on a dollar-for-dollar basis up to and including 4% of pay per payroll period. The Company does not match additional employee elective contributions. Employees may also make "rollover contributions" to the plan from other qualified retirement arrangements. The Company does not match rollover contributions. The plan offers various investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer's contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan agreement.

Vesting

Participants are immediately vested in both their contributions and Company contributions plus actual earnings thereon.

Notes Receivable from Participant

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years, or a reasonable period of time longer than 5 years for a purchase of a principal residence. The plan administrator determines a reasonable rate of interest.

Payment of Benefits

All benefits will be paid by lump sum, by a series of substantially equal payments over a fixed period of years, or by a specified dollar amount each year. Payment is eligible upon termination of service, retirement, eligible in-service withdrawals, death, and disability. Vested participants who separate from employment with the Plan sponsor, and whose account is more than de-minimis, may elect to leave their funds in the Plan. Effective January 1, 2024, the de-minimis amount was increased to \$7,000 from \$5,000. The Plan allows for in service hardship withdrawals if certain criteria is met.

Forfeited Accounts

As of September 30, 2025 and 2024, forfeited nonvested accounts totaled \$59 and \$0, respectively. Forfeitures may be used to pay administrative expenses or reduce employer contributions. No forfeitures were used during 2025 or 2024.

Note 2: Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are, therefore, excluded from these financial statements. Investment-related expenses are included in net realized and unrealized appreciation of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Secure Act and Secure Act 2.0

The Plan is currently working with their third party administrator to ensure compliance and any required plan changes are made to comply with the Secure Act and the Secure Act 2.0.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through May 6, 2026, which is the date the financial statements were available to be issued.

Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported results of net assets.

Note 3: Fair Value Measurement

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2025 and 2024.

Assets at Fair Value as of September 30, 2025				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common/Collective Trust	\$ 0	\$519,207,652	\$0	\$519,207,652

ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were available to the Plan.

Note 3: Fair Value Measurement (Continued)

Gains and losses in net assets available for benefits for years ending September 30, 2025 and 2024, are reported in net realized and unrealized appreciation of investments.

The Plan's policy is to recognize transfer of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended September 30, 2025 and 2024, there were no transfers of investments into or out of Level 3.

There have been no changes in the methodologies used or level designations at September 30, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Common/Collective Trusts accounts are valued using the net asset value based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. The Plan can redeem these investments daily. There are no restrictions on redemptions.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of September 30, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Note 3: Fair Value Measurement (Continued)

(a) This class includes investment in common/collective trust that primarily invests in investment contracts and security backed contracts. The investment contracts are issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period. A security-backed contract has similar characteristics as traditional investment contract and is comprised of two parts: the first part is a fixed income security or portfolio of fixed income securities; the second part is a contract value guarantee (wrapper) provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and return of fully accrued contract value at maturity. The Fund's investment objective is to maintain principal. The fair value of the investments in this class have been estimated using the net asset value per unit of the investments in the trust.

Note 4: Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated February 9, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2022.

Note 5: Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Principal Trust Co., the trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of September 30, 2025 and 2024, the supplemental Schedule H, Line 4i, Schedule of Assets Held at End of Year as of September 30, 2025, and the related investment activity and interest on participants notes reported in the Statements of Changes in Net Assets Available for Benefits for the years ended September 30, 2025 and 2024.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA.

Note 7: Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Principal Financial Group. Principal Financial Group is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

The plan received transfers from Sheetz, Inc. ESOP of \$849,453 and \$810,152 for the periods ending September 30, 2025 and 2024, respectively. Plan transfers occur when Sheetz, Inc. ESOP participants make diversification elections during the plan year. The Sheetz, Inc. ESOP is another qualified retirement plan of the plan sponsor and, therefore, the transfers qualify as a related party transaction. The transfers are included in rollover contributions on the statements of changes in net assets available for benefits.

Contract administrator fees and other expenses paid by the Plan amounted to \$1,026,386 and \$877,396 for the years ended September 30, 2025 and 2024.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 8: Separated Participants

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to September 30 but not yet paid as of that date.

Vested accounts of terminated participants included in investment balances as of September 30, 2025 and 2024 totaled \$9,487,192 and \$7,936,336, respectively, as reported to the Internal Revenue Service on Form 8955-SSA.

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.
