INDEPENDENT AUDITOR'S REPORT

Attn: Brian King
Board of Trustees and Management
Sheetz, Inc.
Employee Stock Ownership Plan
5700 Sixth Avenue
Altoona, Pennsylvania 16602

Opinion

We have audited the financial statements of Sheetz, Inc. Employee Stock Ownership Plan, an Employee Stock Ownership Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Sheetz, Inc. Employee Stock Ownership Plan as of September 30, 2025 and 2024, and the changes in its net assets available for benefits for the year ended September 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sheetz, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheetz, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards , we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sheetz, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheetz, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and

Other Matter - Supplemental Schedule Required by ERISA (Continued)

Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SHEETZ, INC.
EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024

Note 1: Plan Description

The following brief description of the Sheetz, Inc. Employee Stock Ownership Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for complete information.

Sheetz, Inc. established the Sheetz, Inc. Employee Stock Ownership Plan (Plan) effective as of January 1, 2001.

The most current plan restatement was effective October 1, 2023.

Eligibility

Employees of Sheetz, Inc. and such of its affiliated entities have adopted the Plan for their employees referred thereafter as (the Company and/or Plan Sponsor) are generally eligible to participate in the Plan after one year of service providing they worked at least 1,000 hours during such plan year and reached 18 years of age. Participants who do not have at least 1,000 hours of service during such plan year or are not employed on the last working day of a plan year are generally not eligible for an allocation of Company contributions for such year.

Payment of Benefits

No distributions from the Plan will be made until a participant retires, dies (in which case, payment shall be made to his or her beneficiary or, if none, his or her legal representatives), or otherwise terminates employment with the Company and its participating subsidiaries. Distributions are made in cash or, if a participant elects, in the form of Company common shares plus cash for any fractional share.

Voting Rights

The Trustee shall vote all shares of stock, including fractional shares, allocated to a participant's account, or held in the unallocated stock account and any suspense account.

Plan Termination

The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, the interest of each participant in the trust fund will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the code. Upon termination of the Plan, the Employee Benefits Administration Committee shall direct the Trustee to pay all liabilities and expenses of the trust fund and to sell shares of financed stock held in the loan suspense account to the extent it determines such sale to be necessary in order to repay the loan.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited as of the last day of each plan year with an allocation of shares of the Company's common stock released by the Trustee from the unallocated account and forfeitures of terminated participant's nonvested accounts. Only those participants who are eligible employees of the Company as of the last day of the plan year will receive an allocation.

The Plan provides that the number of shares allocated to each participant is based on that participant's allocation units. The number of allocation units each participant has is based on two factors. Those factors are eligible compensation and length of service.

SHEETZ, INC.
EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024
(CONTINUED)

Note 1: Plan Description (Continued)

Participant Accounts (Continued)

Under the formula, for the September 30, 2025 plan year, each participant would receive allocation units based upon the below table:

<u>Length of Service</u>	<u>Allocation Unit</u>
Less than 4 years	2.10 allocation units for each \$1.00 of eligible compensation
At least 4 years but Less than 10 years	2.85 allocation units for each \$1.00 of eligible compensation
At least 10 years but Less than 15 years	3.35 allocation units for each \$1.00 of eligible compensation
At least 15 years	4.10 allocation units for each \$1.00 of eligible compensation

Participants who are highly compensated employees under the Internal Revenue Code definition receive one unit per eligible compensation regardless of length of service.

Vesting

Post the October 1, 2014 plan restatement, if an employee is credited with at least one hour of service on or after October 1, 2014, they will be 100% vested in their account if their employment terminates after they have completed three years of service. Notwithstanding the foregoing, five years of service is required for 100% vesting, if all service was completed prior to the Plan year beginning October 1, 2014. For this purpose, service is measured from the date the employee begins to work for the Company through the day their employment terminates. If the employee has a period of absence of less than one year, the period of absence will be credited as "service." If the employee has a period of absence of for more than one year, but less than five years, their pre-termination and post-termination service (but not the period of absence) will be added together. Also, if the employee has three years of service before their termination, they will keep all of their prior service.

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its participants, and that is not readily tradable on an established market or that is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair market value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Diversification

Each participant who has reached age 55 and who has completed at least 10 years of participation in the Plan shall be permitted to make a diversification election in accordance with the procedure adopted by the Committee. A diversification election shall be in writing and shall apply to an amount that (a) is not less than \$500, and (b) does not exceed 25% (50% for the last year for which an election may be made) of the stock allocated to a participant's account reduced by the amount previously diversified.

EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024
(CONTINUED)

Note 1: Plan Description (Continued)

Participant Accounts and Forfeitures

Employer contributions and Plan forfeitures are allocated to each participant's account based upon the relation of the participant's allocation units for the Plan year. Forfeited nonvested account balances at September 30, 2025 and 2024 totaled \$0 and \$0, respectively. Net forfeited shares of 10.0545 for the year ended September 30, 2025 were allocated to participants' accounts. Plan earnings are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year account balances.

Note 2: Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events were evaluated through May 6, 2026, which is the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The common shares of the Company are valued at fair value on September 30, 2025 and 2024. Fair value is determined by annual, independent appraisals.

Dividend income is accrued on the ex-dividend date.

Purchases and sales of securities are recorded on a trade date basis. Realized gains and losses from security transactions are reported on the average cost method.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company and excluded from the financial statements.

Secure Act and Secure Act 2.0

The Plan is currently working with their third party administrator to ensure compliance and any required plan changes are made to comply with the Secure Act and the Secure Act 2.0.

EMPLOYEE STOCK OWNERSHIP PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024
(CONTINUED)

Note 3: Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present fair value measurement information for certain financial instruments.

	<u>Fair Value</u>	Significant Unobservable Inputs (Level 3)
<u>September 30, 2025</u>		
Sponsor Company Common Stock	\$721,026,406	\$721,026,406
	<u>Fair Value</u>	Significant Unobservable Inputs (Level 3)
<u>September 30, 2024</u>		
Sponsor Company Common Stock	\$686,202,616	\$686,202,616

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There have been no changes in the methodologies used or level designations at September 30, 2025 and 2024.

Level 3 Fair Value Measurements

The fair value of the sponsor company common stock is determined by an annual independent appraisal. This appraisal was based on a combination of the market and income valuation methods consistent with prior years. The appraiser took into account historical and projected cash flow and net income, return on assets, return on equity, market comparables, and estimated fair value of Company assets and liabilities. The following table provides further details of this level 3 fair value measurement.

<u>Balance</u> - Beginning	\$686,202,616

Stock Sales	(24,619,939)
Stock Purchases	<u>0</u>
<u>Balance</u> - Ending	<u>\$721,026,406</u>

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended September 30, 2025 are reported in net unrealized appreciation in estimated value of investments.

The Plan's policy is to recognize transfer of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended September 30, 2025 and 2024, there were no transfers of investments into or out of Level 3.

Note 4: Administration of Plan Assets

The Plan's assets, which consist principally of sponsor company common shares, are held by the Trustee of the Plan.

Company contributions are held and managed by the Trustee, which invests cash received, interest, and dividend income and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Company or its subsidiaries. No such officer or employee receives compensation from the Plan. Administrative expenses for the Trustee's fees are paid directly by the Company.

Note 6: Plan Contributions

For the Plan year ended September 30, 2025, the Plan received contributions totaling \$22,373,015 cash.

Note 7: Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 16, 2014 that the Plan is qualified, and the trust established under the Plan is tax-exempt, under the appropriate sections of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2022.

Note 8: Transaction with Related Parties

Employees of the Company served as Trustees for the Plan in 2025 and 2024. At September 30, 2025 and 2024, the trust's investment portfolio was entirely composed of securities of the Company. The Company contribution of \$22,373,015 cash for the year ended September 30, 2025 was approved by the Board of Directors of Sheetz, Inc. and paid or accrued to the Trust.

Benefit payments for the year ended September 30, 2025 included \$849,453 of diversification elections, which resulted in a transfer of plan assets from Sheetz, Inc. ESOP to Sheetz, Inc. 401(k) Retirement Plan. The Sheetz, Inc. 401(k) Retirement Plan is another qualified retirement plan of the plan sponsor and, therefore, the transfer qualifies as a related party transaction.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 9: Concentrations

The assets of the Plan consist of 100% of the outstanding stock of the Company. The Company operates in the convenience store industry.

Note 10: Risks and Uncertainties

The Plan invests in the Plan Sponsor's company stock. All investment securities are exposed to various risks such as market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11: Distributions

During 2025, the Plan made distributions of Company stock in the amount of 191.1779 shares at a value of \$24,618,939 which is included in the \$50,112,563 of distributions to participants on the statement of changes in net assets available for benefits for the year ended September 30, 2025.

Note 12: Separated Participants

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to September 30, but not yet paid as of that date.

Vested accounts of terminated participants included in investment balances as of September 30, 2025 and 2024 totaled \$16,490,246 and \$9,301,038, respectively, as reported to the Internal Revenue Service on Form 8955-SSA.
