Independent Auditors' Report

To the Board of Directors
Cedar Lake Lodge, Inc.
Louisville, Kentucky

Opinion

We have audited the accompanying financial statements of Cedar Lake Lodge, Inc. Employee Health Benefit Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of August 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (modified cash basis) of Cedar Lake Lodge, Inc. Employee Health Benefit Plan as of August 31, 2025 and 2024, and the changes in its net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cedar Lake Lodge, Inc. Employee Health Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cedar Lake Lodge, Inc. Employee Health Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cedar Lake Lodge, Inc. Employee Health Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) Schedule H, line 4i – Schedule of Assets (Held at End of Year) and (2) Schedule H, line 4j – Schedule of Reportable Transactions as of or for the year ended August 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CEDAR LAKE LODGE, INC. EMPLOYEE HEALTH BENEFIT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Cedar Lake Lodge, Inc. Employee Health Benefit Plan (Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, a copy of which may be obtained from the Plan Sponsor.

General:

The Plan, which was established September 1, 1996, is an employee health and welfare benefit plan providing medical benefits, utilizing a Preferred Provider Network, and prescription drug benefits to eligible employees of Cedar Lake Workforce, LLC, and their covered dependents. Cedar Lake Workforce, LLC serves as the single employer of employees of Cedar Lake Lodge, Inc. (Plan Sponsor), Cedar Lake Residences, Inc. and Cedar Lake Foundation, Inc., which are subsidiaries of the parent company, Cedar Lake, Inc. (collectively "the Companies"). Cedar Lake Workforce, LLC leases employees to Cedar Lake Lodge, Inc., Cedar Lake Residences, Inc. and Cedar Lake Foundation, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits:

The Plan provides medical and prescription drug benefits to employees who are employed by the Companies on a regular, full-time basis for at least thirty hours per week. Effective September 1, 2023, the Plan was amended to allow new employees to enroll in the Plan on the first of day of the month following their date of hire. Prior to this change employees were required to be employed for a period of sixty days from their date of hire before enrolling in the Plan. The Plan also provides continuation of certain benefits upon the termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop-loss coverage:

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as aggregate exposure for all claims).

Self-insured benefits:

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes pharmacy benefit managers (PBM) which periodically make refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions:

The Plan is funded by contributions made by the Plan Sponsor and employees participating in the Plan. In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Plan Sponsor pays the full cost of the stop-loss insurance. The Plan Sponsor makes contributions to the Plan as needed to fund claims in excess of participant contributions. The Plan Sponsor periodically evaluates the funding amounts related to the plan benefits being paid, and determines the amount to be contributed by the Plan Sponsor and employees for each type of coverage.

The Plan is maintained through a trust agreement, directed by the trustee appointed by Cedar Lake Lodge, Inc., which is known as the Cedar Lake Lodge, Inc. Employee Health Benefit Trust Agreement. Funds for payment of claims considered under the Plan are forwarded to accounts governed by the trust, from which claims are to be paid.

Note 2. Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to the modified cash basis of accounting and have been consistently applied in the preparation of the financial statements.

Basis of accounting:

The financial statements of the Plan are prepared using the modified cash basis of accounting. Under this method, revenues are recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

Use of estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by its investment advisors and the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the modified cash basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:

Claims payments are recorded when the Plan Sponsor reimburses the claims processor. Claims incurred by participants and their dependents prior to the end of the plan year, but not paid by the Plan as of the end of the plan year, will be recorded as benefit payments when paid by the Plan and will be funded by future contributions to the Plan.

Refunds:

Refunds from the Plan's pharmacy benefit managers and stop-loss insurance are recorded when received. Pharmacy rebates totaling $248,462 and $300,711 and stop loss refunds totaling $595 and $116,697, have been netted with claims paid in the accompanying statements of changes in net assets available for benefits (modified cash basis) for the years ended August 31, 2025 and 2024, respectively.

Subsequent events:

Subsequent events have been evaluated through June 3, 2026, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active or inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

All assets have been valued using a market approach. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at August 31, 2025 and 2024.

Money market funds – valued at the net asset value of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	2025	2024
Level 1:		
Money market funds	$4,804,069	$3,689,706
Total assets at fair value	$4,804,069	$3,689,706

Note 4. Contract with Insurance Company

For the years ended August 31, 2025 and 2024, the Plan Sponsor had a contract with an insurance company under an Excess Loss Policy providing for a stop-loss arrangement whereby the Plan absorbs benefit claims for an individual covered participant up to a fixed dollar amount per covered participant per plan year of $200,000, with any excess benefit claims being paid by the insurance company under the contract.

The premiums under this policy were approximately $337,000 and $377,000 for the plan years ended August 31, 2025 and 2024, respectively. The stop-loss premiums were paid by the Plan Sponsor and are not reflected in the Plan's financial statements. The stop-loss premiums paid were reduced by approximately $88,000 in pharmacy rebates received by the Plan Sponsor for the plan year ended August 31, 2024. There was no such reduction for the plan year ended August 31, 2025.

During the current plan year, the Plan Sponsor transitioned from an aggregate stop-loss policy to a specific stop-loss policy. No stop-loss reimbursements were received during the plan year, as no individual claims reached the specific stop-loss threshold.

NOTES TO FINANCIAL STATEMENTS

Note 5. Income Tax Status

Health and welfare plans have no Internal Revenue Service determination letter program. The Plan Sponsor believes the Plan is designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Administration of Plan

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No officer or employee receives compensation from the Plan.

Substantially all administrative costs associated with the Plan are paid by the Plan Sponsor. Administrative fees paid by the Plan Sponsor for the plan years ended August 31, 2025 and 2024 were approximately $276,000 and $259,000, respectively.

Note 7. Plan Modification and Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Plan Sponsor or be used for purposes other than the exclusive benefit of the Plan's participants.

Note 8. Risk and Uncertainties

The Plan maintains significant investments with Stock Yards Bank and Trust. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Claims Incurred But Not Reported

Plan obligations at August 31, 2025 and 2024, for claims incurred but not reported are estimated by the Plan's insurance provider to be approximately $140,000 and $260,000, respectively. These amounts are paid by the Plan only if claims are submitted and approved for payment.
