Each employee on the Sale Date who was a participant in the Predecessor Plan shall be fully vested as of the Sale Date in the accrued benefit under the Predecessor Plan which is subsequently transferred to this Plan.

Notwithstanding any other provision of the Plan to the contrary, a Participant's vested interest in his accrued benefit shall be 100% if he is employed by an employer or an affiliated company on his normal retirement date, regardless of whether he has completed the number of years of service required under the above schedule for 100% vesting.

Early Retirement Benefit: Calculated the same as for normal retirement, except that the Primary Benefit percentage reduction shall be 41.6% for Participants who retire at age 55, 44.4% for those who retire at age 56, 47.2% for those who retire at age 57, and 50.0% for those who retire at age 58 and over.

The monthly normal retirement benefit is reduced by 1/6 of one percent for each month from age 62 through 64, 1/3 of one percent for each month from age 60 through 61, and 1/2 of one percent for each month from age 55 through 59, by which the early retirement date precedes the Normal Retirement Date.

Disability Benefit: None.
