Independent Auditor's Report

To the Children and Families First 401(a) MPP Plan
and Participants
Greensboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Children and Families First 401(a) MPP Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of April 30, 2023 (in liquidation) and December 31, 2022 (ongoing), and the related statement of changes in net assets available for benefits for the period ended April 30, 2023 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Children and Families First 401(a) MPP Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of April 30, 2023 and December 31, 2022 and for the period ended April 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Children and Families First 401(a) MPP Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Terminating Plan and Liquidation Basis of Accounting

As further discussed in Notes 1 and 8 to the financial statements, the Plan Sponsor, approved on March 6, 2023 to terminate the Plan and management determined liquidation is imminent. As a result, the Children and Families First 401(a) MPP Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2022 financial statements to the liquidation basis of accounting used in presenting the 2023 financial statements. The Plan was terminated effective April 30, 2023. All net assets available for benefits were distributed to Plan participants as of April 30, 2023. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Children and Families First 401(a) MPP Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CHILDREN AND FAMILIES FIRST 401(a) MPP PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Children and Families First 401(a) MPP Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Plan Termination

By a resolution adopted by the Plan Sponsor on March 6, 2023, the Plan terminated effective April 30, 2023. As a result, all account balances were distributed to Plan participants on April 30, 2023. All participants became 100% vested on April 30, 2023 and Organization's contributions were suspended as of January 1, 2023.

General

Prior to the date of termination, the Plan was a noncontributory money purchase pension plan, covering eligible employees of Children and Families First (the "Organization") who have 1,000 hours and one year of service, and are age twenty-one or older. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator was responsible for oversight of the Plan. The Organization and Investment Manager determined the appropriateness of the Plan's investment offerings, monitored investment performance and reported to the Plan administrator.

Subsequent to the date of termination, but prior to the issuance of these financial statements, the Plan Sponsor changed its name from Children and Families First to GenerationEd.

Contributions

Prior to January 1, 2023, the Organization made contributions equal to 5% of the participant's compensation for eligible participants within the plan year. The Plan was subject to ERISA minimum funding requirements and met all of the requirements for 2023 and 2022. The Plan did not allow employee contributions. Participants directed the investment of the contributions into investment options offered by the Plan. The Plan offered a money market fund, various mutual funds, a pooled separate account, and annuity contracts as investment options.

Participant Accounts

Prior to the date of termination, each participant's account was credited with the amounts rolled over from other qualified plans, Organization contributions, as well as allocations of Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant was entitled was the balance in the participant's vested account.

Vesting

All participants became fully vested on the Plan termination date effective April 30, 2023.

CHILDREN AND FAMILIES FIRST 401(a) MPP PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Benefits are payable to participants upon termination of employment, retirement, death, or other qualifying events as defined by the Plan. Distributions may be made in a lump sum or other permitted forms as elected by the participants in accordance with Plan provisions and applicable Internal Revenue Code requirements. The Plan was terminated effective April 30, 2023, and all participant account balances were deemed distributed from the Plan's trust and separate individual accounts were set up on behalf of the Plan's participants.

Forfeited Accounts

Forfeited nonvested accounts totaled \$-0- and \$8,507 as of April 30, 2023 and December 31, 2022, respectively. For the period ended April 30, 2023, \$12,571 of forfeitures were used by the Organization to reduce administrative expenses and Organization contributions.

Reclassifications

Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of net assets available for benefits or the statement of changes in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization approved to terminate the Plan effective April 30, 2023. The termination was deemed to be imminent during 2023. In accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting used to determine the amounts at which investments and benefit distribution information is stated from the accrual (ongoing) basis used in the presentation of the 2022 financial statements to the liquidation basis of accounting presentation of the 2023 financial statements.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments were reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determined the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

CHILDREN AND FAMILIES FIRST 401(a) MPP PLAN
Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation or depreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from the Organization are recorded in the year in which the underlying employee's compensation is paid.

Payment of Benefits

Benefits were recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Organization. Expenses that were paid by the Organization were excluded from these financial statements. Investment related expenses were included in net appreciation/depreciation of fair value of investments. Expenses relating to specific transactions, such as distribution fees, are paid directly by the participant and are included in administrative expenses.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through June 3, 2026, which is the date the financial statements are issued.

NOTE 3 - INFORMATION CERTIFIED BY TIAA AND CREF (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements, including investments held at April 30, 2023 and December 31, 2022, and net appreciation in fair value of investments, and interest and dividends for the period ended April 30, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Teachers Insurance and Annuity Association of America ("TIAA") and College Retirement Equity Fund ("CREF").

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest to unobservable inputs.

CHILDREN AND FAMILIES FIRST 401(a) MPP PLAN
Notes to Financial Statements

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under Topic 820 - *Fair Value Measurement* are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Funds held by the Plan were open-end funds that were registered with the SEC. These funds were required to publish their daily Net Asset Value ("NAV") and to transact at that price. The funds held by the Plan were deemed to be actively traded.

Pooled separate account: Valued at the NAV of shares in each account held by the Plan at year-end. The NAV is not a publicly-quoted price in an active market. The NAV, as provided by the insurance carrier, is used as a practical expedient to estimate fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 (ongoing). Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Fair Value Measurements at April 30, 2023			
	Level 1	Level 2	Level 3
Money market fund	\$ -	\$ -	\$ -
Mutual funds	-	-	-
Total assets in the fair value hierarchy	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV as a practical expedient (a)			-
Investments at fair value			<u>\$ -</u>

CHILDREN AND FAMILIES FIRST 401(a) MPP PLAN
Notes to Financial Statements

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

	Fair Value Measurements at December 31, 2022			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 198,560	\$ -	\$ -	\$ 198,560
Mutual funds	5,201,294	-	-	5,201,294
Total assets in the fair value hierarchy	<u>\$ 5,399,854</u>	<u>\$ -</u>	<u>\$ -</u>	<u>5,399,854</u>
Investments measured at NAV as a practical expedient (a)				<u>49,830</u>
Investments at fair value				<u>\$ 5,449,684</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE AS A PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2022 (ongoing). There were no participant redemption restrictions over withdrawals for the investments; the redemption notice periods were applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
April 30, 2023	\$ -	N/A	N/A	N/A
December 31, 2022	\$ 747,299	N/A	Daily	90 days

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of the money market fund, pooled separate account, mutual funds, and annuity contracts managed by TIAA and CREF, their subsidiaries and/or affiliated companies, therefore, these transactions qualified as party-in-interest transactions. Plan recordkeeping services were provided by TIAA and qualify as party-in-interest transactions.

NOTE 7 - PLAN TERMINATION AND REPORTING

The Organization had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As disclosed in Note 1, the Organization terminated the Plan effective April 30, 2023. Plan assets were distributed to Plan participants on April 30, 2023.

CHILDREN AND FAMILIES FIRST 401(a) MPP PLAN

Notes to Financial Statements

NOTE 8 - TAX STATUS

The Organization had adopted a prototype plan sponsored by TIAA. The prototype plan had received a determination letter from the Internal Revenue Service dated October 7, 2020, that the prototype plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan had been amended since receiving the determination letter, the Plan administrator believed the Plan was designed and was being operated in compliance with the applicable provisions of the IRC and therefore believed that the Plan was qualified and the related trust was tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 30, 2023 and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net assets available for benefits per the financial statements to Form 5500 net assets as of April 30, 2023 (in liquidation) and December 31, 2022 (ongoing), is as follows:

	2023	2022
Net assets available for benefits per the financial statements	\$ -	\$ 6,392,965
Employer contributions receivable	-	(245,812)
Net assets per Form 5500	<u>\$ -</u>	<u>\$ 6,147,153</u>

A reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 net loss for the period ended April 30, 2023, is as follows:

Change in net assets available for benefits per the financial statements	\$ (6,392,965)
Change in employer contributions receivable	245,812
Net loss per Form 5500	<u>\$ (6,147,153)</u>
