Report of Independent Auditors

Board of Directors
Three Rivers Corporation Employees' Profit Sharing Plan
Midland, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Three Rivers Corporation Employees' Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended August 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Three Rivers Corporation Employees' Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Three Rivers Corporation Employees' Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Three Rivers Corporation Employees' Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Three Rivers Corporation Employees' Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of August 31, 2025 and schedule of delinquent participant contributions for the year ended August 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Three Rivers Corporation Employees' Profit Sharing Plan

Notes to Financial Statements

August 31, 2025

1. Description of the Plan

The following description of the Three Rivers Corporation Employees' Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Three Rivers Corporation (the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Three Rivers Corporation is the Plan's administrator.

Eligibility

The Plan covers substantially all the employees of the Plan Sponsor, except union employees, interns, nonresident aliens, and leased employees, who are age 21 or older.

Contributions

Each year, participants may contribute their earnings, not to exceed amounts established by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employee contributions are funded on a per payroll basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Newly eligible participants are automatically enrolled in the Plan at 3%, unless the participant elects not to participate. The Plan Sponsor contributes 50% for every 1% of employee deferrals with a limit of 3% employer match and no service requirement.

Each year, the Plan Sponsor may contribute a discretionary nonelective contribution amount to the Plan as determined by the Plan Sponsor's Board of Directors. To receive the discretionary nonelective contribution, participants must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year. The participant will receive the contribution if they are not employed due to retirement, disability, or death. All contributions are subject to the limits established by the Internal Revenue Service. No discretionary nonelective contributions were made during the years ended August 31, 2025 and 2024.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in a discretionary method in any of the investment options offered by the Plan. Participants may change their investment options at any time.

Three Rivers Corporation Employees' Profit Sharing Plan

Notes to Financial Statements

August 31, 2025

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's matching contribution, and allocations of (a) the Plan Sponsor's discretionary contribution (if any), (b) Plan earnings, and (c) applicable administrative expenses. Allocations are based on participant compensation during the year or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant loans are not permitted under the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching and discretionary contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeited Accounts

Forfeited non-vested account balances are used to reduce the Plan Sponsor's contributions or pay plan expenses. As of August 31, 2025, forfeited non-vested accounts totaled \$6,535 (\$52,822 as of August 31, 2024). Forfeitures used to reduce the Plan Sponsor's contributions and expenses amounted to \$60,978 for the year ended August 31, 2025, and \$2,373 for the year ended August 31, 2024.

Payment of Benefits

Upon termination of service or the participant's total disability, death, retirement (age 65), or early retirement (age 60 or older and 5 or more years of service) the vested amount in the participant's account shall be paid to the participant. Participants may also take distributions at age 59.5. The participant may elect to receive a lump-sum payment, substantially equal installments, or partial withdrawals. If the value of a participant's vested account is less than \$5,000, the balance will be automatically distributed. Hardship distributions are allowed, as defined in the plan agreement.

Administrative Expenses

The Plan Sponsor pays certain Plan administrative expenses. Plan administrative expenses paid by the Plan Sponsor include legal fees and audit fees, and qualify as party-in-interest transactions which are exempt from prohibited transaction rules.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through June 8, 2026, the date the financial statements were available to be issued.

3. Investments – Unaudited

The Plan's financial information and data was certified by Ascensus Trust Company for the period from April 24, 2025 to August 31, 2025 and Newport Trust Company for the period from September 1, 2024 to April 24, 2025 and the year ended August 31, 2024 in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. On April 24, 2025, after a merger between Newport Trust Company and Ascensus Trust Company, the investment balances were transferred from Newport Trust Company to Ascensus Trust Company. Accordingly, the investment balances, interest and dividends, and net change in fair value of investments included in the financial statements and supplemental schedules were obtained from data that has been prepared and certified as complete and accurate by the trustees. This certified information has not been audited by independent auditors.

4. Fair Value Measurements

As defined in the current authoritative guidance, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The guidance applies to all financial instruments that are measured and reported on a fair value basis. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 – Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of August 31, 2025 and 2024.

Mutual funds: Valued at fair value determined by quoted market prices of the underlying securities as reported by the custodian of the Plan.

Collective investment trust fund: The Plan's investment in the MetLife Stable Value Solutions J fund is stated at estimated fair value based on the net asset value of the participant units in each fund as a practical expedient. There are no unfunded commitments or redemption restrictions related to the investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Common collective trust investment measured at net asset value as a practical expedient				908,844
Investments at fair value				<u>\$ 39,720,419</u>

5. Transactions with Parties-In-Interest

The Plan's parties-in-interest include the Plan Sponsor, participants, Newport Trust Company, Ascensus Trust Company, and Tri-Star Trust Bank (as Plan advisor). The auditor is also considered a party-in-interest for audit services to the Plan. The Plan paid contract administrator fees to Newport/Ascensus Trust Company in the amount of \$40,244 for the year ended August 31, 2025 and \$52,368 for the year ended August 31, 2024. The Plan paid investment advisory and management fees to Tri-Star Trust Bank in the amount of \$120,873 for the year ended August 31, 2025, and \$107,575 for the year ended August 31, 2024.

6. Plan Termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to terminate the Plan in whole or in part, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Risks and Uncertainties

The Plan invests in various mutual funds and other investments with underlying securities consisting of any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Income Tax Status

The Internal Revenue Service has determined and informed the Plan, by a letter dated November 30, 2020, that the Plan is a qualified plan under Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Generally, tax years 2021 through the current year remain open to examination. The Plan Sponsor does not believe that the results from any examination of these open years would have a material adverse effect on the Plan.
