INDEPENDENT AUDITORS' REPORT

The Plan Administrator
Cincinnati Museum Center Retirement Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Cincinnati Museum Center Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cincinnati Museum Center Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in the Certified Investments note to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of Cincinnati Museum Center Retirement Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Cincinnati Museum Center Retirement Plan does not have sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cincinnati Museum Center Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Cincinnati Museum Center Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Cincinnati Museum Center Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplementary Schedules Required by ERISA

The supplementary schedules, as noted in the table of contents, together referred to as "supplementary information", are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplementary schedule referred to above.

**CINCINNATI MUSEUM CENTER RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Cincinnati Museum Center Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document and the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Cincinnati Museum Center (the Organization). Employees may participate for the purposes of employee contributions on their first day of their employment. Employees are eligible for employer contributions after reaching two years of service and age eighteen or older. Upon satisfying the eligibility requirement for employer contributions, the employee will begin receiving employer contributions on the first day of the month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees.

Effective May 1, 2021, the Plan suspended all employer contributions.

Effective July 1, 2022, the Plan re-instated all employer contributions at the rates set prior to suspension as discussed below.

Participant Contributions

Each year, participants may contribute up to limits as defined in the Plan, not to exceed amounts determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other retirement plans as described in the Plan document (rollovers). Participants direct the investment of their contributions into any combination of several investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3.0% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Employer Contributions

The Organization may make matching contributions to the Plan. These amounts will be determined by the Organization's Board of Directors on an annual basis. For both the years ended December 31, 2022 and 2021 and except for as noted above, the Organization made matching contributions equal to 100% of the participant's deferrals up to the first 2.5% of the participant's compensation and fixed employer contributions equal to 2.5% of plan compensation. Participants do not have to contribute to the Plan to be eligible for the fixed employer contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan and (b) employer contributions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)**Notes Receivable From Participants**

Participants may borrow from their accounts with Newport Trust Company a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% their vested account balance. The notes are secured by the balance of the participant's account. The interest rate on these notes is set at 1.0% above the prime rate and is reviewed by the Plan administrator on a regular basis. Principal and interest is paid ratably through payroll deductions.

Plan Loans to Participants - TIAA-CREF

Plan loans to participants are issued as separate contracts by TIAA-CREF as contemplated under IRC section 72(p)(5) and do not represent Plan assets in the Statements of Net Assets Available for Benefits. Loans are collateralized using a participant's TIAA-CREF Traditional account balance in an amount equal to 100% of the outstanding loan balance. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her TIAA-CREF Traditional account balance subject to annuity contract and plan provisions. Loan terms range from one to five years in one-year increments and bear interest at the prime rate at the time the funds are borrowed. Principal and interest are paid ratably by the participant to TIAA-CREF and each payment will reduce amounts collateralized by the borrowing participant's TIAA-CREF Traditional account balance. The collateralized balance is not available for transfer, withdrawal, retirement income benefit, or survivor benefits. The Plan loan balances outstanding from participants to TIAA-CREF were \$5,251 and \$12,568, as of December 31, 2022 and 2021, respectively.

Vesting

Participants are immediately vested in their 403(b) elective deferrals, rollover contributions, and employer matching and fixed contributions plus actual earnings thereon.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment from the Organization, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or any other form of payment included in the Plan document. However, participants with a vested balance of less than \$5,000 will receive a lump sum amount equal to the vested portion of their account upon termination. Participants with a vested balance in excess of \$5,000 may remain in the Plan, but they may not make additional contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses paid by the Organization are excluded from these financial statements. Investment-related expenses are included in net (depreciation) appreciation in fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by defined contribution plans are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Use of Estimates**

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan determines the Plan's valuation policies utilizing information provided by the investment advisers and the custodians (see Fair Value Measurements note).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of either December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Payments of benefits are recorded when paid.

Net Assets Available for Benefits

Net assets available for benefits at both December 31, 2022 and 2021 included \$-0- allocated to the accounts of persons who, prior to that date, had withdrawn from participating in earnings and operations of the Plan.

Tax Status

The Plan is currently operating under a volume submitter plan document that has been accepted under Section 403 of the Internal Revenue Code for use by employers for the benefit of their employees. This document received a favorable opinion letter from the Internal Revenue Service, dated March 31, 2017. The Plan has been amended since receiving this opinion letter. An opinion letter has not been received specific to the Cincinnati Museum Center Retirement Plan. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of both December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit nor has it been contacted by any taxing authority.

Subsequent Events

The Plan has evaluated subsequent events through September 28, 2023, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following are the descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at either December 31, 2022 or 2021.

Mutual Funds (including Money Market Fund) – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments Held in Pooled Separate Accounts – Valued at the net asset value (NAV) per share or its equivalent of the funds, which is based on the fair value of the funds' underlying investments.

Non-Fully Benefit Responsive Investment Contract – Cash contributions plus interest credited to the Plan's contracts, less any withdrawals. TIAA-CREF has represented that contract value approximates fair value due to current crediting rates being comparable to those of similar investments.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022 and 2021:

December 31, 2022	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 16,735	\$ -	\$ -	\$ 16,735

- (a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line presented in the statements of net assets available for benefits.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Investments Held in Pooled Separate Accounts	\$ 639,734	N/A	Daily	None
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Investments Held in Pooled Separate Accounts	\$ 601,059	N/A	Daily	None

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31, 2022 and 2021.

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Balance, Beginning of Year	\$ 3,607,908	\$ 3,636,694
Unrealized Gains	84,095	76,782
Realized Gains	27,211	33,673
Other Investment Income	37,198	15,869
Distributions	<u>(132,876)</u>	<u>(155,110)</u>
Balance, End of Year	<u>\$ 3,623,536</u>	<u>\$ 3,607,908</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net (depreciation) appreciation in fair value of investments on the statements of changes in net assets available for benefits.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional annuity with TIAA-CREF. TIAA-CREF Traditional Annuity is a fixed rate annuity contract that is fully and unconditionally guaranteed and backed by the claims paying ability of TIAA-CREF. TIAA-CREF Traditional Annuity is a single funding vehicle, but the reporting of TIAA-CREF Traditional Annuity includes the reporting of the amount of benefit responsive and non-benefit responsive holdings of the contract. For investment contracts that are fully benefit-responsive, contract value is the relevant measurement attribute. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

TIAA-CREF Traditional Annuity provides a guarantee of principal and credits contracts a guaranteed minimum rate of interest during the accumulation phase (generally 3%, but in some recent contracts between 1% and 3%) and the potential for additional interest if declared by the Board of Trustees of TIAA-CREF. Additional interest, when declared, remains in effect for the “declaration year,” which begins each March 1. Additional interest is not guaranteed for future years. Contributions to a participant’s account purchases a guaranteed amount of lifetime annuity income. When the contract value accumulation of TIAA-CREF Traditional Annuity is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the plan and does not represent an obligation of the plan.

The non benefit-responsive portion of the TIAA-CREF Traditional Annuity generally consists of restrictions as to when lump sum payments are permitted, usually, within 120 days after termination of employment. Such withdrawals are subject to a 2.5% surrender charge. At all other times, withdrawals and transfers from TIAA-CREF Traditional Annuity must be spread over an 84-month period (7 years) in monthly systematic payments.

The benefit-responsive portion of the TIAA-CREF Traditional Annuity may have events that limit the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the custodial account to qualify for an exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include a) an uncured breach of the Plan’s investment guidelines, (b) a material amendment to the contract without the issuer’s consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

NOTE 5 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplementary schedules, including investments and notes receivable from participants held at both December 31, 2022 and 2021, and the net (depreciation) appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company and TIAA-CREF, the custodians of the Plan.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Newport Trust Company and TIAA-CREF. Newport Trust Company and TIAA-CREF are the custodians and record-keepers for the Plan and, therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines. Fees paid by the Plan to the custodians are included in either administrative expenses or net (depreciation) appreciation in fair value of investments. The Organization pays directly any other fees related to the Plan's operations.

Several employees of the Organization provide administrative services to the Plan, such as day to day administration and oversight. The Organization does not charge the Plan for these services.

NOTE 8 – RISKS AND UNCERTAINTIES

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible, that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – DELINQUENT REMITTANCES

During 2022 and 2021, the Company failed to timely remit to the Plan's custodian certain participant contributions totaling \$1,500 and \$286, respectively, within the period prescribed by the Department of Labor regulations. The Company reimbursed the Plan for the 2021 lost interest and earnings during 2022. The Company intends to reimburse the Plan for the 2022 lost interest and earnings during 2023.
