## **Independent Auditor's Report**

To the Plan Administrator  
Terex Corporation and Affiliates  
401(k) Retirement Savings Plan  
Norwalk, Connecticut

### ***Opinion***

We have audited the financial statements of the Terex Corporation and Affiliates 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The ERISA-required Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS

## 1. DESCRIPTION OF THE PLAN

The following description of the Terex Corporation and Affiliates' 401(k) Retirement Savings Plan (the "Plan") provides only general information. Employees covered by the Plan ("Participants" or "Participant") should refer to the Plan document for a complete description of the Plan's provisions.

General – The Plan is a defined contribution plan that covers certain salaried and hourly employees of Terex Corporation and its subsidiaries (the "Company") meeting minimum eligibility requirements ("Eligible Employees"). The investments of the Plan are held in a trust account by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Company's Board of Directors authorized a committee to administer the benefit structure of the Plan ("Administrative Committee"). The Administrative Committee consists of at least five members and is considered the plan administrator for purposes of ERISA.

Participant Eligibility – Eligible Employees may begin participation on the first day of the month following their hiring. On October 8, 2024, the Company completed its acquisition of Environmental Solutions Group ("ESG") from Dover Corporation. In connection with the acquisition, the Plan was amended to include ESG's subsidiaries - Marathon Equipment Company (Delaware), So. Cal. Soft-Pak, Incorporated, and The Heil Co. - as new participating employers. An Eligible Employee who was employed by Marathon Equipment Company (Delaware), The Heil Co., or So. Cal. Soft-Pak, Incorporated as of October 7, 2024, is defined as an "ESG Participant." Additionally, per the terms of this amendment, no ESG Participant was permitted to enter the Plan or otherwise become a Participant for elective contribution, matching contribution or voluntary contribution purposes until December 23, 2024.

Effective February 1, 2026 the Plan was amended to reflect that an Eligible Employee does not include any Employee: (a) who is included in a collective bargaining unit, unless the participating employer's collective bargaining agreement with that unit specifically provides that such unit's members shall be covered by the Plan, (b) who is a leased employee (as defined in Code Section 414(n)(2)), or (c) who was employed by REV Group, Inc. or any of its subsidiaries as of the day immediately prior to February 2, 2026, the date on which REV Group, Inc. merged with the Company or any of its subsidiaries.

Contributions – Participants may contribute a maximum of 80% of their compensation to the Plan in any combination of pre-tax, Roth or post-tax contributions. The maximum pre-tax and Roth contributions permitted under Internal Revenue Service ("IRS") regulations in 2025 was \$23,500. Participants age 50 and older can elect to make additional pre-tax and Roth contributions ("catch-up contributions") up to the limits prescribed by IRS regulations. These additional catch-up contributions are not eligible for matching Company contributions. The maximum catch-up contributions permitted by IRS regulations for employees that have attained age 50 in 2025 was \$7,500, however for employees that were 60, 61, 62 or 63 during 2025, their maximum catch-up contribution was \$11,250 (instead of \$7,500).

The Company made a profit-sharing contribution to each ESG Participant's profit-sharing contribution account during 2025 in the amount of 5% of such Participant's compensation earned from October 8, 2024 through December 31, 2024. Such profit sharing contribution was made regardless of whether the ESG Participant was a Participant or an active Eligible Employee of the Company or a participating employer as of December 31, 2024. Such amounts were fully vested and nonforfeitable and included as employer contributions receivable on the Statement of Net Assets Available for Benefits for the year ended December 31, 2024.

The Company provides safe harbor matching contributions of 100% of Participant contributions to the Plan up to a maximum of 5% of their compensation.

The Company may make, at its sole discretion, supplementary contributions. There were no supplementary contributions made for the year ended December 31, 2025.

Contributions (excluding catch-up contributions) are limited in that the sum of: a) total Company contributions; b) total Participant pre-tax contributions; c) total Participant Roth contributions and d) total Participant post-tax contributions, cannot exceed the lesser of: i) \$70,000 or ii) 100% of the Participant's total compensation for the year. Participants are able to direct both Participant and Company contributions and redistribute accumulated contributions and earnings between investment alternatives.

## NOTES TO FINANCIAL STATEMENTS

For any plan year in which a Participant makes both pre-tax and Roth elective contributions, distribution of excess deferrals shall be made from the pre-tax elective contributions before the Roth elective contributions unless the Participant specifies otherwise.

All employees under the Plan are subject to automatic enrollment for Participant pre-tax contributions equal to 2% of their compensation if they do not elect to designate a portion of their compensation as an elective contribution (including zero percent) within their first 35 days of participation. Participants may elect to opt out of automatic enrollment. The Plan provides for automatic elective contribution notices.

Vesting – Participants are fully vested immediately in their voluntary contributions and all Company safe harbor matching contributions, plus any actual earnings thereon.

Forfeitures – Nonvested (prior to safe harbor matching provisions) Company contributions of Participants who have separated from the Company become forfeitures and are held in a separate account and may be used to reduce future Company contributions or to pay the Plan's administrative fees. However, Participants who return to service within five years from their separation date will be entitled to continue vesting in the Company contributions which were previously forfeited. At December 31, 2025 and 2024, respectively, forfeited nonvested accounts totaled \$81,580 and \$233,057. These accounts will be used to offset future Company contributions or pay the Plan's administrative fees. During the year ended December 31, 2025, there were no fees deducted from the forfeiture account to offset/adjust Company contributions or for payment of the Plan's expenses.

Participant Accounts – Each Participant's account is credited with the Participant's contributions and Company matching contributions, as well as an allocation of earnings (losses) from the respective investment funds. A Participant's contributions and related Company matching contributions are used to purchase shares in the various investment alternatives. The value of and the earnings credited to a Participant's account are based on the proportionate number of shares owned by the Participant and the fair value of the investment on the valuation date. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations may also be based on specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits – Upon retirement, disability or death, the entire balance of the Participant's account becomes payable to the Participant or designated beneficiary(ies). Upon any other termination of employment, the Participant receives the entire balance of his/her account; however, if the balance of the Participant's account is greater than \$7,000 the Participant can elect to keep the investments in the Plan. Withdrawals are also permitted for financial hardship, Roth conversions, rollover and after-tax contributions, as defined in the Plan document, or upon attainment of age 59-1/2.

In the event the Participant does not direct the distribution, the Administrative Committee is allowed to designate an individual retirement plan for a mandatory distribution greater than \$1,000. For amounts less than \$1,000, a distribution is made to the Participant.

Notes Receivable from Participants – Participants may obtain loans between \$1,000 and an amount up to the lesser of \$50,000 or 50% of the vested portion of their account balance, subject to the discretion of the plan administrator and certain other restrictions. Terms of all loans are established by the Administrative Committee. As of December 31, 2025, interest rates on Participant loans ranged from 4.25% to 9.50%.

Participant-directed Investments – All assets of the Plan are Participant-directed investments. Participants have the option of directing their account balance to one or more different investment options. The investment options include a mutual fund, various common collective trust options (the "Common Collective Trusts" or "Trusts"), Terex Corporation common stock (limited to no more than 25% of Participant's investment allocation) or a self-directed brokerage account. If a Participant does not elect an investment option in which to invest their deferrals, the Plan will invest their contributions in a qualified default investment alternative.

## 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

## NOTES TO FINANCIAL STATEMENTS

Administrative Fees – The Plan charges each participant a quarterly fee to pay expenses of the Plan. Expenses include recordkeeping, trustee, audit and other fees which are paid once they have been approved by the Administrative Committee. In addition, administrative expenses paid directly from participant accounts include monthly fees for participants that utilize professional management services and processing fees for participant loans. The trust agreement between the Plan and Fidelity includes a Revenue Credit Program. Under this program, in situations where Fidelity earns record keeping fees in excess of the agreed-upon compensation, Fidelity is required to remit those excess fees (“Revenue Credits”) to the Plan to be used to pay ERISA qualified expenses (See Note 6). Fidelity funds the Revenue Credits quarterly.

Payment of Benefits – Benefits are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of investment income and expenses during the reporting period. Actual results could differ significantly from those estimates.

Investment Valuation and Income Recognition – The Plan’s investments in mutual funds, self-directed brokerage accounts, Terex Corporation common stock and the Trusts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the Trusts are recorded at net asset value (“NAV”). The Administrative Committee determines the Plan’s valuation policies utilizing information provided by the investment advisers and trustee (see Note 3). Shares of mutual funds are valued at the NAV of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation/(depreciation) in the aggregate fair value of investments is comprised of all realized and unrealized gains and losses during the year. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants – Notes receivable from Participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent Participant loans are reclassified as distributions based upon the terms of the Plan document.

Contributions Receivable - Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Profit sharing contributions are recorded in the relevant period in accordance with the terms in the Plan document.

Subsequent Events – The Plan has evaluated subsequent events through June 12, 2026, the date the financial statements were available to be issued.

### 3. FAIR VALUE MEASUREMENT

The Plan performs fair value measurements in accordance with Financial Accounting Standards Board issued Accounting Standards Codification ASC 820, “Fair Value Measurement and Disclosure” (“ASC 820”), which defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A financial instrument’s categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Determining which category an asset or liability falls within this hierarchy requires judgment. ASC 820 establishes three levels of inputs that may be used to measure fair value:

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 – Quoted prices in markets that are not active, or inputs which are observable, either directly or indirectly, for substantially the full term of the asset or liability; and

NOTES TO FINANCIAL STATEMENTS

Level 3 – Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (i.e., supported by little or no market activity).

The Plan's valuation methodology used to measure the fair value of common stock is the closing price reported on the active market on which the individual securities are traded. The Plan's valuation methodology used to measure the fair value of mutual funds is the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The Trusts are valued at NAV and are not included in the fair value hierarchy. The fair value amounts of the Trusts presented in the tables below are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

#### 4. INVESTMENTS MEASURED AT NAV

The Plan has an interest in the Trusts. The Trusts consist of the following: the Fidelity Freedom Index Retirement Commingled Pool Class T, a family of Fidelity Freedom Index Date Commingled Pools Class T, and various other funds. The funds are dedicated exclusively to the management of assets of defined contribution plans. The Trusts are valued using NAV provided by the trustees in order to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less liabilities. Were the Plan to initiate a full redemption of the Trusts, the trustees reserve the right to temporarily delay withdrawal from the Trusts in order to ensure that securities' liquidations will be carried out in an orderly business manner. The Trusts have no unfunded commitments, other redemption restrictions, or redemption notice periods.

**NOTES TO FINANCIAL STATEMENTS**

**5. RISKS AND UNCERTAINTIES**

The Plan provides for various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

For details on risks facing the Company, see Item 1A in the Company's Annual Report on Form 10-K for the year ended December 31, 2025.

**6. PARTY-IN-INTEREST**

Certain Plan investments are shares of mutual funds and Trusts managed by Fidelity. In addition to serving as trustee, Fidelity also serves as custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for the investment management services, loan administration and other record keeping services were \$549,158 for the year ended December 31, 2025. Fees paid for legal, auditing and consulting services were \$361,457 for the year ended December 31, 2025. During 2025, the Plan recorded \$100,242 in Revenue Credits (see Note 2), which resulted in the Plan showing net administrative fees for the year of \$810,373. In addition, transactions in the Company's common stock and notes receivable from Participants qualify as party-in-interest transactions.

**7. INCOME TAX STATUS**

The Plan received a determination letter, dated June 26, 2012, in which the IRS stated that the Plan, as amended and restated on January 24, 2012, met the qualification requirements of Sections 401(c) and 401(k) of the Internal Revenue Code and that the Plan is exempt from Federal income taxation. The Plan has been amended subsequent to receiving the determination letter. The plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRS.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**8. TERMINATION OF THE PLAN**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that such discontinuance results in the complete or partial termination of the Plan, Participants would become 100% vested in their accounts.
